Annual General Meeting 2013

We have pleasure in inviting you to the Annual General Meeting of Mondi plc which will be held at Haberdashers' Hall, 18 West Smithfield, London EC1A 9HQ, UK at 10:30 (UK time) on Friday 3 May 2013.

The Notice of Annual General Meeting is set out on pages 6 to 9, followed on pages 10 to 35 by an explanation of each resolution proposed and notes about your rights as a Shareholder and information regarding the appointment of proxies. All voting at the meeting will be conducted on a poll.

Enclosed with this Notice of Annual General Meeting is the Mondi Group Integrated report and financial statements 2012 containing the audited combined and consolidated financial information for Mondi Limited and Mondi plc for the year ended 31 December 2012.

Adoption of mechanism to permit odd-lot offers to Shareholders

The Directors of the Mondi Group, subject to receiving the prior approval of Mondi Shareholders as required under the Listings Requirements of the JSE, are proposing to implement an offer at any time within the next 18 months to facilitate a reduction in the number of Ordinary Shareholders in Mondi in an equitable manner (the 'Odd-lot Offer'). In broad terms, the Odd-lot Offer is a means by which Mondi can facilitate the purchase of shares from those Shareholders who hold less than 100 Ordinary Shares in Mondi plc and/or Mondi Limited and who do not expressly elect to retain their holding. Subject to approval from its Shareholders, Mondi proposes the acquisition of the shares that are the subject of the Odd-lot Offer at a 5% premium to the volume weighted average market price for the five trading days prior to the date on which the Odd-lot Offer is announced.

In order for Mondi plc to implement its portion of the Odd-lot Offer, Mondi plc is seeking authority from its Shareholders:

- i. to amend its Articles of Association to facilitate the Odd-lot Offer in respect of Mondi plc shares;
- ii. to authorise its Directors to make and implement the Odd-lot Offer in accordance with the terms and conditions set out herein at any time during the 18 month period after the date of the Annual General Meeting; and
- iii. to make an off-market repurchase of Mondi plc shares in accordance with section 694 of the UK Companies Act in order to implement the Odd-lot Offer.

In addition to the proposals for Mondi plc to implement the Odd-lot Offer, the Mondi Group is asking its Shareholders to approve equivalent proposals for the portion of the Odd-lot Offer to be implemented by Mondi Limited in respect of those Shareholders who hold less than 100 Ordinary Shares in Mondi Limited (refer to resolutions 24 and 25).

Shareholders that hold less than 100 Mondi plc Ordinary Shares and less than 100 Mondi Limited Ordinary Shares may participate in both the Mondi plc and the Mondi Limited portion of the Odd-lot Offer.

The rationale for seeking the authority to implement an Odd-lot Offer is that Mondi has an unusually large number of Shareholders for a group of its size, with a total of more than 67,800 Shareholders across the Mondi Limited and Mondi plc share registers. Of this number approximately 77.5% hold fewer than 100 shares, which represents 0.14% of the total number of shares in issue. The Directors attribute the relatively large number of Shareholders to Mondi's history, which includes a demerger from Anglo American plc in 2007. The recurring costs of administration resulting from the relatively large number of Shareholders (for example, the costs of printing and distributing financial statements, circulars and notices) affect Shareholders of the Mondi Group as a whole. The Odd-lot Offer will enable Mondi to identify active Shareholders and to repurchase the holdings of those Shareholders who hold less than 100 shares and who do not expressly elect to retain their shares, and thereby reduce overall administration costs. The Odd-lot Offer will also enable holders of relatively small numbers of shares in Mondi to exit their shareholding in a cost-effective manner and at a 5% premium to the volume weighted average market price for the five trading days prior to the date on which the Odd-lot Offer is announced.

Joint chairmen's letter

continued

The Directors believe that the implementation of an Odd-lot Offer would be in the interests of Shareholders as a whole and will facilitate a reduction in the number of Shareholders in the Group in an equitable manner.

It is important to note that any Shareholder who is eligible for the Odd-lot Offer and who wishes to remain a Shareholder of Mondi at the time of the Odd-lot Offer may elect to do so.

Where a Shareholder does not make an express election to retain their shares, Mondi will buy back the shares at the Offer Price. This will be the default election for those Odd-lot Holders who do not respond to the Odd-lot Offer.

Further information on the Odd-lot Offer, including background to and reasons for the Odd-lot Offer, and how it will operate, is set out on pages 19 to 29 of this Notice.

Changes in relation to the LTIP

Both Mondi plc and Mondi Limited operate Long-Term Incentive Plans (together the 'LTIP') as their primary share based long-term incentive arrangement for selected senior employees (including the Mondi Group executive Directors).

Implemented in 2007, the LTIP provides for the grant of conditional awards or nil cost options over Ordinary Shares in the capital of Mondi plc or Mondi Limited as relevant. Awards under the LTIP ordinarily vest three years from grant subject to the award holder's continued service and the satisfaction of performance conditions. Details of the current performance condition policy and of the grant history of awards to the Mondi Group executive Directors can be found in the remuneration report in the Mondi Group Integrated report and financial statements 2012.

Following a review of the current terms of the LTIP, the DLC remuneration committee (the 'Committee') has proposed a change in relation to the current terms of the LTIP to provide for 'dividend equivalent' provisions to be available for operation in relation to LTIP awards, commencing with awards granted during the calendar year 2013.

The proposed change to the rules of the LTIP would enable a term of such LTIP awards to include that participants will receive a payment (in cash and/or shares) on or shortly following the delivery of shares vesting under their awards, of an amount equivalent to the dividends that would have been paid on those shares between the time when the awards were granted and the time when they vest (or if later, the time of the exercise of the awards in the case of awards structured as nil cost options). The change to the rules of the LTIP would include scope for such payments to be calculated assuming the reinvestment of dividends.

The Committee considers that such dividend equivalent provisions are in line with market practice and help further align the interests of participants with Shareholders.

Other than appropriate amendments to the rules of the LTIP to accommodate the changes described above, the rules of the LTIP would in all other respects remain identical.

Resolution 26 seeks Shareholders' approval in relation to the changes required to the rules of the LTIP operated by Mondi Limited to accommodate the changes described above.

Resolution 38 seeks Shareholders' approval in relation to the changes required to the rules of the LTIP operated by Mondi plc to accommodate the changes described above.

Final dividend

Shareholders are being asked to give their consent for Mondi Limited and Mondi plc to pay final dividends of 225.16629 Rand cents per Ordinary Share and 19.1 Euro cents per Ordinary Share, respectively. If the recommended final dividends are approved, the dividends will be paid on Thursday 16 May 2013 to all Ordinary Shareholders on each register of members on Friday 19 April 2013.

Action to be taken

Your involvement in the meeting is valued either in person or by proxy and is an important part of our dialogue with Shareholders. If you are entitled to but are unable to attend the Annual General Meeting in person you can submit your voting instruction using the enclosed proxy form or alternatively electronically as explained in the notes to the Notice of Annual General Meeting on page 30. Please ensure that your proxy appointment reaches the UK Registrar by no later than 10:30 (UK time) on Wednesday 1 May 2013. A proxy need not be a member of Mondi plc or Mondi Limited but must attend the meeting to represent you.

Submission of a proxy appointment will not prevent you from attending and voting in person should you wish to do so.

Recommendation

The Board of Mondi plc believe that all the proposals to be considered at the Annual General Meeting of Mondi plc are in the best interests of Mondi plc and its Shareholders as a whole. The Directors unanimously recommend that you vote in favour of all the proposed resolutions as they intend to do in respect of their own beneficial holdings.

Yours sincerely

Cyril Ramaphosa

Explanation of resolutions

Resolutions 1 to 8 – re-election of Directors

In accordance with governance best practice, the boards of Mondi Limited and Mondi plc (the 'Boards') have decided that all Directors will stand for re-election in 2013. The DLC nominations committee reviewed and recommended to the Boards the re-election of each of the Directors. The independence of each of Stephen Harris, Imogen Mkhize, John Nicholas, Anne Quinn and David Williams as non-executive Directors was reviewed and confirmed. The recent board evaluation also confirmed that each of the Directors make an effective and valuable contribution to the Boards and demonstrate commitment to their respective roles and are therefore recommended for re-election.

Cyril Ramaphosa has given notice that he wishes to retire at the conclusion of the Annual General Meeting and does not wish to stand for re-election.

Full biographical details of each Director are set out in the Mondi Group Integrated report and financial statements 2012 on pages 62 to 64.

Resolutions 9 to 11 – election of DLC audit committee members

South African company law requires that, at each Annual General Meeting, the Shareholders elect the members of an audit committee. The three members proposed, each an independent non-executive Director of both Mondi Limited and Mondi plc, are Stephen Harris, John Nicholas and Anne Quinn. The DLC nominations committee reviewed the suitability and qualifications of each Director as members of the DLC audit committee and considers that each of Stephen Harris, John Nicholas and Anne Quinn has adequate relevant financial knowledge and experience to fulfil their duties as members of the DLC audit committee.

Full biographical details of each Director are set out in the Mondi Group Integrated report and financial statements 2012 on pages 63 and 64.

Resolutions 12 and 27 – 2012 Integrated report and financial statements

The Directors of Mondi Limited and Mondi plc are required by company law to present the audited financial statements, together with the reports of the DLC audit committee, the Directors and the auditors for the financial year ended 31 December 2012 of the respective company to the meeting.

Enclosed with this Notice of Annual General Meeting is a copy of the Mondi Group Integrated report and financial statements 2012 containing the audited combined and consolidated financial information of Mondi Limited and Mondi plc for the year ended 31 December 2012.

Resolutions 13 and 28 – Directors' remuneration

Regulation in South Africa and the UK requires that the Directors present a report on their remuneration during the period under review and details of the remuneration policy, for approval by Shareholders. The report for the year ended 31 December 2012 is set out on pages 80 to 94 of the Mondi Group Integrated report and financial statements 2012.

Resolutions 14 – Special resolution number 1 – fees for chairman of social and ethics committee

Regulation in South Africa requires that Shareholders approve the fees paid to Directors for their services as Directors. In accordance with the SA Companies Act, every listed company was required to establish a social and ethics committee before 1 May 2012. Mondi Limited established such a committee in February 2012 and appointed the chairman and members of the committee in compliance with the requirements of the SA Companies Act. It is proposed that the chairman be compensated for his/her services in accordance with the remuneration set out in the Mondi Group Integrated report and financial statements 2012 on page 89.

Resolution 15 – Special resolution number 2 – Director fees

Regulation in South Africa requires that Shareholders approve the fees paid to Directors for their services as Directors. The base level of fees for the Directors are set out in the Mondi Group Integrated report and financial statements 2012 on page 89. Resolution 15 is seeking approval to increase these fees for the non-executive Directors by 2.9% with effect from the date of this

meeting. Save for the fees in respect of the social and ethics committee which are the subject matter of resolution 14, the fees have remained unchanged for the last two years having last been increased in May 2011.

Resolutions 16 and 29 – final dividend

Final dividends for the year ended 31 December 2012 for Mondi Limited and Mondi plc of 225.16629 Rand cents per Ordinary Share and 19.1 Euro cents per Ordinary Share, respectively, are recommended by the Directors. Shareholder approval for the declaration of these final dividends is required. If approved, the dividends will be paid on Thursday 16 May 2013 to Shareholders on each register on Friday 19 April 2013.

The Directors of Mondi Limited have applied the solvency and liquidity tests contemplated in the SA Companies Act in terms of which it has been concluded that Mondi Limited will satisfy such tests immediately after completing the proposed distribution.

Resolutions 17, 18, 30 and 31 – reappointment and remuneration of auditors

South African and UK company law requires that, at each general meeting at which accounts are laid, Mondi Limited and Mondi plc appoint auditors who will remain in office until the next general meeting at which accounts are laid. The boards of Mondi Limited and Mondi plc, having accepted the recommendation of the DLC audit committee, propose that Deloitte & Touche and Deloitte LLP be reappointed as Mondi Limited and Mondi plc's auditors, respectively. Resolutions 17 and 30 relate to the reappointment and resolutions 18 and 31 will authorise the DLC audit committee to agree the auditors' remuneration.

Resolution 19 – Special resolution number 3 – financial assistance

This resolution is being proposed in order to comply with the requirements of sections 44 and 45 of the SA Companies Act, to the extent that, on an interpretation thereof, the approval of Shareholders is required for the Directors to authorise any financial assistance by Mondi Limited. Sections 44 and 45 of the Act both provide, inter alia, that such financial assistance must be approved by a special resolution of the Shareholders, adopted within the previous two years. Following such Shareholder approval the Directors may not authorise any such financial assistance unless they are satisfied that:

- i. immediately after providing the financial assistance, Mondi Limited would satisfy the solvency and liquidity test; and
- ii. the terms under which the financial assistance is proposed to be given are fair and reasonable to Mondi Limited.

In the normal course of business, Mondi Limited is required to grant financial assistance to subsidiaries and other juristic persons in the Mondi Group, including but not limited to financial assistance in the form of loans, guarantees in favour of third parties, such as financial institutions, service providers and counterparties (in respect of the provision of banking facilities, acquisition transactions, project financing, debt capital and structured financing transactions) for the obligations of such subsidiaries and any persons related to such subsidiaries. This resolution will enable Mondi Limited to provide financial assistance within the Mondi Group which may be required from time to time in the normal course of business.

Resolution 20 – general authority to the Directors to issue Ordinary Shares

This authority, in accordance with the Listings Requirements of the JSE, grants the Directors the authority to allot and issue or grant options to subscribe for, a number of shares equal to 5% of the issued Ordinary Shares of Mondi Limited.

Resolution 21 – general authority to the Directors to issue special converting shares

This authority, in accordance with the Listings Requirements of the JSE, grants the Directors the authority to allot and issue or grant options to subscribe for, a number of shares equal to 5% of the issued special converting shares of Mondi Limited.

The special converting shares are very specific to the Mondi dual listed company (DLC) administration and can only be used upon termination of the DLC arrangements.

The special converting shares are shares issued by Mondi Limited that are held by a South African trust and which convert into Ordinary Shares only in the event of and upon termination of the DLC structure so as to ensure economic equalisation for Shareholders. Mondi plc also has a number of special converting shares in issue to a UK trust. The two companies are required

under the DLC agreements to ensure that the correct number of special converting shares is always in issue. Therefore, should the authority under resolution 32 (relating to the number of Mondi plc Ordinary Shares in issue) be used, an equivalent authority is required in respect of the special converting shares of Mondi Limited in order to maintain the protection for Shareholders. Equalisation on termination is achieved by ensuring that the Shareholders of each company receive such shares in the other company as will ensure that they have the same proportionate holding in each of the companies as they previously had in the combined group. Prior to termination of the DLC structure, the special converting shares have limited rights.

Resolution 22 – allot shares for cash

Resolution 22 provides authority to the Directors to allot shares for cash other than by way of rights issue in respect of Mondi Limited up to the limit specified in the resolution. In such circumstances, the Directors confirm that, as and when they exercise such authority, they intend to follow emerging best practice as regards its use as recommended by the Association of British Insurers.

The Directors also confirm that the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi Limited;
- ii. the equity securities which are the subject of the issue for cash shall be of a class already in issue or, where this is not the case, shall be limited to such securities or rights that are convertible into a class already in issue;
- iii. a paid press announcement giving full details, including the impact on the net asset value and earnings per Ordinary Share, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of Ordinary Shares in issue prior to such issue;
- iv. the issue in the aggregate in any one financial year will not exceed 15% of the number of Ordinary Shares in issue (although it should be noted that the resolution limits the Directors to a maximum of 5% of the Ordinary Shares in issue);
- v. in determining the price at which an allotment and issue of Ordinary Shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the Ordinary Shares in question as determined over the 30 days prior to the date the price of the issue is determined or agreed between Mondi Limited and the party subscribing for the securities; and
- vi. the equity securities/shares must be issued to public Shareholders and not to related parties.

In terms of the Listings Requirements of the JSE, the approval of 75% of the votes cast in favour of this resolution by all equity securities holders present or represented by proxy at the Annual General Meeting is required to approve this resolution.

Resolution 23 – Special resolution number 4 – to purchase own shares

The reason and effect of resolution 23 is to grant a renewable general authority to Mondi Limited, or a subsidiary of Mondi Limited, to acquire Ordinary Shares in Mondi Limited which are in issue from time to time in terms of the following Listings Requirements of the JSE (as presently constituted and as amended from time to time):

- i. any such acquisition of Ordinary Shares be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between Mondi Limited and the counter party;
- ii. authorisation thereto is given by Mondi Limited's Memorandum of Incorporation;
- iii. this general authority shall be valid until Mondi Limited's next Annual General Meeting or 15 months from the date of passing this special resolution, whichever is earlier;
- iv. an announcement will be published as soon as Mondi Limited or any of its subsidiaries has acquired Ordinary Shares constituting, on a cumulative basis, 3% of the number of Ordinary Shares in issue prior to the acquisition pursuant to which the aforesaid 3% threshold is reached, and for each 3% in aggregate acquired thereafter, containing full details of such acquisitions;
- v. acquisitions of Ordinary Shares in aggregate in any one financial year may not exceed 20% of Mondi Limited's issued Ordinary Share capital of that class as at the date of passing of this resolution (although it should be noted that the Directors will limit any purchase to a maximum of 5% of the issued Ordinary Share capital);
- vi. in determining the price at which Ordinary Shares issued by Mondi Limited are acquired by it or any of its subsidiaries in terms of this general authority, the maximum premium at which such Ordinary Shares may be acquired will be 10% of the weighted average of the market value at which such Ordinary Shares are traded on the JSE as determined over the five Business Days immediately preceding the date of repurchase of such Ordinary Shares by Mondi Limited or any of its subsidiaries;
- vii. at any point in time, Mondi Limited or any of its subsidiaries may only appoint one agent to effect any repurchase on Mondi Limited's behalf;

- viii. Mondi Limited or any of its subsidiaries may not repurchase any shares during a prohibited period as defined by the Listings Requirements of the JSE, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and full details of the programme have been disclosed in an announcement over the JSE's Security Exchange News Service (SENS) prior to the commencement of the prohibited period; and
- ix. the Directors have authorised the repurchase, that Mondi Limited passes the solvency and liquidity test and that from the time the test is done there are no material changes to the financial position of the Group.

Save for the Odd-lot Offer which is subject to separate authorisation (resolutions 24 and 25) and will not form part of this authorisation or the parameters for this authorisation specified herein, the Directors of Mondi Limited have no present intention of making any repurchases but believe that Mondi Limited should retain the flexibility to take action if future repurchases were considered desirable and in the best interests of Shareholders. The Directors of Mondi Limited are of the opinion that, after considering the effect of such acquisition of Ordinary Shares, if implemented and on the assumption that Mondi Limited acquires the maximum of 5% of the current issued Ordinary Share capital of Mondi Limited at the last practical date prior to the date of the Notice of Annual General Meeting of Mondi Limited convened for 3 May 2013 or during a period of 12 months after the date of the Notice of Annual General Meeting of Mondi Limited:

- Mondi Limited and its subsidiaries will be able, in the ordinary course of business, to pay its debts;
- the consolidated assets of Mondi Limited and its subsidiaries, fairly valued in accordance with Generally Accepted Accounting Practice, will be in excess of the consolidated liabilities of Mondi Limited and its subsidiaries;
- Mondi Limited and its subsidiaries will have adequate capital and reserves for ordinary business purposes; and
- the working capital of Mondi Limited and its subsidiaries will be adequate for ordinary business purposes. Mondi Limited will ensure that its sponsor will provide the necessary letter on the adequacy of the working capital in terms of the Listings Requirements of the JSE, prior to the commencement of any purchase of Mondi Limited's shares on the open market.

Litigation statement

In terms of section 11.26 of the Listings Requirements of the JSE, the Directors, whose names appear on pages 62 to 64 of the Mondi Group Integrated report and financial statements 2012, are not aware of any litigation proceedings that are pending or threatened, that may have or have had in the recent past, being at least the previous 12 months, a material effect on Mondi Limited and its subsidiaries' financial position.

Directors' responsibility statement

The Directors, whose names appear on pages 62 to 64 of the Mondi Group Integrated report and financial statements 2012, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading and that all reasonable enquiries to ascertain such facts have been made and that the special resolution contains all information required by law and the Listings Requirements of the JSE.

Material changes

Other than the facts and developments reported on in the Mondi Limited 2012 statutory accounts, there have been no material changes in the affairs or financial position of Mondi Limited and its subsidiaries since the date of signature of the audit report and up to the date of this Notice.

The following additional information, some of which may appear elsewhere in the Mondi Group Integrated report and financial statements 2012, is provided in terms of the Listings Requirements of the JSE for purposes of the general authority:

Resolutions 24, 25 Special resolution number 5, 35 Special resolution number 8, 36 and 37 Special resolution number 9 – Odd-lot Offer

Details of the background to and reasons for the Odd-lot Offer, and the way in which the Odd-lot Offer will operate, including details of those Shareholders who will be eligible to participate in the Odd-lot Offer, are set out in Appendix 2 on pages 19 to 29 of this Notice of Annual General Meeting.

Explanation of resolutions

continued

The reason and effect of resolution 25 is to grant specific authority to Mondi Limited or the Mondi Incentive Schemes Trust Trustees or a subsidiary of Mondi Limited, as determined by Mondi Limited, to acquire the Ordinary Shares of Shareholders holding less than 100 Ordinary Shares in Mondi Limited who do not make an express election to retain such Ordinary Shares in Mondi Limited pursuant to the terms of the Odd-lot Offer.

Likewise, the reason and effect of resolution 37 is to grant specific authority to Mondi plc to acquire the Ordinary Shares of Shareholders holding less than 100 Ordinary Shares in Mondi plc who do not make an express election to retain such Ordinary Shares in Mondi plc pursuant to the terms of the Odd-lot Offer.

The authorities sought by both resolution 25 and resolution 37 are in terms of the following Listings Requirements of the JSE (as presently constituted and as amended from time to time):

- i. authorisation thereto is given by Mondi Limited's Memorandum of Incorporation and, subject to the passing of resolution 35, the Articles of Association of Mondi plc;
- ii. approval being given in terms of a special resolution of Mondi Limited Shareholders excluding, in the case of a specific offer, the votes of any Mondi Limited Shareholder and its associates that are participating in the repurchase;
- iii. Mondi Limited or any of its subsidiaries and Mondi plc may not repurchase any shares during a prohibited period as defined by the Listings Requirements of the JSE, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and full details of the programme have been disclosed in an announcement over the JSE's Security Exchange News Service (SENS) prior to the commencement of the prohibited period; and
- iv. the Directors have authorised the repurchase, that Mondi Limited and Mondi plc both pass the solvency and liquidity test and that from the time the test is done there are no material changes to the financial position of the Group.

Mondi Limited will ensure that the working capital statement will be provided by Mondi Limited's sponsor to the JSE prior to the launch of the Odd-lot Offer.

If Mondi were to implement the Odd-lot Offer immediately after the Annual General Meeting, based on the holdings of Odd-lots as at 4 March 2013, being the last practicable date prior to publication of this document, the maximum number of Ordinary Shares that could be purchased pursuant to such an Odd-lot Offer would be 257,798 (0.22%) of the Mondi Limited Ordinary Shares and 440,796 (0.12%) of the Mondi plc Ordinary Shares in issue as at 4 March 2013. On the basis of this information, the Directors of Mondi Limited are of the opinion that, after considering the effect of the proposed acquisition of Ordinary Shares in terms of the Odd-lot Offer, if implemented and on the assumption that the maximum number of Ordinary Shares that could be purchased pursuant to such an Odd-lot Offer would be 257,798 (0.22%) of the Mondi Limited Ordinary Shares, and that such number of Ordinary Shares in Mondi Limited is acquired in terms of the Odd-lot Offer at the last practicable date prior to the date of the Notice of Annual General Meeting of Mondi Limited convened for 3 May 2013 or during a period of 12 months after the date of the Notice of Annual General Meeting of Mondi Limited:

- Mondi Limited and its subsidiaries will be able, in the ordinary course of business, to pay its debts;
- the consolidated assets of Mondi Limited and its subsidiaries, fairly valued in accordance with Generally Accepted Accounting Practice, will be in excess of the consolidated liabilities of Mondi Limited and its subsidiaries;
- Mondi Limited and its subsidiaries will have adequate capital and reserves for ordinary business purposes; and
- the working capital of Mondi Limited and its subsidiaries will be adequate for ordinary business purposes. Mondi Limited will ensure that its sponsor will provide the necessary letter on the adequacy of the working capital in terms of the Listings Requirements of the JSE, prior to the commencement of any purchase of Mondi Limited's shares on the open market.

Litigation statement

In terms of section 11.23 of the Listings Requirements of the JSE, the Directors, whose names appear on pages 62 to 64 of the Mondi Group Integrated report and financial statements 2012, are not aware of any litigation proceedings that are pending or threatened, that may have or have had in the recent past, being at least the previous 12 months, a material effect on Mondi Limited and its subsidiaries' financial position.

Directors' responsibility statement

The Directors, whose names appear on pages 62 to 64 of the Mondi Group Integrated report and financial statements 2012, collectively and individually accept full responsibility for the accuracy of the information pertaining to special resolution number 5 and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement

false or misleading and that all reasonable enquiries to ascertain such facts have been made and that the special resolution contains all information required by law and the Listings Requirements of the JSE.

Material changes

Other than the facts and developments reported on in the Mondi Limited 2012 statutory accounts, there have been no material changes in the affairs or financial position of Mondi Limited and its subsidiaries since the date of signature of the audit report and up to the date of this Notice.

The following additional information, some of which may appear elsewhere in the Mondi Group Integrated report and financial statements 2012, is provided in terms of the Listings Requirements of the JSE for purposes of the specific authority:

- Directors and management – Integrated report and financial statements pages 62 to 65;
- major beneficial Shareholders – Integrated report and financial statements page 95;
- Directors' interests in Ordinary Shares – Integrated report and financial statements page 90; and
- share capital of Mondi Limited – Integrated report and financial statements pages 156 and 157.

The Mondi Incentive Schemes Trust Trustees shall not be entitled to exercise any voting rights arising from the Mondi Incentive Schemes Trust's shareholding in Mondi Limited in respect of Special resolution number 5 in accordance with paragraph 5.69(b) of the Listings Requirements of the JSE.

Resolutions 26 and 38 – amendment to LTIP rules

Both Mondi Limited and Mondi plc operate Long-Term Incentive Plans (together the 'LTIP'). The LTIP was implemented in 2007 and provides for the grant of conditional awards or nil cost options over Ordinary Shares in the capital of Mondi Limited or Mondi plc as relevant. Awards under the LTIP ordinarily vest three years from grant subject to the award holder's continued service and the satisfaction of performance conditions, as explained in the remuneration report set out on pages 82 and 83 of the Mondi Group Integrated report and financial statements 2012. In line with market practice and to further align the interests of participants with Shareholders, the DLC remuneration committee has proposed a change in relation to the current terms of the LTIP to provide for 'dividend equivalent' provisions to be available for operation in relation to LTIP awards, commencing with awards granted during 2013.

The proposed change to the rules of the LTIP would enable a term of such LTIP awards to include that participants will receive a payment (in cash and/or shares) on or shortly following the delivery of shares vesting under their awards, of an amount equivalent to the dividends that would have been paid on those shares between the time when the awards were granted and the time when they vest (or if later, the time of the exercise of the awards in the case of awards structured as nil cost options). The change to the rules of the LTIP would include scope for such payments to be calculated assuming the reinvestment of dividends.

Other than appropriate amendments to the rules of the LTIP to accommodate the changes described above, the rules of the LTIP would in all other respects remain identical.

Resolution 32 – Directors' authority to allot shares

The purpose of resolution 32 is to renew the Directors of Mondi plc's power to allot shares. The authority will allow the Directors of Mondi plc to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a maximum nominal amount of €4,855,537.60, as set out in the table below and exclusive of treasury shares, which is equivalent to approximately 5% of the issued capital:

	Number of shares	Par value	Relative part of section 551 amount
Ordinary Shares	18,362,040	€0.20	€3,672,408.00
Special converting shares	5,915,648	€0.20	€1,183,129.60
Total			€4,855,537.60

Explanation of resolutions

continued

This authority covers the issued Ordinary Share capital of Mondi plc, as would normally be the case for a UK company at its Annual General Meeting, but also the issued special converting shares of Mondi plc. An authority is included for the special converting shares to enable the Directors of Mondi plc to issue these as and when required in accordance with the agreements which constitute Mondi's dual listed company structure (this is explained in more detail on pages 11 and 12).

At 4 March 2013 (being the latest practicable date prior to the publication of this Notice), Mondi plc did not hold any shares in treasury.

There are no present plans to undertake a rights issue or to allot new shares. The Directors of Mondi plc consider it desirable to have the flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

Although UK companies would generally seek an authority over 33.3% of issued capital, Mondi plc is aware that the investment community in South Africa prefers to see this authority restricted to no more than 5% of issued capital. In view of the dual listed company structure, Mondi plc has decided to limit the authority to 5%.

If the resolution is passed, the authority will expire at the end of the Annual General Meeting of Mondi plc to be held in 2014 or, if earlier, 30 June 2014.

Resolution 33 – Special resolution number 6 – disapplication of pre-emption rights

If the Directors of Mondi plc wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), UK company law requires that these shares are offered first to Shareholders in proportion to their existing holdings.

The purpose of resolution 33 is to authorise the Directors of Mondi plc to allot new shares pursuant to the authority given by resolution 32, or to sell treasury shares, for cash (i) in connection with a Rights Issue (as defined in the Articles of Association) or (ii) otherwise up to a maximum aggregate nominal value of €3,672,408, which is equivalent to 5% of the issued Ordinary Share capital of Mondi plc as at 4 March 2013 (being the latest practicable date prior to publication of this Notice), in each case without the shares first being offered to existing Shareholders in proportion to their existing holdings. The authority will expire at the end of the next Annual General Meeting of Mondi plc to be held in 2014 or, if earlier, 30 June 2014.

The Directors confirm that, as and when they exercise such authorities, they intend to follow emerging best practice as regards its use as recommended by the Association of British Insurers.

In accordance with the provisions of the Pre-emption Group's Statement of Principles, the Directors do not intend to issue more than 7.5% of the total issued Ordinary Share capital of Mondi plc for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in any rolling three year period without prior consultation with Shareholders and the investment committees of the Association of British Insurers and the National Association of Pension Funds.

The Directors also confirm that pursuant to the dual listed company structure, the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi plc;
- ii. the equity securities which are the subject of the issue for cash shall be of a class already in issue or, where this is not the case, shall be limited to such securities or rights that are convertible into a class already in issue;

- iii. a paid press announcement giving full details, including the impact on net asset value and earnings per Ordinary Share, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of Ordinary Shares in issue prior to such issue;
- iv. the issue in the aggregate in any one financial year will not exceed 15% of the number of Ordinary Shares in issue (although it should be noted that the resolution limits the Directors to a maximum of 5% of the Ordinary Shares in issue);
- v. in determining the price at which an allotment and issue of Ordinary Shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the Ordinary Shares in question as determined over the 30 days prior to the date that the price of the issue is determined or agreed by the Directors of Mondi plc; and
- vi. the equity securities/shares must be issued to public Shareholders and not to related parties.

The Directors of Mondi plc consider the authority in resolution 33 to be appropriate in order to allow Mondi plc flexibility to finance business opportunities without the need to comply with the strict requirements of the statutory pre-emption provisions.

Resolution 34 – Special resolution number 7 – purchase of own shares

The Directors of Mondi plc consider it may, in certain circumstances, be in the best interests of Shareholders generally for Mondi plc to purchase its own Ordinary Shares. Accordingly, the effect of this resolution is to renew the general authority, subject to specified limits, granted to Mondi plc to purchase its own Ordinary Shares, until the Annual General Meeting in 2014 or, if earlier, 30 June 2014. You are asked to consent to the purchase by Mondi plc of up to a maximum of 18,362,040 Ordinary Shares of €0.20 each. This represents 5% of the Ordinary Shares in issue as at 4 March 2013 and Mondi plc's exercise of this authority is subject to the stated upper and lower limits on the price payable.

As of 4 March 2013 (the latest practicable date prior to publication of this Notice), there were options outstanding over 4,730,711 Ordinary Shares, representing 1.29% of Mondi plc's issued Ordinary Share capital at that date. If the authority to buy back shares was exercised in full, the total number of options to subscribe for Ordinary Shares would represent 1.36% of Mondi plc's reduced issued Ordinary Share capital.

Save for the Odd-lot Offer which is subject to separate authorisation (resolutions 35 to 37 inclusive) and will not form part of this authorisation or the parameters for this authorisation specified herein, the Directors of Mondi plc have no present intention of making any purchases of its own Ordinary Shares, but believe that Mondi plc should retain the flexibility to take further action if future purchases were considered desirable and in the best interests of Shareholders. Pursuant to the UK Companies Act, Mondi plc can hold the shares which have been repurchased itself as treasury shares and either resell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. The Directors of Mondi plc believe that it is desirable for Mondi plc to have this choice and therefore intend to hold any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares will give Mondi plc the ability to resell them or transfer them in the future, and so provide Mondi plc with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

Appendix 1

Resolution 35 – Special resolution number 8 – amendment to the Mondi plc Articles of Association for proposed Odd-lot Offer

A new Article 45A is to be added to the Mondi plc Articles of Association as follows:

45A Odd-lot Offers

45A.1 For the purposes of this article:

- i. **'Odd-lot Offer'** shall mean an offer by the Company to Odd-lot Holders (as defined in this Article 45A) to purchase all of their PLC Ordinary Shares on the terms and conditions set out in such offer;
- ii. **'Odd-lot'** shall mean (a) a holding in aggregate of less than 100 PLC Ordinary Shares (whether on the main register or on the South African branch register); or (b) in relation to the South African branch of the register, a holding of a member where such holding is held by the member either directly or indirectly on behalf of a person with a beneficial interest in less than 100 PLC Ordinary Shares as a nominee in accordance with the rules and procedures of Strate Limited (and that holding is recorded as such in the relevant beneficial shareholder records maintained by a CSDP or broker);
- iii. **'Odd-lot Holder'** shall mean a member of the Company who holds an Odd-lot.

45A.2 Subject to the members of the Company passing an ordinary resolution to give a specific authority for such Odd-lot Offer and the provisions of any Applicable Regulation, the Company may at any time make and implement an Odd-lot Offer on such terms as the Directors shall determine. Upon the implementation of any Odd-lot Offer, unless Odd-lot Holders have, in accordance with the terms of the Odd-lot Offer, expressly elected to retain their Odd-lots, such Odd-lot Holders shall, subject to Applicable Regulation, be deemed to have agreed to sell any Odd-lots so held on the terms of the Odd-lot Offer and the Directors shall be entitled to cause such Odd-lots to be sold (including to the Company) on such basis as the Directors may determine and (subject to Article 45A.3) the Company shall account to such Odd-lot Holders for the proceeds attributable to them pursuant to the sale of such Odd-lots.

45A.3 The Company shall retain all unclaimed proceeds from the sales of Odd-lots, which unclaimed proceeds of Odd-lots shall, at the Directors' discretion, be held by the Company until claimed. No trust shall be created in respect of such unclaimed proceeds and no interest shall be payable in respect of the same. All unclaimed proceeds of sales of Odd-lots may be invested or otherwise made use of by the Directors for the benefit of the Company until claimed and the Company shall not be required to account for any money earned on the unclaimed proceeds of Odd-lots.

Appendix 2

The Odd-lot Offer

Overview

The Directors of the Mondi Group are seeking authority, at the Annual General Meeting, to implement an Odd-lot Offer at any time within the next 18 months to facilitate a reduction in the number of Shareholders in Mondi in an equitable manner.

In broad terms, an Odd-lot Offer is a means by which Mondi can facilitate the purchase of Ordinary Shares held by those Shareholders who hold less than 100 Ordinary Shares in Mondi plc and/or Mondi Limited and who do not expressly elect to retain their holding. In addition to the proposals for Mondi plc to implement the Odd-lot Offer, the Mondi Group is proposing an equivalent Odd-lot Offer to be implemented by Mondi Limited in respect of those Shareholders who hold less than 100 Ordinary Shares in Mondi Limited (please refer to resolutions 24 and 25). Subject to Shareholder approval, Mondi proposes to facilitate the acquisition of the shares that are the subject of the Odd-lot Offer at a 5% premium to the volume weighted average market price for the five trading days prior to the date on which the Odd-lot Offer is announced.

Shareholders that hold less than 100 Mondi plc Ordinary Shares and less than 100 Mondi Limited Ordinary Shares at both the First Record Date and the Second Record Date may participate in both the Mondi plc and Mondi Limited portion of the Odd-lot Offer.

In order for Mondi plc to implement its portion of the Odd-lot Offer, Mondi plc is seeking authority from its Shareholders:

- i. to amend the Articles of Association to facilitate the Odd-lot Offer in respect of Mondi plc Ordinary Shares (resolution 35);
- ii. to authorise its Directors to make and implement the Odd-lot Offer in accordance with the terms and conditions set out herein at any time during the 18 month period after the date of the Annual General Meeting (resolution 36); and
- iii. to make an off-market repurchase of Mondi plc Ordinary Shares in accordance with section 694 of the UK Companies Act in order to implement the Odd-lot Offer (resolution 37).

In order for Mondi Limited to implement its portion of the Odd-lot Offer, Mondi Limited is seeking authority from its Shareholders:

- i. to authorise its Directors to make and implement the Odd-lot Offer in accordance with the terms and conditions set out herein at any time during the 18 month period after the date of the Annual General Meeting (resolution 24); and
- ii. to specifically authorise Mondi Limited or the Mondi Incentive Schemes Trust Trustees or a subsidiary of Mondi Limited, as determined by Mondi Limited, to acquire the Ordinary Shares of Shareholders holding less than 100 Mondi Limited Ordinary Shares pursuant to the Odd-lot Offer, who do not make an express election to retain such Ordinary Shares (resolution 25).

This section:

- i. explains the background to, and reasons for, making the Odd-lot Offer;
- ii. provides an explanation of the terms upon which any Odd-lot Offer will be made if resolutions 24, 25, 35, 36 and 37 in this Notice of Annual General Meeting are passed;
- iii. provides an explanation as to why the Directors unanimously consider the Odd-lot Offer to be in the interests of Mondi and Shareholders as a whole; and
- iv. includes the Directors' recommendation that you vote in favour of resolutions 24, 25, 35, 36 and 37 set out in this Notice of Annual General Meeting.

It is important to note that any Shareholder who is eligible for the Odd-lot Offer and who wishes to remain a Shareholder of Mondi at the time of the Odd-lot Offer may elect to do so.

Background to and reasons for the Odd-lot Offer

Mondi has an unusually large number of Shareholders for a group of its size, with a total of more than 67,800 Shareholders across the Mondi Limited and Mondi plc share registers. Of this number, approximately 87.4% on the SA Register, 50.0% on the UK Register and 74.1% on the SA Branch Register, are small Shareholders who hold fewer than 100 Ordinary Shares, which in aggregate represents 0.14% of the total number of Ordinary Shares in issue. The Directors attribute the relatively large number of Shareholders to Mondi's history, which includes a demerger from Anglo American plc in 2007. The recurring costs of administration resulting from the relatively large number of Shareholders (for example, the costs of printing and distributing financial statements, circulars and notices) are disproportionate to the size of a holding of Odd-lots and affect Shareholders of Mondi as a whole. By carrying out an Odd-lot Offer, the Directors will be able to facilitate the acquisition of the shares of those Shareholders who do not expressly elect to retain their shares pursuant to the Odd-lot Offer so as to reduce overall administration costs.

The Directors believe that the costs to Odd-lot Holders of selling their Ordinary Shares are generally disproportionate to the size of their holdings, putting them in a different position to larger Shareholders. This is particularly the case in South Africa where many

Appendix 2

The Odd-lot Offer continued

small Shareholders hold their Ordinary Shares in certificated form. Ordinary Shares held in certificated form cannot be traded on the JSE and, accordingly, for such small Shareholders to trade they must first establish an account with a CSDP or broker, then Dematerialise their Ordinary Shares, before disposing of the Ordinary Shares. Fees are incurred at each stage of this process, including broker's fees, Dematerialisation costs and trading fees. An Odd-lot Offer therefore provides Odd-lot Holders who wish to participate in such Odd-lot Offer an affordable exit strategy. Odd-lot Holders who do not expressly elect to retain their shares will be given the opportunity to realise the maximum possible proceeds from the sale of their Ordinary Shares as such Shareholders will not have to pay the transaction costs typically payable on a disposal of Ordinary Shares.

Shareholders are directed to the section entitled 'Further terms and conditions of the Odd-lot Offer' for further information on the Mondi Group's proposals in respect of Ordinary Shares acquired pursuant to the Odd-lot Offer.

Recommendation

The Board believes that an Odd-lot Offer would be in the interests of Shareholders as a whole and will facilitate a reduction in the number of Shareholders in the Mondi Group in an equitable manner.

Odd-lot Offer terms

Record date and last day to trade

Shareholders who are Odd-lot Holders on the First Record Date (being 12 April 2013) and who remain Odd-lot Holders on the Second Record Date (being the record date announced by the Directors when the Odd-lot Offer is declared) will be entitled to participate in the Odd-lot Offer in respect of their Odd-lots. The last day to trade in order to qualify as an Odd-lot Holder on the First Record Date and so be eligible to participate in such Odd-lot Offer is 9 April 2013. Shareholders who become Odd-lot Holders between the First Record Date and the Second Record Date will not be entitled to participate in the Odd-lot Offer.

Odd-lot Holders will be those Shareholders who:

- i. are recorded on either the SA Register, UK Register or the SA Branch Register as holding, in aggregate, less than 100 Ordinary Shares in each of Mondi plc and/or Mondi Limited on the First Record Date and the Second Record Date; or
- ii. in relation to the SA Register and SA Branch Register only, hold a beneficial interest in less than 100 Ordinary Shares through a member where such member holds such Ordinary Shares as a nominee in accordance with the rules and procedures of Strate (and that holding is recorded as such in the relevant beneficial Shareholder records maintained by a CSDP or broker) on the First Record Date and the Second Record Date.

Holdings of Ordinary Shares either (i) in certificated and uncertificated form or (ii) on different registers will be treated as separate holdings for the purposes of determining whether Shareholders will be entitled to participate in the Odd-lot Offer. Therefore, Shareholders that hold less than 100 Mondi plc Ordinary Shares and less than 100 Mondi Limited Ordinary Shares may participate in both the Mondi plc and Mondi Limited portion of the Odd-lot Offer.

Persons who are direct clients of CSDPs or brokers and are either registered Shareholders or hold their Ordinary Share interests directly through a Strate approved nominee and are recorded as holding less than 100 Ordinary Shares on the records maintained by such CSDPs or brokers will be entitled to participate in the Odd-lot Offer. Persons who are not recorded directly on the records maintained by such CSDPs or brokers and are neither registered Shareholders nor hold their Ordinary Share interests directly through a Strate approved nominee, but who may otherwise hold a beneficial interest in Ordinary Shares indirectly through such CSDPs or brokers, will not be entitled to participate in the Odd-lot Offer.

Shareholders that are eligible to participate in the Odd-lot Offer will receive further communications from Mondi plc in respect of the Odd-lot Offer at the relevant time.

Mechanism for Mondi plc to acquire Odd-lot holdings

Under the terms of the Odd-lot Offer Mondi plc Odd-lot Holders will be able:

- i. by making no election, to have their shares bought back by Mondi plc under the terms of section 694 of the UK Companies Act at the Offer Price (this being the default election for those Odd-lot Holders that do not respond to the Odd-lot Offer); or
- ii. to expressly elect to retain their shareholding.

However, for Shareholders who are recorded on the UK Register, due to the constraints of the CREST system, Odd-lot Holders who hold their Ordinary Shares, either directly or via a nominee, in CREST will not have their Ordinary Shares acquired unless they rematerialise their Ordinary Shares by the Second Record Date and do not elect to retain their holding of Odd-lots.

The purchase of Ordinary Shares by Mondi plc pursuant to the Odd-lot Offer will be an off-market purchase (as such term is defined in section 693 of the UK Companies Act) and will be effected under the Purchase Contract. The Purchase Contract will be available for inspection at the offices of Mondi plc at Building 1, 1st Floor, Aviator Park, Station Road, Addlestone, Surrey KT15 2PG, UK and of Mondi Limited at 4th Floor, No.3 Melrose Boulevard, Melrose Arch 2196, Gauteng, Republic of South Africa, during normal business hours on any Business Day (excluding public holidays) from the date of this Notice until the close of the Annual General Meeting and also at the Annual General Meeting venues for at least 15 minutes prior to and during the meeting.

Any purchase of Ordinary Shares pursuant to the Odd-lot Offer will be funded by available cash resources.

If you are a Shareholder holding an Odd-lot (other than a UK Register Shareholder that is an Odd-lot Holder holding in CREST) and you do not take any action, your Odd-lot holding will automatically be acquired by Mondi under the terms of the Odd-lot Offer and the proceeds of the sale will be remitted to you in accordance with and subject to the terms and conditions set out in this Notice of Annual General Meeting and the Articles of Association of Mondi plc or the Memorandum of Incorporation of Mondi Limited (as applicable).

No interest will be paid on payments regardless of any delay in making such payments.

Action required

If you are eligible to participate in the Odd-lot Offer at the time such offer is made, details of the action you should take, including details of the Form of Election to be used to elect to retain your shareholding, will be communicated to you at the time of that Odd-lot Offer.

Shareholders should note that the implementation of the Mondi plc portion of the Odd-lot Offer requires the Articles of Association of Mondi plc to be amended to give the Directors a general power to implement Odd-lot Offers, but subject to a further specific Shareholder approval being obtained for any particular Odd-lot Offer. These authorities will be obtained for this Odd-lot Offer by means of the Shareholder resolutions of Mondi plc (resolutions 35 to 37 inclusive in this Notice of Annual General Meeting) described above. Once the Articles of Association of Mondi plc have been amended, the Directors will retain the general power to conduct further Odd-lot Offers, although this will remain subject to the need for specific Shareholder approval on each occasion that such power is exercised. The Memorandum of Incorporation of Mondi Limited contains an equivalent general power for the Directors to implement Odd-lot Offers in respect of Ordinary Shares in Mondi Limited.

It is a term of the Odd-lot Offer that Mondi plc shall be entitled to refuse to implement the purchase of Mondi plc Ordinary Shares pursuant to the Odd-lot Offer in respect of any Odd-lot Holder whom Mondi reasonably believes has become an Odd-lot Holder in order to take advantage of the Odd-lot Offer and such Odd-lot Holder shall have no claim against Mondi arising out of or in connection with such refusal.

Certificated Odd-lot Holders

Odd-lot Holders who hold their Ordinary Shares in certificated form and wish to retain their shareholding will be required to complete the Form of Election when received and return it as directed on that Form of Election.

Odd-lot Holders who hold Ordinary Shares in certificated form and wish to participate in the Odd-lot Offer at the relevant time will not need to take any action.

Odd-lot Holders who hold their Ordinary Shares through CREST

Due to the constraints of the CREST system, Odd-lot Holders who hold their Ordinary Shares, either directly or via a nominee, in CREST will not have their Ordinary Shares acquired unless they rematerialise their Ordinary Shares by the Second Record Date and do not elect to retain their holding of Odd-lots. Further information on how to rematerialise Ordinary Shares into certificated form in order to participate in the Odd-lot Offer will be provided at the relevant time of the Odd-lot Offer.

Appendix 2

The Odd-lot Offer continued

Odd-lot Holders who hold their Ordinary Shares in CREST whether in their own name or through a nominee and wish to retain their shareholding need take no action.

Offer Price

If an Odd-lot Offer is made by Mondi plc, the Offer Price will:

- i. in the case of Mondi plc Ordinary Shares held on the UK Register, be at a 5% premium to the volume weighted average price of Mondi plc Ordinary Shares traded on the London Stock Exchange over the five trading days prior to the date on which the Offer Price is finalised; and
- ii. in the case of Mondi plc Ordinary Shares held on the SA Branch Register, be at a 5% premium to the volume weighted average price of Mondi plc Ordinary Shares traded on the JSE over the five trading days prior to the date on which the Offer Price is finalised,

in each case as determined by the Directors.

The Offer Price will be published on SENS and on a RIS on the day it is finalised.

Timetable

The detailed timetable, including the date of the Second Record Date, for the implementation of any proposed Odd-lot Offer will be communicated to you once any such Odd-lot Offer is approved and subsequently made. The Directors shall be able to determine the details of such timetable at their sole discretion.

Transaction costs

Given the nature of the Odd-lot Offer, Shareholders eligible to participate in the Odd-lot Offer will not bear any transaction costs with respect to any proposed Odd-lot Offer.

Financial effects and effects on share capital

It is anticipated that any Odd-lot Offer that is announced by the Directors and any potential acquisition of Ordinary Shares pursuant to such Odd-lot Offer will not have a significant effect on earnings, headline earnings per Ordinary Share, net asset value or tangible net asset value per Ordinary Share of either Mondi Limited or Mondi plc.

If Mondi were to implement an Odd-lot Offer immediately after the Annual General Meeting, based on the holdings of Odd-lots as at 4 March 2013, being the last practicable date prior to publication of this document, the maximum number of Ordinary Shares that could be purchased pursuant to such an Odd-lot Offer would be 440,796 (0.12%) of the Mondi plc Ordinary Shares and 257,798 (0.22%) of the Mondi Limited Ordinary Shares in issue as at 4 March 2013.

Action to be taken by Shareholders

For the purpose of the Annual General Meeting of Mondi plc, Shareholders are requested, at this stage, to vote on whether or not they would like to:

- i. authorise the Directors of Mondi Limited to make and implement the Odd-lot Offer in accordance with the terms and conditions set out in this Notice of Annual General Meeting at any time during the 18 month period after the date of the Annual General Meeting;
- ii. specifically authorise Mondi Limited, or the Mondi Incentive Schemes Trust Trustees or a subsidiary of Mondi Limited, as determined by Mondi Limited, to acquire the Ordinary Shares of Shareholders holding less than 100 Mondi Limited Ordinary Shares pursuant to the Odd-lot Offer, who do not make an election to retain such Ordinary Shares;
- iii. approve the amendment to the Mondi plc Articles of Association to facilitate an Odd-lot Offer in respect of Mondi plc Ordinary Shares;
- iv. authorise the Directors of Mondi plc to make and implement the Odd-lot Offer in accordance with the terms and conditions set out in this Notice of Annual General Meeting at any time during the 18 month period after the date of the Annual General Meeting; and
- v. authorise Mondi plc to make an off-market repurchase of Ordinary Shares in Mondi plc on the terms of the Purchase Contract in accordance with section 694 of the UK Companies Act in order to implement the Odd-lot Offer.

Subject to resolutions 24, 25, 35, 36 and 37 in this Notice of Annual General Meeting being passed, the Directors will then have the authority to determine when and whether to carry out an Odd-lot Offer at any time in the next 18 months.

Recommendation

The Board of Mondi plc consider that the Odd-lot Offer would be in the best interests of Mondi plc and Shareholders of Mondi plc as a whole and unanimously recommend that Shareholders of Mondi plc vote in favour of resolutions 24, 25, 35, 36 and 37 to be proposed at the Annual General Meeting of Mondi plc to be held on Friday 3 May 2013.

Further terms and conditions of the Odd-lot Offer

Tenders

Shareholders who hold Odd-lots will be invited to tender their Ordinary Shares for purchase by Mondi plc by taking no action, on the terms and subject to the conditions set out in this document, the Purchase Contract and the Form of Election (which will be sent to Certificated Odd-lot Holders in due course). The consideration to be paid for each Ordinary Share pursuant to an Odd-lot Offer will be the Offer Price, which will be calculated on the basis set out in the paragraph entitled 'Offer Price' above.

Unless the Odd-lot Offer has been terminated in accordance with the termination provisions set out in the paragraph entitled 'Additional provisions' below, Mondi plc will accept the tenders of Odd-lots validly made in accordance with the terms of such Odd-lot Offer.

Ordinary Shares purchased by Mondi plc pursuant to the Odd-lot Offer will be acquired as soon as practicable following the close of the Odd-lot Offer free and clear from all liens, charges and encumbrances and together with all rights attaching thereto. Odd-lot Holders who do not expressly elect to retain their shares will not, therefore, be entitled to receive any dividends paid by Mondi plc on or after the date of such purchase.

Each Odd-lot Holder who tenders (or is deemed to have tendered) or procures the tender of Ordinary Shares will thereby be deemed to have agreed that, in consideration of Mondi plc agreeing to process his/her tender, such Shareholder will not revoke or withdraw his/her tender by electing to retain their shares pursuant to the Odd-lot Offer. Holders of Odd-lots should note that once tendered, Ordinary Shares may not be sold or otherwise transferred.

Availability of the Odd-lot Offer

To be eligible to participate in the Odd-lot Offer, in respect of his/her holding of Odd-lots, a Shareholder must be an Odd-lot Holder on the First Record Date and must remain an Odd-lot Holder on the Second Record Date.

The Directors, in their absolute discretion, reserve the right to withdraw any proposed Odd-lot Offer from any Shareholder at any time.

The Directors shall be entitled to refuse to implement the purchase of Ordinary Shares pursuant to the Odd-lot Offer in respect of any Shareholder whom the Directors in their absolute discretion believe has either (i) become a holder of an Odd-lot in order to take advantage of such Odd-lot Offer or (ii) split their existing shareholding in order to participate in such Odd-lot Offer, and such Shareholder will have no claim against Mondi plc or any Director arising out of or in connection with such refusal.

Purchased Ordinary Shares

Mondi plc

Any Ordinary Shares acquired by Mondi plc pursuant to the Odd-lot Offer will not be cancelled and will instead be held in treasury by Mondi plc. The current proposal is that, following the Odd-lot Offer, these treasury shares may then be acquired by the Mondi Employee Share Trust Trustees in respect of the UK Register and the SA Branch Register. Accordingly, any buyback of Ordinary Shares by Mondi plc pursuant to the Odd-lot Offer will have no effect on the issued Ordinary Share capital of Mondi plc.

Mondi Limited

Any Ordinary Shares acquired by the Mondi Incentive Schemes Trust Trustees or a subsidiary of Mondi Limited, as determined by Mondi Limited, pursuant to the Odd-lot Offer will not be cancelled in respect of the SA Register. Accordingly, any acquisition of

Appendix 2

The Odd-lot Offer continued

Ordinary Shares pursuant to the Odd-lot Offer, if effected through the Mondi Incentive Schemes Trust Trustees or a subsidiary of Mondi Limited, as determined by Mondi Limited, will have no effect on the issued Ordinary Share capital of Mondi Limited.

Representations and warranties from holders of Odd-lots

Each holder of Odd-lots whose Ordinary Shares are purchased pursuant to any proposed Odd-lot Offer irrevocably undertakes, represents, warrants and agrees to and with Mondi plc so as to bind such holder and their personal or legal representatives, heirs, successors and assigns to the effect that:

- i. a failure to execute and return (other than in respect of an Odd-lot Holder whose Ordinary Shares are held in CREST and who has not rematerialised such Ordinary Shares by the Second Record Date) a Form of Election shall constitute an offer to sell to Mondi plc the number of Ordinary Shares comprising such holder's entire holding of Odd-lots on and subject to the terms and conditions set out or referred to in this document, the Form of Election and the Purchase Contract;
- ii. such holder of Odd-lots has full power and authority to tender, sell, assign or transfer the Ordinary Shares in respect of which such offer is accepted (together with all rights attaching thereto) and, when the same are purchased by Mondi plc, Mondi plc will acquire such Ordinary Shares free and clear from all liens, charges, restrictions, claims, equitable interests and encumbrances and together with all rights on or after the date of such purchase attaching thereto and such representation and warranty will be in all respects at the time Mondi plc purchase such Ordinary Shares as if it had been entered into afresh at such time and shall not be extinguished by such purchase;
- iii. such holder of Odd-lots is the owner of the Ordinary Shares in respect of which such offer is accepted and is capable of delivering good and valid title to such Ordinary Shares;
- iv. any Director or other person nominated by Mondi plc will be irrevocably appointed as their attorney and agent of such participating holder of Odd-lots with authority to complete and execute all or any contracts and/or other documents at the attorney's discretion in relation to the Ordinary Shares for the purchase of such Ordinary Shares by Mondi plc and to do all such other acts and things as may in the opinion of such attorney be necessary or expedient for the purchase of such Ordinary Shares, or in connection with, such Odd-lot Offer.
- v. such holder of Odd-lots agrees to ratify and confirm each and every act or thing which may be done or effected by Mondi plc or any of their Directors or any person nominated by Mondi plc in the proper exercise of their, his or her powers and/or authorities hereunder;
- vi. such holder of Odd-lots shall do all such acts and things as shall be necessary and execute any additional documents deemed by Mondi plc to be desirable, in each case to complete the purchase of the Ordinary Shares and/or perfect any of the authorities expressed to be given hereunder; and
- vii. such holder of Odd-lots, if an Overseas Shareholder, has fully observed any applicable legal requirements and that the invitation under such Odd-lot Offer may be made to him under the laws of the relevant jurisdiction.

Additional provisions

The failure of any person to receive a copy of this document or the Form of Election shall not invalidate any aspect of any proposed Odd-lot Offer.

Any Odd-lot Offer by Mondi plc, including the Form of Election and all contractual and non-contractual obligations arising out of or in connection with any such Odd-lot Offer by Mondi plc, shall be governed by and construed in accordance with English law.

No Odd-lot Holder shall be entitled to make a partial election in respect of an Odd-lot Offer. To the extent that an Odd-lot Holder attempts to make a partial election in respect of an Odd-lot Offer, such Odd-lot Holder shall be deemed to have elected to participate in the Odd-lot Offer in respect of their entire Odd-lot Holding without anything further being required.

Payment

Shareholders who hold their Ordinary Shares in certificated form and wish to retain their shares are requested to complete, duly execute and return to the UK Registrar (UK Register) or SA Registrar (SA Branch Register), as appropriate, a Form of Election.

Mondi plc will pay the Offer Price to Shareholders for whom it has up-to-date address or relevant payment details in respect of any Ordinary Shares purchased from those Shareholders pursuant to the Odd-lot Offer.

With respect to those Shareholders that participate in the Odd-lot Offer but for whom Mondi plc does not have an up-to-date address or relevant payment details, the proceeds of the Odd-lot Offer will be retained by Mondi plc as described in the section entitled 'Unclaimed proceeds' below.

Delivery of cash for the Ordinary Shares to be purchased pursuant to any proposed Odd-lot Offer will be made by the UK Registrar (UK Register) or SA Registrar (SA Branch Register) who will act as agent for tendering Odd-lots for the purpose of receiving the cash and transmitting such cash to Shareholders who are tendering Odd-lots. Under no circumstances will interest be paid on the cash to be paid by Mondi plc or the UK Registrar or SA Registrar regardless of any delay in making such payment.

Shareholders who do not make an express election to retain their shares, and who hold their Ordinary Shares in Strate through a CSDP or broker will have their accounts with their CSDP or broker updated automatically on completion of the Odd-lot Offer.

Shareholders on the UK Register will be paid by cheque in Pounds Sterling or Euro, dependent upon any currency election already made. Shareholders on the SA Branch Register will be paid in South African Rand either by cheque or electronic funds transfer if the SA Registrar has or receives banking details.

Unclaimed proceeds

All unclaimed proceeds from the sale of Odd-lots may be invested or otherwise made use of by the Directors for the benefit of Mondi plc until claimed. No trust shall be created in respect of the unclaimed proceeds, no interest shall be payable in respect of the same and Mondi plc shall not be required to account for any money earned on the unclaimed proceeds, which may be employed in the business of Mondi or invested in such investments as the Directors may from time to time think fit. Any such proceeds unclaimed for a period of 12 years from the date of sale of the Odd-lots may be declared forfeited by the Directors for the benefit of Mondi plc.

Tax

UK taxation

The comments set out below are based on current UK tax law as applied in England and Wales and HM Revenue & Customs practice (which may not be binding on HM Revenue & Customs) as at the date of this document, both of which are subject to change (with the result that these comments may not be applicable on the date that any Odd-lot Offer is implemented), possibly with retrospective effect, and relate only to the consequences of purchases of Ordinary Shares pursuant to any proposed Odd-lot Offer. They are intended as a general guide and apply only to Shareholders that are either individuals resident and domiciled for tax purposes in the UK (except insofar as express reference is made to the treatment of non-UK residents) or companies that are for UK tax purposes resident in the UK, who hold Ordinary Shares as an investment and who are the absolute beneficial owners thereof. The discussion does not address all possible tax consequences relating to the disposal of Ordinary Shares pursuant to the Odd-lot Offer and does not cover certain categories of Shareholders such as traders, brokers, dealers, banks, financial institutions, insurance companies, investment companies, collective investment schemes, tax-exempt organisations, persons connected with Mondi plc, Mondi Limited or any other company forming part of Mondi, persons holding Ordinary Shares as part of hedging or conversion transactions, Shareholders who have (or are deemed to have) acquired their Ordinary Shares by virtue of an office or employment, and Shareholders who are or have been officers or employees of Mondi plc, Mondi Limited or any other company forming part of Mondi all of whom may be subject to special rules.

Shareholders who are in any doubt about their tax position, or who are resident or otherwise subject to taxation in a jurisdiction outside the UK, should consult their own professional advisers immediately.

Purchase of Ordinary Shares by Mondi plc pursuant to the Odd-lot Offer

Distribution Component

If the Offer Price exceeds the amount that represents the capital on the relevant Mondi plc Ordinary Shares for the purpose of the distribution rules in Part 22 of the Corporation Tax Act 2010, the excess will be treated as an income distribution for UK tax purposes (the 'distribution component'). UK resident individual Mondi plc Shareholders will also make a disposal for UK Capital Gains Tax ('UK CGT') purposes of their Ordinary Shares that are purchased pursuant to any proposed Odd-lot Offer (please see the section below entitled 'CGT treatment' for further details). Shareholders within the charge to UK corporation tax on chargeable gains will also make a disposal for chargeable gains purposes of their Ordinary Shares that are purchased (please see the section below entitled 'Corporation Tax on Chargeable Gains' for further details).

Appendix 2

The Odd-lot Offer continued

Income Tax Treatment

i. UK resident individual Shareholders

A holder of Mondi plc Odd-lots, participating in the Odd-lot Offer, who is an individual resident for tax purposes in the UK will be entitled to a tax credit in respect of the distribution component, which may be set off against the Shareholder's total income tax liability on the distribution component. The tax credit will be equal to 10% of the aggregate of the distribution component and the tax credit (the 'gross distribution'), which is also equal to one-ninth of the distribution component. A holder of Mondi plc Odd-lots, participating in the Odd-lot Offer, who is a UK resident individual liable to income tax at the starting or basic rate will be subject to tax on the distribution component at the rate of 10% of the gross distribution, so that the tax credit will satisfy in full such Shareholder's liability to income tax on the distribution component. A holder of Mondi plc Odd-lots, participating in the Odd-lot Offer, who is a UK resident individual but not liable to income tax in respect of the gross distribution will not be entitled to repayment of the tax credit. In the case of a holder of Mondi plc Odd-lots, participating in the Odd-lot Offer, who is a UK resident individual liable to income tax at the higher rate, the tax credit will be set against, but not fully match, the Shareholder's tax liability on the gross distribution and such Shareholder will have to account for additional tax equal to 22.5% of the gross distribution (which is also equal to 25% of the distribution component) to the extent that the gross distribution when treated as the top slice of the Shareholder's income falls above the threshold for higher rate income tax. In the case of a holder of Mondi plc Odd-lots, participating in the Odd-lot Offer, who is a UK resident individual liable to income tax at the additional rate, the tax credit will also be set against, but not fully match the Shareholder's tax liability on the gross distribution and such Shareholder will have to account for additional income tax equal to 32.5% (or 27.5% with effect from 6 April 2013) of the gross distribution (which is also equal to approximately 36.1% of the distribution component or approximately 30.6% with effect from 6 April 2013) to the extent that the gross distribution when treated as the top slice of the Shareholder's income falls above the threshold for additional rate income tax.

ii. Non-UK resident Shareholders

Holders of Mondi plc Odd-lots, participating in the Odd-lot Offer, who are not resident in the UK will not generally be able to claim repayment from HM Revenue & Customs of any part of the tax credit attaching to the distribution component. A Shareholder resident outside the UK may also be subject to foreign taxation in respect of the purchase of their Ordinary Shares pursuant to any proposed Mondi plc Odd-lot Offer under local law.

CGT treatment

The purchases of Ordinary Shares by Mondi plc pursuant to any proposed Odd-lot Offer will have the following UK CGT consequences:

i. UK-resident individual Shareholders

In the case of holders of Mondi plc Odd-lots, participating in the Odd-lot Offer, who are UK-resident, the purchase of Ordinary Shares pursuant to any proposed Mondi plc Odd-lot Offer will be treated as a disposal of those Ordinary Shares for UK CGT purposes. This may (depending on the Shareholder's individual circumstances, including the availability of exemptions, reliefs or allowable losses) give rise to a UK CGT liability. In calculating the taxable gain, the Shareholder's disposal proceeds for UK CGT purposes will be reduced by the amount of the distribution component.

ii. Shareholders temporarily non-resident in the UK

A holder of Mondi plc Odd-lots, participating in the Odd-lot Offer, who is an individual and who is only temporarily non-resident in the UK for tax purposes, may, under anti-avoidance legislation and depending on their circumstances (including any available exemptions or reliefs), still be liable to UK tax on any capital gain realised on the purchase of their Ordinary Shares.

Corporation Tax Treatment

The purchases of Ordinary Shares by Mondi plc pursuant to any proposed Odd-lot Offer will have the following UK CGT consequences:

i. Distribution Component

Holders of Mondi plc Odd-lots, participating in the Odd-lot Offer, that are within the charge to UK corporation tax will, unless the distribution component falls within an exempt class, be subject to corporation tax on the distribution component. Each Shareholder's position will depend on its own individual circumstances, although it would normally be expected that the distribution component would fall within an exempt class. Such Shareholders will not be able to claim repayment of the tax credit attaching to the distribution component.

ii. **Corporation Tax on Chargeable Gains**

In the case of Holders of Mondi plc Odd-lots, participating in the Odd-lot Offer, that are within the charge to UK corporation tax, the purchase of Mondi plc Ordinary Shares pursuant to any proposed Mondi plc Odd-lot Offer will be treated as a disposal of those Mondi plc Ordinary Shares for UK chargeable gains purposes. This may (depending on the Shareholder's individual circumstances, including the availability of exemptions, reliefs and allowable losses) give rise to a liability to UK corporation tax in respect of chargeable gains. In calculating the chargeable gain, the amount of the distribution component will not reduce the Shareholder's disposal proceeds.

Stamp Duty

Stamp duty at the rate of 0.5% of the Offer Price (rounded up to the nearest £5) will be payable in respect of the purchase of Mondi plc Ordinary Shares pursuant to any Mondi plc Odd-lot Offer (save in respect of purchases of Mondi plc Ordinary Shares held on the SA Branch Register in relation to which no UK stamp duty should be payable on the assumption that the return which relates to the Ordinary Shares that are repurchased and which is to be delivered to Companies House is executed outside of the UK but in respect of which transfer duty is expected to be payable in South Africa, see the paragraph entitled 'South African taxation' below). Any UK stamp duty arising in respect of the purchase of Mondi plc Ordinary Shares pursuant to the Odd-lot Offer will be payable by Mondi plc rather than the relevant Odd-lot Holder.

No UK stamp duty reserve tax should be payable in connection with the purchase of Mondi plc Ordinary Shares pursuant to any proposed Mondi plc Odd-lot Offer.

Purchases of Mondi Limited Ordinary Shares

The summary below assumes that any Odd-lot Offer carried out by Mondi Limited will be implemented by way of a direct acquisition of the Mondi Limited Ordinary Shares by Mondi Incentive Schemes Trust Trustees, acting as principal. This is the way that it is currently envisaged any such Odd-lot Offer would take place.

Income Tax Treatment

No UK income tax should be payable by UK resident individual Mondi Limited Odd-lot Holders, participating in the Odd-lot Offer, on the purchase of Mondi Limited Ordinary Shares pursuant to any proposed Odd-lot Offer.

Capital Gains Tax Treatment

i. **UK-resident individual Shareholders**

In the case of holders of Mondi Limited Odd-lots who are UK-resident, the purchase of Mondi Limited Ordinary Shares pursuant to any proposed Odd-lot Offer will be treated as a disposal of those Mondi Limited Ordinary Shares for UK CGT purposes. This may (depending on the Shareholder's individual circumstances, including the availability of exemptions, reliefs or allowable losses) give rise to a UK CGT liability.

ii. **Shareholders temporarily non-resident in the UK**

A holder of Odd-lots who is an individual and who is only temporarily non-resident in the UK for tax purposes, may, under anti-avoidance legislation and depending on their circumstances (including any available exemptions or reliefs), still be liable to UK tax on any capital gain realised on the purchase of their Ordinary Shares.

Corporation Tax

No corporation tax charge should arise under Part 9A of the Corporation Tax Act 2009 in the case of Mondi Limited Shareholders, participating in the Odd-lot Offer, that are within the charge to UK corporation tax. However the purchase of Mondi Limited Ordinary Shares pursuant to any proposed Odd-lot Offer will be treated as a disposal of those Mondi Limited Ordinary Shares for UK chargeable gains purposes. This may (depending on the Shareholder's individual circumstances, including the availability of exemptions, reliefs and allowable losses) give rise to a liability to UK corporation tax in respect of chargeable gains.

Stamp Duty

No UK stamp duty should be payable in connection with the purchase of Mondi Limited Ordinary Shares pursuant to any proposed Odd-lot Offer provided that any instrument of transfer is not executed in the UK, and does not relate to any property situate or to any matter or thing done or to be done, in the UK. No UK SDRT will be payable in connection with the purchase of Mondi Limited Ordinary Shares pursuant to any proposed Odd-lot Offer provided that the shares are not registered in any register kept in the UK.

Appendix 2

The Odd-lot Offer continued

South African taxation

The following is a general summary of the South African tax implications for Ordinary Shares held by South African tax residents included in the Odd-lot Offer, for both Shareholders of Mondi Limited and Mondi plc. The following summary is only a guide and should not be construed as formal advice. Any Shareholder who has any doubts as to their tax position is encouraged to seek independent advice.

Purchases of Mondi plc Ordinary Shares

i. **Mondi plc**

The transfer of securities in Mondi plc, held on the SA Branch Register, will be subject to Securities Transfer Tax ('STT') at a rate of 0.25%. The STT will be payable by Mondi plc only in respect of Ordinary Shares held on the SA Branch Register.

ii. **Shareholders**

Where a holder of Odd-lots is exempt from paying income tax in terms of the South African Income Tax Act, No.58 of 1962, as amended ('Income Tax Act'), for instance in the case of a pension, provident or retirement annuity fund, the consideration received should not be subject to the Capital Gains Tax discussed below.

If the Ordinary Shares in question are held on capital account by the relevant Shareholder, the sale and transfer of those Ordinary Shares by the holder will be subject to South African Capital Gains Tax ('SA CGT'). In order to quantify the CGT that arises from the disposal of the Odd-lot shares, the holder will need to identify the following:

- the proceeds arising from the disposal, which will be equal to the consideration received for the Ordinary Shares sold as part of the Odd-lot Offer; and
- the base cost of those Ordinary Shares, which in terms of the Income Tax Act will constitute the expenditure actually incurred in respect of the cost of acquiring the Ordinary Shares and allowable expenses.

In the event that the proceeds exceed the base cost, a capital gain will have been realised which will be subject to CGT.

If it is established that there is a capital gain and it has been quantified, the holder will then need to apply the relevant CGT rate to this amount to determine the tax due. For companies the effective rate of CGT is 18.6%, and for trusts it is 26.7% (for years of assessment commencing on or after 1 March 2012). The maximum effective rate of CGT for natural persons is 13.3%. When determining its liability, a holder is allowed to take into account any capital losses, arising from other transactions concluded in the relevant tax year, if any, as well as any income and capital loss carried forward from a previous tax year that may be taken into account in determining the actual tax liability of the holder.

Additionally, in the event that the Ordinary Shares in question are held by an entity that is trading in them (for instance as a share dealer) or holding them as part of a profit-making scheme, the consideration should be included in the calculation of that entities net profits/losses arising from such activities and instead of being subject to CGT, should be subject to income tax.

Exchange control

The following is a summary of the South African Exchange Control Regulations which are relevant to Shareholders on the SA Register and the SA Branch Register. If in doubt, Shareholders should consult their professional advisers without delay.

Emigrants from the common monetary area

Cash arising from the sale of Odd-lots is not freely transferable from South Africa and must be dealt with in terms of the Exchange Control Regulations.

All CSDPs and brokers with whom Ordinary Shares have been dematerialised should note that they are required to comply with the South African Exchange Control Regulations set out above.

- ii. an electronic funds transfer will be made should the Shareholder have a bank account in South Africa; or

All CSDPs and brokers with whom Ordinary Shares have been dematerialised should note that they are required to comply with the South African Exchange Control Regulations set out above.

Failure to provide information

If the information regarding South African authorised dealers in foreign exchange and authorised banks is not given in terms of the paragraph above, the share certificates or share statements and any cash will be held in trust for the members concerned pending receipt of the necessary information or instruction. No interest will be paid on any cash so held in trust.

Notes to the Notice of Annual General Meeting

Joint Electorate Actions

1. All of the resolutions are Joint Electorate Actions under the Articles of Association of Mondi plc and, accordingly, both the holders of Ordinary Shares in Mondi plc and the holder of the special voting share in Mondi plc are entitled to vote. Voting will be on a poll which will remain open for sufficient time to allow the Mondi Limited Annual General Meeting to be held and for the votes of the holder of the Mondi plc special voting share to be ascertained on a poll.

On the poll:

- i. each fully paid Ordinary Share in Mondi plc (other than those subject to voting restrictions) will have one vote;
- ii. the holder of the Mondi plc special voting share will cast the same number of votes as were validly cast for and against the equivalent resolution by Mondi Limited Shareholders on the poll at the Mondi Limited Annual General Meeting;
- iii. the holder of the Mondi plc special voting share will be obliged to cast these votes for and against the relevant resolution in accordance with the votes cast for and against the equivalent resolution by Mondi Limited Shareholders on the poll at the Mondi Limited Annual General Meeting;
- iv. through this mechanism, the votes of the Mondi Limited Shareholders at the Mondi Limited Annual General Meeting will be reflected at Mondi plc's Annual General Meeting in respect of each Joint Electorate Action; and
- v. the results of the Joint Electorate Actions will be announced after both polls have closed.

Proxy appointment

2. Members are entitled to appoint a proxy to exercise all or any of their rights to attend, to speak and to vote on their behalf at the meeting. A Shareholder may appoint more than one proxy in relation to the Annual General Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. A proxy need not be a Shareholder of either Mondi Limited or Mondi plc but must attend the meeting to represent you. Members can register their proxy appointment electronically or use the proxy form accompanying this Notice to make a proxy appointment and give proxy instructions.
3. Electronic voting facilities are available to all Shareholders to register the appointment of their proxy through the Capita website at www.capitashareportal.com where full instructions are given. The Investor Code (IVC) and post code as printed on the proxy form or a recent dividend tax voucher will be required to use this electronic proxy appointment system. A proxy appointment made electronically will not be valid if sent to any electronic address other than those provided or if received after 10:30 (UK time) on Wednesday 1 May 2013. Please note that any electronic communication found to contain a computer virus will not be accepted.
4. Alternatively, to appoint a proxy by post, complete the proxy form in accordance with the instructions printed thereon. The proxy form, and any power of attorney or authority under which it is executed (or a duly certified copy of any such power or authority), must be either sent to Mondi plc's registrars Capita Registrars, PXS, 34 Beckenham Road, Beckenham, BR3 4TU, UK by post or delivered by hand (during normal business hours only), in each case so as to be received no later than 10:30 (UK time) on Wednesday 1 May 2013.
5. The return of a completed proxy form, or other such instrument or any voting instruction given electronically through the Capita website or a CREST Proxy Instruction (as described in paragraph 11 below) will not prevent a Shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

Nominated persons

6. Any person to whom this Notice is sent who is a person nominated under section 146 of the UK Companies Act to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the Shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Shareholder as to the exercise of voting rights.
7. The statement of the rights of Shareholders in relation to the appointment of proxies in paragraphs 2 to 5 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by members of Mondi plc.

Entitlement to attend and vote

8. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by Mondi plc of the votes that may be cast), Shareholders must be registered in the register of members of Mondi plc as at 18:00 (UK time) on Wednesday 1 May 2013 (or, in the event of any adjournment, at 18:00 (UK time) on the date which is two working days (as defined in section 1173(i) of the UK Companies Act) before the day of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Total voting rights

9. Holders of Ordinary Shares are entitled to attend and vote at general meetings of Mondi plc. The total number of issued Ordinary Shares in Mondi plc on 4 March 2013, which is the latest practicable date before the publication of this Notice, is 367,240,805. The total number of votes attaching to the special voting share of Mondi plc issued to Mondi SCS (UK) Limited, to reflect the votes of Mondi Limited Shareholders on Joint Electorate Actions, pursuant to the DLC structure is 118,312,975. Therefore, the aggregate number of votes on any Joint Electorate Action is 485,553,780.

Appointment of proxies through CREST

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ('a CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available at www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID: RA10) by 10:30 (UK time) on Wednesday 1 May 2013. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors, or voting service providers, should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. Mondi plc may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

14. Any corporation which is a member of Mondi plc can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member, provided that they do not do so in relation to the same shares.

Auditors

15. Shareholders should note that, pursuant to requests made by Shareholders of Mondi plc meeting the threshold requirements set out in section 527 of the UK Companies Act, Mondi plc may be required to publish on a website a statement setting out any matter relating to: (i) the audit of Mondi plc's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of Mondi plc ceasing to hold office since the previous general meeting at which annual accounts and reports were laid in accordance with section 437 of the UK Companies Act. Mondi plc may not require the Shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the UK Companies Act. Where Mondi plc is required to place a statement on a website under section 527 of the UK Companies Act, it must forward the statement to its auditor before it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that Mondi plc has been required to publish on a website under section 527 of the UK Companies Act.

Polls

16. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Directors consider it a more democratic method of voting.

Right to ask questions

17. Any member attending the Annual General Meeting has the right to ask questions. Mondi plc must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of Mondi plc or good order of the meeting that the question be answered.
