

Invitation: Flexible Packaging Teach-In

Mondi Group would like to invite you to learn more about its Flexible Packaging business unit in a presentation hosted by Andrew King (CEO) and Mike Powell (CFO), featuring Thomas Ott (CEO Flexible Packaging) and colleagues from his senior management team. The event will be in person in London with dial in facilities enabling those overseas to participate. We anticipate the event lasting approximately an hour and a half, followed by drinks.

Mondi is a global leader in packaging and paper, contributing to a better world through innovative solutions that are sustainable by design. As a global flexible packaging producer, integrated across the value chain with a unique portfolio of solutions, the Flexible Packaging business unit is a key part of Mondi's portfolio.
