Resolutions 1 to 9 – re-election of directors

In accordance with governance best practice the Boards have decided that all directors will stand for re-election in 2015. The DLC nominations committee reviewed and recommended to the Boards the re-election of each of the directors. The committee has considered the collective skills, experience and independence of each of the non-executive directors. The 2014 board evaluation confirmed that each of the directors make an effective and valuable contribution to the Boards and demonstrate commitment to the respective roles, including as they relate to the committees, and are therefore recommended for re-election.

Further biographical details of each director are set out in the Mondi Group Integrated report and financial statements 2014 on pages 60 to 63 and in the appendix to this Notice.

Resolutions 10 to 12 – election of DLC audit committee members

South African company law requires that, at each Annual General Meeting, the shareholders elect the members of an audit committee. The three members proposed, each an independent non-executive director of both Mondi Limited and Mondi plc, are Stephen Harris, John Nicholas and Anne Quinn. The DLC nominations committee reviewed the suitability and qualifications of each director as members of the DLC audit committee and considers that each of Stephen Harris, John Nicholas and Anne Quinn has adequate relevant financial knowledge and experience to fulfil the duties as members of the DLC audit committee.

Further biographical details of each director are set out in the Mondi Group Integrated report and financial statements 2014 on pages 62 and 63 and in the appendix to this Notice.

Resolutions 13 and 24 – 2014 Integrated report and financial statements

The directors of Mondi Limited and Mondi plc are required by company law to present the audited financial statements, together with the reports of the DLC audit committee, the directors and the auditors for the financial year ended 31 December 2014 of the respective company to the meeting.

Enclosed with this Notice of Annual General Meeting is a copy of the Mondi Group Integrated report and financial statements 2014 containing the audited combined and consolidated financial information of Mondi Limited and Mondi plc for the year ended 31 December 2014.

Resolutions 14 and 25 – directors' remuneration

Regulation in South Africa and the UK requires that the directors present a report on their remuneration during the period under review. The report for the year ended 31 December 2014 is set out on pages 94 to 113 of the Mondi Group Integrated report and financial statements 2014.

Due to Mondi's DLC structure and our need to comply with both South African and UK regulation, the structure of the remuneration report has been effectively unchanged from last year and comprises the directors' remuneration policy and the annual report on remuneration. The annual report on remuneration is being put to a non-binding advisory vote to Mondi plc shareholders, resolution 25. The directors' remuneration policy, which remains unchanged since it was approved by shareholders at the 2014 Annual General Meetings, is being tabled for a non-binding advisory vote to Mondi Limited shareholders in accordance with South African regulations, resolution 14. Under UK regulations the policy report is required to be put to a binding shareholder vote every three years (or sooner if changes are proposed) and is not being presented for Mondi plc shareholder approval at this meeting.

Explanation of resolutions

continued

Resolutions 16 and 26 – final dividend

Final dividends for the year ended 31 December 2014 for Mondi Limited and Mondi plc of 379.38999 rand cents per ordinary share and 28.77 euro cents per ordinary share, respectively, are recommended by the directors. Shareholder approval for the declarations of these final dividends is required. If approved, the dividends will be paid on Thursday 21 May 2015 to shareholders on each share register on Friday 24 April 2015.

The directors of Mondi Limited have applied the solvency and liquidity tests contemplated in the South African Companies Act 71 of 2008 in terms of which it has been concluded that Mondi Limited will satisfy such tests immediately after completing the proposed distribution.

Resolutions 17, 18, 27 and 28 – reappointment and remuneration of auditors

South African and UK company law requires that, at each general meeting at which accounts are audited, Mondi Limited and Mondi plc appoint auditors who will remain in office until the next general meeting at which accounts are audited. The boards of Mondi Limited and Mondi plc, having accepted the recommendation of the DLC audit committee, propose that Deloitte & Touche and Deloitte LLP be reappointed as Mondi Limited and Mondi plc's auditors, respectively. Resolutions 17 and 27 relate to the reappointment and resolutions 18 and 28 will authorise the DLC audit committee to agree the auditors' remuneration.

Resolution 19 – Special resolution number 2 – financial assistance

This resolution is being proposed in order to comply with the requirements of sections 44 and 45 of the South African Companies Act 71 of 2008, to the extent that, on an interpretation thereof, the approval of shareholders is required for the directors to authorise any financial assistance by Mondi Limited. Sections 44 and 45 of the Act both provide, *inter alia*, that such financial assistance must be approved by a special resolution of the shareholders, adopted within the previous two years. Following such shareholder approval the directors may not authorise any such financial assistance unless they are satisfied that:

- immediately after providing the financial assistance, Mondi Limited would satisfy the solvency and liquidity test; and
- the terms under which the financial assistance is proposed to be given are fair and reasonable to Mondi Limited.

In the normal course of business Mondi Limited is required to grant financial assistance to subsidiaries and other juristic persons in the Mondi Group, including but not limited to financial assistance in the form of loans, guarantees in favour of third parties, such as financial institutions, service providers and counterparties (in respect of the provision of banking facilities, acquisition transactions, project financing, debt capital and structured financing transactions) for the obligations of such subsidiaries and any persons related to such subsidiaries. This resolution will enable Mondi Limited to provide financial assistance within the Mondi Group which may be required from time to time in the normal course of business.

During the period since the passing of the equivalent resolution at the 2014 Annual General Meeting, the directors approved financial assistance relating to Mondi Shanduka Newspaper Proprietary Limited (ZAR185 million), Mondi Zimbe Proprietary Limited (ZAR72 million) and Mondi Sacher e Moderne Holdings Proprietary Limited (€6 million).

Resolution 20 – general authority to the directors to issue Mondi Limited ordinary shares

This authority, in accordance with the Listings Requirements of the JSE Limited, grants the directors the authority to allot and issue or grant options to subscribe for, a number of shares equal to 5% of the issued ordinary shares of Mondi Limited.

Resolution 21 – general authority to the directors to issue Mondi Limited special converting shares

This authority, in accordance with the Listings Requirements of the JSE Limited, grants the directors the authority to allot and issue or grant options to subscribe for, a number of shares equal to 5% of the issued special converting shares of Mondi Limited.

The special converting shares are very specific to the Mondi dual listed company (DLC) administration and can only be used upon termination of the DLC arrangements.

The special converting shares are shares issued by Mondi Limited that are held by a South African trust and which convert into ordinary shares only in the event of and upon termination of the DLC structure so as to ensure economic equivalence for shareholders. Mondi plc also has a number of special converting shares issued to a UK trust. The two companies are required under the DLC agreements to ensure that the correct number of special converting shares is always issued. Therefore, should the authority under resolution 29 (relating to the number of Mondi plc ordinary shares issued) be used an equivalent authority is required in respect of the special converting shares of Mondi Limited in order to maintain the protection for shareholders. Equivalence is achieved by ensuring that the shareholders of each company receive such shares in the other company as well ensure that they have the same proportionate holding in each of the companies as they previously had in the combined group. Prior to termination of the DLC structure the special converting shares have limited rights.

Resolution 22 – authority to allot Mondi Limited shares for cash

Resolution 22 provides authority to the directors to allot shares for cash other than by way of rights issue in respect of Mondi Limited up to the limit specified in the resolution. In such circumstances, the directors confirm that, as and when they exercise such authority, they intend to follow emerging best practice as regards its use as recommended by the Investment Association.

The directors also confirm that the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi Limited to be held in 2016;
- ii. the equity securities which are the subject of the issue for cash shall be of a class already issued, or where this is not the case, shall be limited to such securities or rights that are convertible into a class already issued;
- iii. a paid press announcement giving full details, as prescribed by the Listings Requirements of the JSE Limited, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares issued prior to such issue;
- iv. the issue in the aggregate in any one financial year will not exceed 15% of Mondi Limited's issued equity securities as at the date of the Notice of Annual General Meeting (although it should be noted that the resolution limits the directors to a maximum of 5% of the ordinary shares issued);
- v. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the 30 business days prior to the date the price of the issue is determined or agreed between Mondi Limited and the party subscribing for the securities; and
- vi. the equity securities/shares must be issued to public shareholders and not to related parties.

In terms of the Listings Requirements of the JSE Limited, the approval of 75% of the votes cast in favour of this resolution by a equity securities holders present or represented by proxy at the Annual General Meeting is required to approve this resolution.

Resolution 23 – Special resolution number 3 – Mondi Limited purchase of own shares

The reason and effect of resolution 23 is to grant a renewable general authority to Mondi Limited, or a subsidiary of Mondi Limited, to acquire ordinary shares in Mondi Limited which are issued from time to time in terms of the following Listings Requirements of the JSE Limited (JSE) (as presently constituted and as amended from time to time):

Explanation of resolutions continued

- any such acquisition of ordinary shares be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between Mond L m ted and the counterparty;
- authorisation thereto being given by Mond L m ted's Memorandum of Incorporation;
- this general authority shall be valid until Mond L m ted's next Annual General Meeting or 15 months from the date of passing this special resolution, whichever is earlier;
- v. an announcement will be published as soon as Mond L m ted or any of its subsidiaries has acquired ordinary shares constituting, on a cumulative basis, 3% of the number of ordinary shares in issue prior to the acquisition pursuant to which the aforesaid 3% threshold is reached, and for each 3% or aggregate acquired thereafter, containing full details of such acquisitions;
- v. acquisitions of ordinary shares in aggregate in any one financial year may not exceed 20% of Mond L m ted's issued ordinary share capital of that class as at the date of passing of this resolution (although it should be noted that the directors will limit any purchase to a maximum of 5% of the issued ordinary share capital);
- v. the number of ordinary shares purchased and held by a subsidiary or subsidiaries of Mond L m ted shall not exceed 10% or aggregate of the number of issued shares of Mond L m ted at the relevant time;
- v. in determining the price at which ordinary shares issued by Mond L m ted are acquired by or any of its subsidiaries in terms of this general authority, the maximum premium at which such ordinary shares may be acquired will be 10% of the weighted average of the market value at which such ordinary shares are traded on the JSE as determined over the five business days immediately preceding the date of repurchase of such ordinary shares by Mond L m ted or any of its subsidiaries;
- v. at any point in time, Mond L m ted or any of its subsidiaries may on any appointed agent to effect any repurchase on Mond L m ted's behalf;
- x. Mond L m ted or any of its subsidiaries may not repurchase any shares during a prohibited period as defined by the Listings Requirements of the JSE, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and has been submitted to the JSE in writing. Mond L m ted must instruct an independent third party, which makes its investment decisions in relation to its securities independent of and uninfluenced by Mond L m ted, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE; and
- x. the directors have passed a resolution authorising the repurchase, confirming that Mond L m ted, and its subsidiaries, have passed the solvency and liquidity test and that from the time the test was done there were no material changes to the financial position of the Group.

The directors of Mond L m ted have no present intention of making any repurchases but believe that Mond L m ted should retain the flexibility to take action if future repurchases were considered desirable and in the best interests of shareholders. The directors of Mond L m ted are of the opinion that, after considering the effect of such acquisition of ordinary shares, implemented and on the assumption that Mond L m ted acquires the maximum of 5% of the current issued ordinary share capital of Mond L m ted at the last practicable date prior to the date of the Notice of Annual General Meeting of Mond L m ted convened for 13 May 2015 or during a period of 12 months after the date of the Notice of Annual General Meeting of Mond L m ted:

- Mond L m ted and its subsidiaries will be able, in the ordinary course of business, to pay its debts;
- the consolidated assets of Mond L m ted and its subsidiaries, fairly valued in accordance with Generally Accepted Accounting Practice, will be in excess of the consolidated liabilities of Mond L m ted and its subsidiaries;
- Mond L m ted and its subsidiaries will have adequate capital and reserves for ordinary business purposes; and

Directors' responsibility statement

The directors, whose names appear on pages 60 to 63 of the Mond Group Integrated report and financial statements 2014, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading and that a reasonable enquirer to ascertain such facts have been made and that the special resolution contains information required by law and the Listings Requirements of the JSE.

Materia changes

Other than the facts and developments reported on in the Mondi Limited 2014 statutory accounts, there have been no materia changes in the affairs or financial position of Mondi Limited and its subsidiaries since the date of signature of the audit report and up to the date of this Notice.

The following additional information, some of which may appear elsewhere in the Mondi Group Integrated report and financial statements 2014, is provided in terms of the Listings Requirements of the JSE for purposes of the general authority:

- major beneficial shareholders – integrated report and financial statements pages 114 and 115; and
- share capital of Mondi Limited – integrated report and financial statements page 156.

Resolution 29 – directors' authority to allot Mondi plc shares

The purpose of resolution 29 is to renew the directors of Mondi plc's power to allot shares. The authority will allow the directors of Mondi plc to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a maximum nominal amount of €4,855,537.60, as set out in the table below and exclusive of treasury shares, which is equivalent to approximately 5% of the issued capital:

	Number of shares	Par value	Relative part of section 551 amount
Ordinary shares	18,362,040	€0.20	€3,672,408.00
Special converting shares	5,915,648	€0.20	€1,183,129.60
Total			€4,855,537.60

This authority covers the issued ordinary share capital of Mondi plc, as would normally be the case for a UK company at its Annual General Meeting, but also the issued special converting shares of Mondi plc. An authority is included for the special converting shares to enable the directors of Mondi plc to issue these as and when required in accordance with the agreements which constitute Mondi's dualisted company structure (this is explained in more detail on page 7).

At 13 March 2015 (being the latest practicable date prior to the publication of this Notice), Mondi plc did not hold any shares in treasury.

There are no present plans to undertake a rights issue or to allot new shares. The directors of Mondi plc consider it desirable to have the flexibility permitted by corporate governance guidelines to respond to market developments and to enable attempts to take place to finance business opportunities as they arise.

Although UK companies would generally seek an authority over 33.3% of issued capital, Mondi plc is aware that the investment community in South Africa prefers to see this authority restricted to no more than 5% of issued capital. In view of the dualisted company structure, Mondi plc has decided to limit the authority to 5%.

If the resolution is passed, the authority will expire at the end of the Annual General Meeting of Mondi plc to be held in 2016 or, earlier, 30 June 2016.

Resolution 30 – Special resolution number 4 – disapplication of Mondi plc pre-emption rights

If the directors of Mondi plc wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), UK company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

The purpose of resolution 30 is to authorise the directors of Mondi plc to allot new shares pursuant to the authority given by resolution 29, or to sell treasury shares, for cash () in connection with a Rights Issue (as defined in the Mondi plc Articles of Association) or () otherwise up to a maximum aggregate nominal value of €3,672,408, which is equivalent to 5% of the issued ordinary share capital of Mondi plc as at 13 March 2015 (being the latest practicable date prior to publication of this Notice), in each case without the shares first being offered to existing shareholders in proportion to their existing holdings. The authority will expire at the end of the next Annual General Meeting of Mondi plc to be held in 2016 or, earlier, 30 June 2016.

The directors confirm that, as and when they exercise such authorities, they intend to follow emerging best practice as regards its use as recommended in the Investment Association guidelines.

In accordance with the provisions of the Pre-emption Group's Statement of Principles, the directors do not intend to issue more than 7.5% of the total issued ordinary share capital of Mondi plc for cash on a non-pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in any rolling three year period without prior consultation with shareholders and the investment committees of the Investment Association and the National Association of Pension Funds.

Explanation of resolutions continued

The directors also confirm that pursuant to the dual listed company structure, the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- this authority shall not extend beyond the next Annual General Meeting of Mondipac to be held in 2016;
- the equity securities which are the subject of the issue for cash shall be of a class already in issue or, where this is not the case, shall be limited to such securities or rights that are convertible into a class already in issue;
- a paid press announcement giving full details, as prescribed by the Listings Requirements of the JSE Limited, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to such issue;
- v. the issue in the aggregate in any one financial year will not exceed 15% of Mondipac's issued equity securities as at the date of the Notice of Annual General Meeting (although it should be noted that the resolution limits the directors to a maximum of 5% of the ordinary shares in issue);
- v. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the 30 business days prior to the date that the price of the issue is determined or agreed between Mondipac and the party subscribing for the securities; and
- v. the equity securities/shares must be issued to public shareholders and not to related parties.

The directors of Mondipac consider the authority in resolution 30 to be appropriate in order to allow Mondipac flexibility to finance business opportunities without the need to comply with the strict requirements of the statutory pre-emption provisions.

Resolution 31 – Special resolution number 5 – Mondipac purchase of own shares

The directors of Mondipac consider that, in certain circumstances, being in the best interests of shareholders generally for Mondipac to purchase its own ordinary shares. Accordingly, the effect of this resolution is to renew the general authority, subject to specified limits, granted to Mondipac to purchase its own ordinary shares, until the Annual General Meeting in 2016 or, earlier, 30 June 2016. You are asked to consent to the purchase by Mondipac of up to a maximum of 18,362,040 ordinary shares of €0.20 each. This represents 5% of the ordinary shares in issue as at 13 March 2015 and Mondipac's exercise of this authority is subject to the stated upper and lower limits on the price payable.

As of 13 March 2015 (the latest practicable date prior to publication of this Notice), there were options outstanding over 2,232,013 ordinary shares, representing 0.61% of Mondipac's issued ordinary share capital at that date. If the authority to buy back shares was exercised in full, the total number of options to subscribe for ordinary shares would represent 0.64% of Mondipac's reduced issued ordinary share capital.

The directors of Mondipac have no present intention of making any purchases of its own ordinary shares, but believe that Mondipac should retain the flexibility to take further action if future purchases were considered desirable and in the best interests of shareholders. Pursuant to the UK Companies Act 2006, Mondipac can hold the shares which have been repurchased (as treasury shares) and either reissue them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. The directors of Mondipac believe that it is desirable for Mondipac to have this choice and therefore intend to hold any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares will give Mondipac the ability to reissue them or transfer them in the future, and so provide Mondipac with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.
