In line with Mondi Group's philosophy, Mondi Bags Mielec is heavily oriented to sustainability. Emphasis is on environment, safety and effective interaction with local authorities, NGOs, and the local community. The Company works with customers and other strategic partners to develop innovative, sustainable solutions.

In its business activities, Mondi Bags Mielec must comply with the Group's Business Integrity Policy which sets out how the Mondi Code of Business Ethics should be applied. This includes a duty to comply with all applicable laws and regulations. The policy includes 'the facilitation of tax evasion' as a key corruption risk and states that the Group does not tolerate any form of tax evasion.

III. Information on the executed processes and procedures for managing the Company's tax obligations and their proper fulfilment

The Company aims to manage its tax affairs in accordance with national legislative provisions and within the guidelines set down by the Organisation for Economic Cooperation and Development (OECD). Mondi Bags Mielec has implemented appropriate procedures to ensure correct calculation of its tax obligations as well as to collect and process the relevant tax information. Appropriate division of responsibilities, controls and verification checks have been built into the procedures. The end to end processes are properly documented and tax relevant documents appropriately archived.

As part of its tax strategy, the Company seeks to reduce issues that may be queried by the Polish tax authorities. The Company conducts regular reviews of specific areas for focus with the assistance of external advisers and seeks professional advice for unusual, complex or one-off transactions. Mondi Bags Mielec also secures its tax position by applying for individual tax rulings when required.

Mondi Bags Mielec has an in-house accounting team, supported by a centralised Group tax department, who take day-to-day responsibility for the management of local tax affairs.

The Company's tax matters are dealt with by the in-house accounting team with appropriate knowledge and competencies, who regularly participate in training aimed at improving tax knowledge and to ensure that they remain up to date with changes in tax legislation, disclosure requirements and best practices.

The day-to-day co-ordination of the in-house accounting team is undertaken by the Chief Accountant. The general co-ordination of fiscal processes, including tax matters, is managed by the Finance Director.

Arm's length principles are applied in the pricing of all intra-group transactions in accordance with national law and the OECD guidelines.

The Company does not undertake transactions that are not related to its business activities or that are aimed at tax avoidance or evasion.
