* Special Resolutions

** A vote withheld is not a vote in law and is not counted in the calculation of the proportion of votes for or against a resolution.

The Board notes that although Resolutions 18 (disapplication of pre-emption rights) and 20 (to hold general meetings on 14 days' notice) were passed and approved by the majority of shareholders, and are consistent with the approach taken in previous years, slightly more than 20% of the votes were cast against the Board's recommendation in each case. At the 2025 Annual General Meeting, the equivalent resolution to authorise the disapplication of pre-emption rights also received more than 20% votes against and following engagement, we confirmed that the outcome reflected the voting policies of certain of our shareholders. The resolution authorising general meetings to be held on 14 days' notice received less than 20% votes against in 2025. The Board will consider the views of our shareholders in respect of these resolutions to ensure we understand the reasons behind the voting outcome.

In accordance with Provision 4 of the UK Corporate Governance Code, the Board will provide an update within six months of the Annual General Meeting, as well as a final summary in Mondi's 2026 Integrated report and financial statements.
