5 Guarantee and Indemnity

5.1 Guarantee of Notes issued by Mondi Finance Europe GmbH: The Guarantor, where Mondi Finance Europe GmbH is the Relevant Issuer, unconditionally and irrevocably guarantees:

5.1.1 upon the first written demand by the Trustee, immediately to pay, without any examination of the legal obligations of Mondi Finance Europe GmbH and by waiving all rights of objections, defence and rights to reclaim from the Trustee, any amount of principal and interest due under Notes issued by Mondi Finance Europe GmbH and any other amounts payable by Mondi Finance Europe GmbH under this Trust Deed; and

5.1.2 the due and punctual performance and observance by Mondi Finance Europe GmbH of each of the other provisions of this Trust Deed to be performed or observed by it.

Upon the first written demand by the Trustee, the Guarantor shall pay any sum payable by Mondi Finance Europe GmbH under the Guarantee to or to the order of the Trustee, in the manner provided in Clause 2.3 (or if in respect of sums due under Clause 10, in pounds sterling in London in immediately available funds) before close of business on the date of such demand in the city to which payment is so to be made and Clause 2.3 shall apply (with consequential amendments as necessary) to such payments other than those in respect of sums due under Clause 10. All payments under this Guarantee by the Guarantor shall be made subject to Condition 7 and Clause 4.2.

Mondi Finance Europe GmbH will ensure that no later than 10.00 a.m. (London time) on the Business Day (as defined below) immediately preceding the date on which any payment is to be made by it to the Principal Paying Agent, the Trustee shall receive a copy of an irrevocable payment instruction to the bank through which payment is to be made. For the purposes of this subclause, Business Day means a day on which commercial banks and foreign exchange markets settle payments and are open for general business in Vienna and London.

Subject to the provisions of Clause 8.1, the Trustee shall be entitled to make a written demand under this Clause 5.1 at any time, irrespective of whether it has actual knowledge that Mondi Finance Europe GmbH has failed to pay any amount due under the Notes or this Trust Deed or to perform or observe any provision of this Trust Deed, and the Trustee shall be under no obligation to make any investigation whatsoever in relation to such defaults before making any such written demand described herein.

Any written demand delivered under this Clause 5.1 shall be substantially in the form set out in Schedule 5 hereto, shall be made in the manner set out in Clause 19 and shall be deemed to have been given immediately on despatch.

5.2 Guarantee of Notes issued by Mondi Finance plc: The Guarantor, where Mondi Finance plc is the Relevant Issuer, unconditionally and irrevocably guarantees:

5.2.1 the due and punctual payment in accordance with the provisions of this Trust Deed of the principal of and interest on all Notes and of any other amounts payable by Mondi Finance plc under this Trust Deed; and

5.2.2 the due and punctual performance and observance by Mondi Finance plc of each of the other provisions of this Trust Deed to be performed or observed by it.

If Mondi Finance plc does not pay any sum payable by it under this Trust Deed, the Notes or the Coupons by the time and on the date specified for such payment (whether on the normal due date, on acceleration or otherwise), the Guarantor shall pay that sum to or to the order of the Trustee, in the manner provided in Clause 2.3 (or if in respect of sums due under Clause 10, in pounds sterling in London in immediately available funds) before close of business on that date in the city to which payment is so to be made. Clause 2.3 shall apply (with consequential amendments as necessary) to such payments other than those in respect of sums due under Clause 10. All payments under the Guarantee by the Guarantor shall be made subject to Condition 7 and Clause 4.2.

- 5.3 Guarantor as Principal Debtor:** As between the Guarantor and the Trustee, the Noteholders and the Couponholders but without affecting the Relevant Issuer's obligations, the Guarantor shall be liable under this Clause as if it were the sole principal debtor and not merely a surety. Accordingly, it shall not be discharged, nor shall its liability be affected, by anything that would not discharge it or affect its liability if it were the sole principal debtor (including (1) any time, indulgence, waiver or consent at any time given to the Relevant Issuer or any other person, (2) any amendment to any other provisions of this Trust Deed or to the Conditions or to any security or other guarantee or indemnity, (3) the making or absence of any demand on the Relevant Issuer or any other person for payment, (4) the enforcement or absence of enforcement of this Trust Deed, the Notes or the Coupons or of any security or other guarantee or indemnity, (5) the taking, existence or release of any security, guarantee or indemnity, (6) the dissolution, amalgamation, reconstruction or reorganisation of the Relevant Issuer or any other person or (7) the illegality, invalidity or unenforceability of or any defect in any provision of this Trust Deed, the Notes or the Coupons or any of the Relevant Issuer's obligations under any of them).
- 5.4 Guarantor's Obligations Continuing:** The Guarantor's obligations under this Trust Deed are and shall remain in full force and effect by way of continuing security until no sum remains payable under this Trust Deed, the Notes or the Coupons. Furthermore, those obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from the Guarantor or otherwise and may be enforced without first having recourse to the Relevant Issuer, any other person, any security or any other guarantee or indemnity. The Guarantor irrevocably waives all notices and demands of any kind.
- 5.5 Exercise of Guarantor's Rights:** So long as any sum remains payable under this Trust Deed, the Notes or the Coupons:
- 5.5.1** any right of the Guarantor, by reason of the performance of any of its obligations under this Clause, to be indemnified by the Relevant Issuer or to take the benefit of or to enforce any security or other guarantee or indemnity shall be exercised and enforced by the Guarantor only in such manner and on such terms as the Trustee may require or approve; and
- 5.5.2** any amount received or recovered by the Guarantor (a) as a result of any exercise of any such right or (b) in the dissolution, amalgamation, reconstruction or reorganisation of the Relevant Issuer shall be held in trust for the Trustee and immediately paid to the Trustee and the Trustee shall hold it on the trusts set out in Clause 6.1.
- 5.6 Suspense Accounts:** Any amount received or recovered by the Trustee (otherwise than as a result of a payment by an Issuer to the Trustee in accordance with Clause 2) in

respect of any sum payable by such Issuer under this Trust Deed, the Notes or the Coupons may be placed in a suspense account and kept there for so long as the Trustee thinks fit.

- 5.7 Avoidance of Payments:** The Guarantor shall on demand indemnify the Trustee, each Noteholder and each Couponholder against any Liability sustained or incurred by it as a result of it being required for any reason (including any bankruptcy, insolvency, winding-up, dissolution, or similar law of any jurisdiction) to refund all or part of any amount received or recovered by it in respect of any sum payable by an Issuer under this Trust Deed, any Note or Coupons relating to that Note and shall in any event pay to it on demand the amount as refunded by it.
- 5.8 Debts of an Issuer:** If any moneys become payable by the Guarantor under this Guarantee, the Relevant Issuer shall not (except in the event of the liquidation of the Relevant Issuer) so long as any such moneys remain unpaid, pay any moneys for the time being due from the Relevant Issuer to the Guarantor.
- 5.9 Indemnity:** As separate, independent and alternative stipulations, the Guarantor unconditionally and irrevocably agrees (1) that any sum that, although expressed to be payable by the Issuers under this Trust Deed, the Notes or Coupons, is for any reason (whether or not now existing and whether or not now known or becoming known to the Issuers, the Guarantor, the Trustee or any Noteholder or Couponholder) not recoverable from the Guarantor on the basis of a guarantee shall nevertheless be recoverable from it as if it were the sole principal debtor and shall be paid by it to the Trustee on demand and (2) as a primary obligation to indemnify the Trustee, each Noteholder and each Couponholder against any loss suffered by it as a result of any sum expressed to be payable by the Issuers under this Trust Deed, the Notes or Coupons not being paid on the date and otherwise in the manner specified in this Trust Deed or any payment obligation of the Issuers under this Trust Deed, the Notes or the Coupons being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now known or becoming known to the Trustee, any Noteholder or any Couponholder), the amount of that loss being the amount expressed to be payable by the Issuers in respect of the relevant sum.
- 5.10 Enforcement of the Guarantee:** No party shall be obliged or entitled under the Guarantee to performance in Austria and no party shall be discharged from its obligations under the Guarantee if payment under the Guarantee is made by the Guarantor in Austria. Without prejudice to the provisions of Clause 8.1, the Trustee may determine from time to time whether or not it will enforce this guarantee which it may do without making any demand of or taking any proceedings against the Issuers and may from time to time make any arrangement or compromise with the Guarantor in relation to this guarantee which the Trustee may consider expedient in the interests of the relative Noteholders or Couponholders.
- 5.11 Status of the Guarantee:**
- 5.11.1 Status of the Guarantee of Notes issued by Mondi Finance Europe GmbH:** The obligations of the Guarantor under this Trust Deed, where Mondi Finance Europe GmbH is the Relevant Issuer, constitute direct, unconditional and (subject to the provisions of Condition 4) unsecured obligations of the Guarantor and are – for the purpose of assessing its nature from the perspective of potential Austrian stamp duties (*Rechtsgeschäftsgebühren*) – to be qualified as a non-accessory

guarantee (*Garantievertrag*) in line with section 880a second sentence of the Austrian General Civil Code (*Allgemeines Bürgerliches Gesetzbuch*) and not as an accessory surety (*Bürgschaft*);

- 5.11.2 Status of the Guarantee of Notes issued by Mondi Finance plc:** The obligations of the Guarantor under this Trust Deed, where Mondi Finance plc is the Relevant Issuer, constitute direct, unconditional and (subject to the provisions of Condition 4) unsecured obligations of the Guarantor,

and, in each case, the payment obligations of the Guarantor under this Trust Deed shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Guarantor.

6 Application of Moneys Received by the Trustee

- 6.1 Declaration of Trust:** All moneys received by the Trustee in respect of the Notes or amounts payable under this Trust Deed shall (unless and to the extent attributable, in the opinion of the Trustee, to a particular Series), despite any appropriation of all or part of them by the Issuers or the Guarantor, be apportioned *pari passu* and rateably between each Series held by the Trustee on trust to apply them (subject to Clauses 5.5 and 6.2):

- 6.1.1** first, in payment of all amounts payable to the Trustee under Clause 10;
- 6.1.2** secondly, in payment of all amounts payable to the Agents pursuant to the Agency Agreement;
- 6.1.3** thirdly, in payment of any amounts owing in respect of the Notes or Coupons *pari passu* and rateably; and
- 6.1.4** fourthly, in payment of any balance to the Relevant Issuer for itself or, if any moneys were received from the Guarantor and to the extent of such moneys, the Guarantor (without prejudice to, or liability in respect of, any question as to how such payment to the Relevant Issuer shall be dealt with as between the Relevant Issuer, the Guarantor and any other person).

If the Trustee holds any moneys in respect of Notes or Coupons that have become void or in respect of which claims have become prescribed, the Trustee shall hold them on these trusts.

6.2 Deposits:

- 6.2.1** No provision of this Trust Deed, the Notes or the Coupons shall (a) confer on the Trustee any right to exercise any investment discretion in relation to the assets subject to the trust constituted by this Trust Deed and, to the extent permitted by law, Section 3 of the Trustee Act 2000 shall not apply to the duties of the Trustee in relation to the trusts constituted by this Trust Deed and (b) require the Trustee to do anything which may cause the Trustee to be considered a sponsor of a covered fund under Section 619 of the Dodd-Frank Wall Street Reform and Consumer Protection Act and any regulations promulgated thereunder.
- 6.2.2** The Trustee may deposit moneys in respect of the Notes in its name in an account at such bank or other financial institution as the Trustee may, in its absolute discretion, think fit. If that bank or financial institution is the Trustee or a subsidiary, holding or associated company of the Trustee, the Trustee need only account for

an amount of interest equal to the amount of interest which would, at then current rates, be payable by it on such a deposit to an independent customer.

6.2.3 The parties acknowledge and agree that in the event that any deposits in respect of the Notes are held by a bank or a financial institution in the name of the Trustee and the interest rate in respect of certain currencies is a negative value such that the application thereof would result in amounts being debited from funds held by such bank or financial institution (“negative interest”), the Trustee shall not be liable to make up any shortfall or be liable for any loss.

6.2.4 The Trustee may at its discretion accumulate such deposits and the resulting interest and other income derived thereon. The accumulated deposits shall be applied under Clause 6. All interest and other income deriving from such deposits shall be applied first in payment or satisfaction of all amounts then due and unpaid under Clause 10 to the Trustee and/or any Appointee and otherwise held for the benefit of and paid to the Noteholders or the holders of the related Coupons, as the case may be.

7 Enforcement

7.1 Proceedings brought by the Trustee: The Trustee may at any time at its discretion and without notice take such proceedings and/or any other action as it may think fit against the Issuers and/or the Guarantor to enforce the obligations of the Issuers and/or the Guarantor under this Trust Deed.

7.2 Proof of Default: Should the Trustee take legal proceedings against the Issuers or the Guarantor (as the case may be) to enforce any of the provisions of this Trust Deed:

7.2.1 proof therein that as regards any specified Note the Relevant Issuer or the Guarantor (as the case may be) has made default in paying any principal, premium or interest due in respect of such Note shall (unless the contrary be proved) be sufficient evidence that the Relevant Issuer or the Guarantor (as the case may be) has made the like default as regards all other Notes which are then due and repayable; and

7.2.2 proof therein that as regards any specified Coupon the Relevant Issuer or the Guarantor (as the case may be) has made default in paying any interest due in respect of such Coupon shall (unless the contrary be proved) be sufficient evidence that the Relevant Issuer or the Guarantor (as the case may be) has made the like default as regards all other Coupons which are then due and payable.

8 Proceedings

8.1 Action taken by Trustee: The Trustee shall not be bound to take any such proceedings or any other action as are mentioned in Clause 7.1 or to take any other action under this Trust Deed (including making a written demand to the Guarantor under Clause 5.1), unless respectively directed or requested to do so (i) by an Extraordinary Resolution or (ii) in writing by the holders of at least one-fifth in nominal amount of the Notes of the relevant Series then outstanding and in either case then only if it shall be indemnified and/or secured and/or prefunded to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all Liabilities which it may incur by so doing.

8.2 Trustee only to Enforce: Only the Trustee may enforce the provisions of this Trust Deed. No holder shall be entitled to proceed directly against the Issuers or the Guarantor to enforce the performance of any of the provisions of this Trust Deed unless the Trustee having become bound as aforesaid to take proceedings fails to do so within a reasonable period and such failure shall be continuing.

9 Covenants

So long as any Note is outstanding, the Issuers and the Guarantor shall each:

9.1 Books of Account: keep, and procure that the Material Subsidiaries (if any) keep, proper books of account and, at any time after an Event of Default or Potential Event of Default has occurred or if the Trustee reasonably believes that such an event has occurred or that an Event of Default is about to occur, so far as permitted by applicable law, allow, and procure that each such subsidiary shall allow, the Trustee and anyone appointed by it to whom the Issuers, the Guarantor and/or the relevant subsidiary has no reasonable objection, access to its books of account at all reasonable times during normal business hours upon giving reasonable notice;

- 9.9 Listing and Trading:** if the Notes are so listed and traded, use all reasonable endeavours to maintain the listing of the Notes on the official list of the Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 and the trading of such Notes on the Market but, if it is unable to do so, having used such endeavours, or if the maintenance of such listing or trading is agreed by the Trustee to be unduly onerous and the Trustee is satisfied that the interests of the Noteholders would not be thereby materially prejudiced, instead use all reasonable endeavours to obtain and maintain a listing of the Notes on another Stock Exchange and the admission to trading of the Notes on another market, in each case approved in writing by the Trustee;
- 9.10 Change in Agents:** give at least 30 days' prior notice to the Noteholders of any future appointment, resignation or removal of an Agent or of any change by an Agent of its specified office of which it is aware;

- 9.11.2** from Weber Rechtsanwälte GmbH & Co KG, legal advisors to the Issuers and to the Guarantor, as to Austrian law (i) on each anniversary of this Trust Deed, (ii) on the date of any amendment to or supplement or restatement of this Trust Deed and (iii) on such other occasions as the Trustee so requests if the Trustee reasonably considers it necessary in view of a change (or proposed change) in Austrian law affecting the obligations of Mondi Finance Europe GmbH under this Trust Deed; and

- 9.12 Notes Held by Issuers etc.:** send to the Trustee as soon as practicable after being so requested by the Trustee a certificate of the Relevant Issuer or, as the case may be, the Guarantor signed by any director stating the number of Notes held at the date of such certificate by or on behalf of the Relevant Issuer or, as the case may be, the Guarantor, or any of their respective subsidiaries;
- 9.13 Material Subsidiaries:** give to the Trustee at the same time as sending any certificate referred to in Clause 9.5 or within 14 days of a request by the Trustee, a certificate signed by any director of the Guarantor listing those subsidiaries of the Guarantor that as at the

10 Remuneration and Indemnification of the Trustee

10.1 Normal Remuneration: So long as any Note is outstanding the Relevant Issuer shall pay the Trustee as remuneration for its services as Trustee such sum on such dates in each case as they may from time to time agree. Such remuneration shall accrue from day to day from the date of this Trust Deed. However, if any payment to a Noteholder or Couponholder of moneys due in respect of any Note or Coupon is improperly withheld or refused, such remuneration shall again accrue as from the date of such withholding or refusal until payment to such Noteholder or Couponholder is duly made.

10.2 Extra Remuneration: If an Event of Default or Potential Event of Default shall have occurred, the Issuers hereby agree that the Trustee shall be entitled to be paid additional remuneration calculated at its normal hourly rates in force from time to time. In any other case, if the Trustee finds it expedient or necessary or is requested by an Issuer or the Guarantor to undertake duties that they agree to be of an exceptional nature or otherwise outside the scope of the Trustee's normal duties under this Trust Deed, the Relevant Issuer shall pay such additional remuneration as they may agree (and which may be calculated by reference to the Trustee's normal hourly rates in force from time to time) or, failing agreement as to any of the matters in this Clause or as to such sums referred to in Clause 10.1 (other than in respect of an Event of Default or Potential Event of Default in respect of which the Relevant Issuer agrees that the Trustee shall be entitled to be paid additional remuneration calculated at its normal hourly rates in force from time to time), as determined by a financial institution or person (acting as an expert) selected by the Trustee and approved by the Relevant Issuer or, failing such approval, nominated by the President for the time being of The Law Society of England and Wales. The expenses involved in such nomination and such financial institution's fee shall borne by the Relevant Issuer. The determination of such financial institution or person shall be conclusive and binding on the Relevant Issuer, the Guarantor, the Trustee, the Noteholders and the Couponholders.

The Relevant Issuer, failing whom, the Guarantor, shall in addition pay the Trustee an amount equal to any value added tax or similar tax chargeable in respect of its remuneration under this Trust Deed.

10.3 Expenses: The Issuers shall also pay or discharge all Liabilities properly incurred by the Trustee in the preparation and execution of this Trust Deed and the performance of its functions under this Trust Deed including, but not limited to, legal and travelling expenses and any stamp, documentary or other taxes or duties paid by the Trustee in connection with any legal proceedings reasonably brought or contemplated by the Trustee against the

Issuers or the Guarantor to enforce any provision of this Trust Deed, the Notes, the Coupons or the Talons. Such Liabilities shall:

10.3.1 in the case of payments made by the Trustee before such demand, carry interest from the date of the demand at the rate of 2 per cent. per annum over the base rate of the Bank of England on the date on which the Trustee made such payments; and

10.3.2 in other cases, carry interest at such rate from 30 days after the date of the demand or (where the demand specifies that payment is to be made on an earlier date) from such earlier date.

10.4 Indemnity: Subject to Section 750 of the Companies Act 2006 (if applicable), the Issuers will indemnify the Trustee in respect of Liabilities paid or incurred by it in acting as trustee under this Trust Deed (including (1) any Appointee's Liabilities and (2) in respect of disputing or defending any amounts or claims made against the Trustee or any Appointee's Liabilities). The Issuers will indemnify such Appointee against such Appointee's Liabilities. "**Appointee's Liabilities**" are Liabilities which the Trustee is or would be obliged to pay or reimburse to any of its agents or delegates appointed pursuant to this Trust Deed. The Contracts (Rights of Third Parties) Act 1999 applies to this Clause 10.4.

10.5 Continuing Effect: Sub-Clauses 10.3 and 10.4 shall continue in full force and effect as regards the Trustee even if it no longer is Trustee.

10.6 Allocation: The Trustee shall be entitled in its absolute discretion to determine in respect of which Series of Notes any Liabilities incurred under this Trust Deed have been incurred or to allocate any such Liabilities between the Notes of any Series.

10.7 No Set-off etc.: The Issuers hereby further undertake to the Trustee that all monies payable by the Issuers to the Trustee under this Clause shall be made without set-off, counterclaim, deduction or withholding unless compelled by law in which event the Issuers will pay such additional amounts as will result in the receipt by the Trustee of the amounts which would otherwise have been payable by the Issuers to the Trustee under this Clause in the absence of any such set-off, counterclaim, deduction or withholding.

11 Provisions Supplemental to the Trustee Act 1925 and the Trustee Act 2000

11.1 Advice: The Trustee may act on the opinion or advice of, or information obtained from, any accountant, professional adviser, financial institution or other expert and shall not be responsible to anyone for any loss occasioned by so acting whether such advice is obtained by or addressed to the Issuers, the Trustee or any other person. Any such opinion, advice or information may be sent or obtained by letter or fax or email and the Trustee shall not be liable to anyone for acting in good faith on any opinion, advice or information purporting to be conveyed by such means even if it contains some error or is not authentic. The Trustee may rely without liability to Noteholders and Couponholders on any report, confirmation or certificate or any advice of any accountants, professional advisers, financial institution or any other expert, whether or not addressed to the Trustee and whether or not liability in relation thereto is limited by reference to a monetary cap, methodology or otherwise.

11.2 Trustee to Assume Performance: The Trustee need not notify anyone of the execution of this Trust Deed or do anything to find out if an Event of Default or Potential Event of Default or Put Event or Change of Control Put Event has occurred. Until it has actual

knowledge or express notice to the contrary pursuant to the Trust Deed, the Trustee may assume that no such event has occurred and that the Issuers and the Guarantor are performing all their obligations under this Trust Deed, the Notes, the Coupons and the Talons.

- 11.3 Resolutions of Noteholders:** The Trustee shall not be liable to any person by reason of having acted upon any Extraordinary Resolution in writing or any Extraordinary Resolution or other resolution purporting to have been passed at any meeting of the holders of Notes of all or any Series in respect whereof minutes have been made and signed or any direction or request of the holders of the Notes of all or any Series even though subsequent to its acting it may be found that there was some defect in the constitution of the meeting or the passing of the resolution, (in the case of an Extraordinary Resolution in writing) that not all such holders had signed the Extraordinary Resolution or (in the case of a direction or request) it was not signed by the requisite number of holders or that for any reason the resolution, direction or request was not valid or binding upon such holders and the relative Couponholders.
- 11.4 Certificate Signed by a Director:** If the Trustee, in the exercise of its functions, requires to be satisfied or to have information as to any fact or matter or the expediency of any act, it may call for and accept as sufficient evidence of that fact or matter or the expediency of that act a certificate signed by any director or Authorised Signatory of the Issuers or Guarantor as to that fact or matter or to the effect that, in his/her opinion, that act is expedient and the Trustee need not call for further evidence and shall not be responsible for any loss occasioned by acting on such a certificate.
- 11.5 Deposit of Documents:** The Trustee may appoint as custodian, on any terms, any bank or entity whose business includes the safe custody of documents or any lawyer or firm of lawyers believed by it to be of good repute and may deposit this Trust Deed and any other documents with such custodian and pay all sums due in respect thereof. The Trustee is not obliged to appoint a custodian of securities payable to bearer.
- 11.6 Discretion:** The Trustee shall have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and shall not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience that may result from their exercise or non-exercise (the exercise or non-exercise of which as between the Trustee and the Noteholders and Couponholders shall be conclusive and binding on the Noteholders and Couponholders) and the Trustee shall not be bound to act at the request or direction of the Noteholders or otherwise under any provision of this Trust Deed or to take at such request or direction or otherwise any other action under any provision of this Trust Deed, without prejudice to the generality of Clauses 7 and 8, unless it shall first be indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may render itself liable or which it may incur by so doing.
- 11.7 Guarantee:** In the event of a failure by Mondi Finance Europe GmbH to pay any amount of principal or interest due under the Notes issued by it and/or any other amounts payable by it under these presents, the Trustee shall not be liable for any loss, cost or liability that may result from any delay in making a written demand to the Guarantor under Clause 5.1 or any delay in payment by the Guarantor in accordance with these presents.
- 11.8 Agents:** Whenever it considers it expedient in the interests of the Noteholders, the Trustee may, in the conduct of its trust business, instead of acting personally, employ and pay an agent selected by it, whether or not a lawyer or other professional person, to transact or

conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money).

- 11.9 Delegation:** Whenever it considers it expedient in the interests of the Noteholders, the Trustee may delegate to any person on any terms (including power to sub-delegate) all or any of its functions.
- 11.10 Nominees:** In relation to any asset held by it under this Trust Deed, the Trustee may appoint any person to act as its nominee on any terms.
- 11.11 Forged Notes:** The Trustee shall not be liable to the Issuers or the Guarantor or any Noteholder or Couponholder by reason of having accepted as valid or not having rejected any Note, Certificate, Coupon or Talon purporting to be such and later found to be forged or not authentic.
- 11.12 Confidentiality:** Unless ordered to do so by a court of competent jurisdiction, the Trustee shall not be required to disclose to any Noteholder or Couponholder any confidential financial or other information made available to the Trustee by the Issuers or the Guarantor.
- 11.13 Determinations Conclusive:** As between itself and the Noteholders and Couponholders, the Trustee may determine all questions and doubts arising in relation to any of the provisions of this Trust Deed. Such determinations, whether made upon such a question actually raised or implied in the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee, the Noteholders and the Couponholders.
- 11.14 Currency Conversion:** Where it is necessary or desirable to convert any sum from one currency to another, it shall (unless otherwise provided hereby or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the Issuers, the Guarantor, the Noteholders and the Couponholders.

- 11.21 Professional Charges:** Any trustee of this Trust Deed being a lawyer, accountant, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges for business transacted and acts done by him or his firm in connection with the trusts of this Trust Deed and also his proper charges in addition to disbursements for all other work and business done and all time spent by him or his firm in connection with matters arising in connection with this Trust Deed.

- 11.26 Maintenance of Ratings:** The Trustee shall have no responsibility whatsoever to the Issuers, the Guarantor, any Noteholder or Couponholder or any other person for the maintenance of or failure to maintain any rating of any of the Notes by any rating agency.

11.30 Trustee's Consents and Approvals: Any consent or approval given by the Trustee for the purposes of this Trust Deed may be given on such terms and subject to such conditions (if any) as the Trustee thinks fit and notwithstanding anything to the contrary in this Trust Deed may be given retrospectively. The Trustee may give any consent or approval, exercise any power, authority or discretion or take any similar action (whether or not such consent, approval, power, authority, discretion or action is specifically referred to in this Trust Deed) if it is satisfied that the interests of the Noteholders will not be materially prejudiced thereby. 12 Trustee Liable for Negligence

Subject to Section 750 of the Companies Act 2006 (if applicable), Section 1 of the Trustee Act 2000 shall not apply to any function of the Trustee, provided that if the Trustee fails to show the degree of care and diligence required of it as trustee, nothing in this Trust Deed shall relieve or indemnify it from or against any liability that would otherwise attach to it in respect of any negligence, wilful default or breach of trust of which it may be guilty.

Notwithstanding any provision of this Trust Deed to the contrary, the Trustee shall not in any event be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits, business, goodwill or opportunity), whether or not foreseeable, even if the Trustee has been advised of the likelihood of such loss or damage, unless the claim for loss or damage is made in respect of fraud on the part of the Trustee.

13 Waiver

The Trustee may, without the consent of the Noteholders or Couponholders and without prejudice to its rights in respect of any subsequent breach, from time to time and at any time, only if the Relevant Issuer has demonstrated to its satisfaction that the interests of the Noteholders will not be materially prejudiced thereby, on such terms as seem expedient to it, waive or authorise any breach or proposed breach of any provisions of this Trust Deed or determine that an Event of Default or Potential Event of Default shall not be treated as such, provided that the Trustee shall not do so in contravention of an express direction given by an Extraordinary Resolution or a request made pursuant to Condition 10. No such direction or request shall affect a previous waiver, authorisation or determination. Any such waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, shall be notified by the Relevant Issuer to the Noteholders as soon as practicable.

14 Trustee not Precluded from entering into Contracts

The Trustee and any other person, whether or not acting for itself, may acquire, hold or dispose of any Note, Coupon, Talon or other security (or any interest therein) of the Issuers, the Guarantor or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depositary or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Trustee were not acting as Trustee and need not account for any profit.

15 Modification and Substitution

15.1 Modification: The Trustee may agree without the consent of the Noteholders or Couponholders to any modification to this Trust Deed, the Conditions or the Final Terms that is of a formal, minor or technical nature or is made to correct a manifest error. The Trustee may also so agree to any modification to this Trust Deed that is in its opinion not materially prejudicial to the interests of the Noteholders, but such power does not extend to any such modification as is mentioned in the proviso to paragraph 2 of Schedule 3. In addition, the Trustee shall be obliged to concur with the Issuer in using its reasonable endeavours to effect any Benchmark Amendments in the circumstances and as otherwise set out in Condition 5(k), without the consent or approval of the Noteholders or Couponholders. Any such modification shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, shall be notified to the Noteholders as soon as practicable

15.2 Substitution:

15.2.1 The Trustee shall, at the request of the Issuers but without the consent of the Noteholders or Couponholders, agree to the substitution of the Guarantor or its successor in business and may, without the consent of the Noteholders or

Couponholders, agree to the substitution of any subsidiary of the Guarantor or its successor in business (in each case the **“Substituted Obligor”**) in either case in place of an Issuer or of any previously substituted company as the principal debtor under this Trust Deed, the Notes, the Coupons and the Talons and the Trustee shall, at the request of the Issuers but without the consent of the Noteholders or Couponholders, agree to the substitution of the Guarantor’s successor in business and may, without the consent of the Noteholders or Couponholders, agree to the substitution of any subsidiary of the Guarantor (in each case a **“Substituted Obligor”**) in either case in place of the Guarantor or any previously substituted company as guarantor under this Trust Deed, the Notes, the Coupons and the Talons, in each case provided that:

- (i) a deed is executed or undertaking given by the Substituted Obligor to the Trustee, in each case in form and manner satisfactory to the Trustee, agreeing to be bound by this Trust Deed, the Notes, the Coupons and the Talons (with consequential amendments as the Trustee may deem appropriate) as if the Substituted Obligor had been named in this Trust Deed, the Notes, the Certificates, the Coupons and the Talons as the principal debtor in place of such Issuer or as the guarantor in place of the Guarantor as the case may be;
- (ii) if the Substituted Obligor is subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the **“Substituted Territory”**) other than, or in addition to, the territory to the taxing jurisdiction of which (or to any such authority of or in which) the Relevant Issuer is subject generally (the **“Issuer’s Territory”**), or to which the Guarantor is subject generally (the **“Guarantor’s Territory”**) the Substituted Obligor shall (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 8 with the substitution for, or in addition to, the references in that Condition to such Issuer’s Territory or the Guarantor’s Territory as the case may be of references to the Substituted Territory whereupon the Trust Deed, the Notes, the Certificates, the Coupons and the Talons shall be read accordingly;
- (iii) (unless the Guarantor or its successor in business is the Substituted Obligor in place of an Issuer) without prejudice to the rights of reliance of the Trustee in the following paragraph (iv), the Trustee is satisfied that the relevant transaction is not materially prejudicial to the interests of the Noteholders;
- (iv) any director of the Substituted Obligor shall certify that it will be solvent at the time of the substitution and immediately after such substitution in which case the Trustee need not have regard to the Substituted Obligor’s financial condition, profits or prospects or compare them with those of the Relevant Issuer or the Guarantor or any previous substitute company;
- (v) legal opinion(s) as to English law, (in the case of a substitution of Mondi Europe Finance GmbH only) Austrian law and the law of the jurisdiction of the Substituted Obligor (if different) and as to any other relevant jurisdiction (for example, that of the Guarantor) each dated the date of such

substitution is addressed to and delivered to the Trustee in a form acceptable to, and from legal advisers acceptable to, the Trustee;

- (vi) if the Guarantor or its successor in business is the Substituted Obligor, the Relevant Issuer or the Guarantor delivers to the Trustee a certificate signed by any two Authorised Signatories confirming that, having made all reasonable enquiries, to the best of the knowledge, information and belief of the Authorised Signatories, since the Certification Date of the last certificate provided under Clause 9.5, or (if none) the date of this Trust Deed, no Event of Default or Potential Event of Default has occurred (save for any Potential Event of Default in relation to any event or circumstances referred to in Condition 10(f) where the relevant substitution under this Clause 15 is for the purposes of ensuring that the relevant event or circumstance does not result in an Event of Default);
- (vii) unless the Guarantor or its successor in business is the Substituted Obligor in place of the Relevant Issuer or the Guarantor's successor in business is the Substituted Obligor in place of the Guarantor, when no further requirements shall be imposed, the Relevant Issuer, the Guarantor and the Substituted Obligor comply with such other requirements as the Trustee may direct in the interests of the Noteholders; and
- (viii) (unless the Guarantor or its successor in business is the Substituted Obligor) the obligations of the Substituted Obligor under this Trust Deed, the Notes and the Coupons are guaranteed by the Guarantor in the same terms (with consequential amendments as necessary) as the Guarantee to the Trustee's satisfaction.

In the case of any such substitution the Trustee may agree, without the consent of the Noteholders or the Couponholders, to a change of the law governing the Notes, the Coupons, the Talons and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

15.2.2 Release of Substituted Issuer or Substituted Guarantor: An agreement by the Trustee pursuant to this Clause 15.2 shall, if so expressed, release one or more of the Issuer or the Guarantor (or a previous substitute of either of them) from any or all of its obligations under this Trust Deed, the Notes, the Coupons and the Talons. Notice of the substitution and, if applicable, of any change of law shall be given to the Noteholders within 14 days of the execution of such documents and compliance with such requirements.

15.2.3 Completion of Substitution: On completion of the formalities set out in this Clause 15.2, the Substituted Obligor shall be deemed to be named in this Trust Deed, the Notes, the Certificates, the Coupons and the Talons as the principal debtor in place of the Issuer (or of any previous substitute) or as the guarantor in place of the Guarantor (or of any previous substitute) as the case may be and this Trust Deed, the Notes, the Certificates, the Coupons and the Talons shall be deemed to be amended as necessary to give effect to the substitution.

16 Appointment, Retirement and Removal of the Trustee

16.1 Appointment: Subject as provided in Clause 16.2, the Issuers have the power of appointing new trustees but no-one may be so appointed unless previously approved by an Extraordinary Resolution. A trust corporation shall at all times be a Trustee and may be the sole Trustee. Any appointment of a new Trustee shall be notified by the Issuers to the Noteholders as soon as practicable.

16.2 Retirement and Removal: Any Trustee may retire at any time on giving at least 60 days' written notice to the Issuers and the Guarantor without giving any reason or being responsible for any costs occasioned by such retirement and the Noteholders may by Extraordinary Resolution remove any Trustee provided that the retirement or removal of a sole trust corporation shall not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal, the Issuers shall use all reasonable endeavours to procure that another trust corporation be appointed as Trustee but if it fails to do so before the expiry of such 60 day notice period or within 30 days after the passing of such an Extraordinary Resolution, the Trustee shall have the power to appoint a new Trustee.

16.3 Co-Trustees: The Trustee may, despite Clause 16.1, by written notice to the Issuers and the Guarantor appoint anyone to act either as a separate trustee or as a co-trustee jointly with the Trustee:

16.3.1 if the Trustee considers the appointment to be in the interests of the Noteholders and/or the Couponholders;

16.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

16.3.3 to obtain a judgment or to enforce a judgment or any provision of this Trust Deed in any jurisdiction.

Subject to the provisions of this Trust Deed the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Issuers, the Guarantor and that person remove that person. At the Trustee's request, the Issuers and the Guarantor shall forthwith do all things as may be required to perfect such appointment or removal and it each of them irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

16.4 Competence of a Majority of Trustees: If there are more than two Trustees the majority of them shall be competent to perform the Trustee's functions provided the majority includes a trust corporation.

17 Notes Held in Clearing Systems and Couponholders

17.1 Notes Held in Clearing Systems: So long as any Global Note is, or any Notes represented by a Global Certificate are, held on behalf of a clearing system, in considering the interests of Noteholders, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders or participants with entitlements to any such Global Note or the Registered Notes and may consider such interests on the basis that such accountholders or participants were the holder(s) thereof.

17.2 Couponholders: No notices need be given to Couponholders. They shall be deemed to have notice of the contents of any notice given to Noteholders. Even if it has express notice to the contrary, in exercising any of its functions by reference to the interests of the Noteholders, the Trustee shall assume that the holder of each Note is the holder of all Coupons and Talons relating to it.

18 Currency Indemnity

18.1 Currency of Account and Payment: The Contractual Currency is the sole currency of account and payment for all sums payable by the Issuers or the Guarantor under or in connection with this Trust Deed, the Notes and the Coupons, including damages.

18.2 Extent of Discharge: An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Issuers or the Guarantor or otherwise), by the Trustee or any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuers or Guarantor shall only discharge the Issuers and Guarantor to the extent of the Contractual Currency amount that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

18.3 Indemnity: If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under this Trust Deed, the Notes or the Coupons, the Relevant Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Relevant Issuer shall indemnify the recipient against the cost of making any such purchase.

18.4 Indemnity Separate: The indemnities in this Clause 18 and in Clause 10.4 constitute separate and independent obligations from the other obligations in this Trust Deed, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee and/or any Noteholder or Couponholder and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed, the Notes and/or the Coupons or any other judgment or order.

19 Communications

19.1 Method: Each communication under this Trust Deed shall be made by fax, electronic communication or otherwise in writing. Each communication or document to be delivered to any party under this Trust Deed shall be sent to that party at the fax number, postal address or electronic address, and marked for the attention of the person (if any), from time to time designated by that party to each other party for the purpose of this Trust Deed. The initial telephone number, fax number, postal address, electronic address and person so designated by the parties under this Trust Deed are set out in the Procedures Memorandum.

19.2 Deemed Receipt: Any communication from any party to any other under this Trust Deed shall be effective, (if by fax) when the relevant delivery receipt is received by the sender, (if in writing) when delivered and (if by electronic communication) when the relevant receipt of such communication being read is given, or where no read receipt is requested by the sender, at the time of sending, provided that no delivery failure notification is received by

the sender within 24 hours of sending such communication; provided that any communication which is received (or deemed to take effect in accordance with the foregoing) after 5:00pm on a business day or on a non-business day in the place of receipt shall be deemed to take effect at the opening of business on the next following business day in such place. Any communication delivered to any party under this Trust Deed which is to be sent by fax or electronic communication will be written legal evidence.

20 Counterparts

This Trust Deed and any trust deed supplemental hereto may be executed and delivered in any number of counterparts, all of which, taken together, shall constitute one and the same deed and any party to this Trust Deed or any trust deed supplemental hereto may enter into the same by executing and delivering a counterpart.

21 Governing Law and Jurisdiction

21.1 Governing Law: This Trust Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

21.2 Submission to jurisdiction: Each of the Issuers and the Guarantor irrevocably agrees for the benefit of the Trustee, the Noteholders and the Couponholders that the courts of England are to have exclusive jurisdiction to settle any dispute which may arise out of or in connection with this Trust Deed (including a dispute relating to any non-contractual obligations arising out of or in connection with this Trust Deed) and accordingly submits to the exclusive jurisdiction of the English courts. Each of the Issuers and the Guarantor waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. The Trustee, the Noteholders and the Couponholders may take any suit, action or proceeding arising out of or in connection with these presents (including any suit, action or proceedings relating to any non-contractual obligations arising out of or in connection with this Trust Deed) (together referred to as "**Proceedings**") against each of the Issuers and the Guarantor in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

Interpretation and Definitions

References in this temporary Global Note to the “**Conditions**” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the Trust Deed dated 25 March 2010, as amended and restated on 15 April 2011, 4 May 2012, 8 May 2013, 25 June 2014, 2 June 2016, 4 April 2017, 12 April 2018 and 26 March 2020 (as amended or supplemented as at the Issue Date, the “**Trust Deed**”) between the Issuer, the other issuer named therein, the Guarantor and Deutsche Trustee Company Limited as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this temporary Global Note (including the supplemental definitions and any modifications or additions set out in Part A of the Second Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this temporary Global Note shall have the meanings given to them in the Conditions or the Trust Deed. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either “C Rules” or “not applicable”, this temporary Global Note is a “C Rules Note”, otherwise this temporary Global Note is a “D Rules Note”.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing and Paying Agent upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest in a permanent Global Note or for Definitive Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby all as described below.

Promise to Pay

Subject as provided herein, the Issuer, for value received, promises to pay to the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable

in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this temporary Global Note and (unless this temporary Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

On or after the first day following the expiry of 40 days after the Issue Date (the “**Exchange Date**”), this temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a D Rules Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests in a permanent Global Note or, if so specified in the Second Schedule hereto, for Definitive Notes in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange provided that, in the case of any part of a D Rules Note submitted for exchange for a permanent Global Note or Definitive Notes, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

“**Certification**” means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 4 to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 3 to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes.

The Definitive Notes for which this temporary Global Note or a permanent Global Note may be exchangeable shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Second Schedule hereto.

On any exchange of a part of this temporary Global Note for an equivalent interest in a permanent Global Note or for Definitive Notes, as the case may be, the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in Part I of the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein, this temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note or for Definitive Notes, the holder of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the permanent

Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a permanent Global Note or delivery of Definitive Notes, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of, to or to the order of, the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. If any payment in full of principal is made in respect of any Note represented by this temporary Global Note, the portion of this temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuing and Paying Agent on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made).

For the purposes of any payments made in respect of this temporary Global Note, the words “in the relevant place of presentation” shall not apply in the definition of “**business day**” in Condition 7(h).

Cancellation

Cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this temporary Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Notices

Notices required to be given in respect of the Notes represented by this temporary Global Note may be given by their being delivered (so long as this temporary Global Note is held on behalf of Euroclear and Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this temporary Global Note, rather than by publication as required by the Conditions.

No provision of this temporary Global Note shall alter or impair the obligation of the Issuer and the Guarantor to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions and the Guarantee.

This temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

Interpretation and Definitions

References in this permanent Global Note to the “**Conditions**” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the Trust Deed dated 25 March 2010, as amended and restated on 15 April 2011, 4 May 2012, 8 May 2013, 25 June 2014, 2 June 2016, 4 April 2017, 12 April 2018 and 26 March 2020 (as amended or supplemented as at the Issue Date, the “**Trust Deed**”) between the Issuer, the other issuer named therein, the Guarantor and Deutsche Trustee Company Limited as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this permanent Global Note (including the supplemental definitions and any modifications or additions set out in Part A of the Third Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this permanent Global Note shall have the meanings given to them in the Conditions or the Trust Deed.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this permanent Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing and Paying Agent upon (i) the exchange of the whole or a part of the temporary Global Note initially representing the Notes for a corresponding interest herein (in the case of Notes represented by a temporary Global Note upon issue), (ii) the issue of the Notes represented hereby (in the case of Notes represented by this permanent Global Note upon issue), (iii) the exchange of the whole or, where the limited circumstances so permit, a part of this permanent Global Note for Definitive Notes and/or (iv) the redemption or purchase and cancellation of Notes represented hereby all as described below.

Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this permanent Global Note, upon presentation and (when no further payment is due in respect of this permanent Global Note) surrender of this permanent Global Note, on the Maturity Date (or on

such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this permanent Global Note and (unless this permanent Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

This permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided in the next paragraph, in part for the Definitive Notes if (i) this permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so or (ii) an Event of Default (as defined in Condition 10) has occurred and is continuing.

“**Exchange Date**” means a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and, except in the case of exchange above, in the cities in which Euroclear and Clearstream, Luxembourg or, if relevant, the Alternative Clearing System, are located.

Any such exchange may be effected on or after an Exchange Date by the holder of this permanent Global Note surrendering this permanent Global Note or, in the case of a partial exchange, presenting it for endorsement to or to the order of the Issuing and Paying Agent. In exchange for this permanent Global Note, or part thereof to be exchanged, the Issuer shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes in an aggregate nominal amount equal to the nominal amount of this permanent Global Note submitted for exchange (if appropriate, having attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this permanent Global Note), security printed and substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Third Schedule hereto.

On any exchange of a part of this permanent Global Note the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein, this permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this permanent Global Note is exchanged for Definitive Notes, the holder of this permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this permanent Global Note for exchange, delivery of Definitive Notes is improperly

withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of, to or to the order of, the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto, as appropriate, by the Issuing and Paying Agent or by the relevant Paying Agent, for and on behalf of the Issuing and Paying Agent, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made.

For the purposes of any payments made, the words “in the relevant place of presentation” shall not apply in the definition of “business day” in Condition 7(h).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this permanent Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and 5 years (in the case of interest) from the appropriate Relevant Date.

Meetings

For the purposes of any meeting of Noteholders, the holder of this permanent Global Note shall at any meeting of Noteholders be treated as having one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Cancellation

Cancellation of any Note represented by this permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this permanent Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes may only be purchased by the Relevant Issuer, the Guarantor or any of their respective subsidiaries if they are purchased together with the right to receive all future payments of interest thereon.

Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the accountholders giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions, of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means)

in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and at the same time presenting or procuring the presentation of this permanent Global Note to the Issuing and Paying Agent or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation accordingly in the Fourth Schedule hereto, and stating the nominal amount of Notes in respect of which the option is exercised.

Notices

Notices required to be given in respect of the Notes represented by this permanent Global Note may be given by their being delivered (so long as this permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this permanent Global Note, rather than by publication as required by the Conditions.

Negotiability

This permanent Global Note is a bearer document and negotiable and accordingly:

- 1** is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- 2** the holder of this permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this permanent Global Note and the Issuer has waived against such holder and any previous holder of this permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- 3** payment upon due presentation of this permanent Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this permanent Global Note.

No provisions of this permanent Global Note shall alter or impair the obligation of the Issuer and the Guarantor to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions and the Guarantee.

This permanent Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any failure to make the entries in the records of the relevant Clearing Systems referred to herein shall not affect such discharge. If any payment in full or in part of principal is made in respect of any Note represented by this temporary Global Note the Issuer shall procure that details of such payment shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed. If any other payments are made in respect of the Notes represented by this temporary Global Note, the Issuer shall procure that a record of each such payment shall be entered *pro rata* in the records of the relevant Clearing Systems. Condition 7(e)(vii) and Condition 8(e) will apply to the Definitive Notes only.

For the purposes of any payments made in respect of this temporary Global Note, the words "in the relevant place of presentation" shall not apply in the definition of "**business day**" in Condition 7(h).

No provision of this temporary Global Note shall alter or impair the obligation of the Issuer and the Guarantor to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions and the Guarantee.

This temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent and effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems.

These terms and conditions (the “**Conditions**”) include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons referred to below. An Amended and Restated Agency Agreement dated 26 March 2020 (as further amended or restated and/or supplemented as at the Issue Date or from time to time, the “**Agency Agreement**”) has been entered into in relation to the Notes between the Issuers, the Guarantor, the Trustee, Deutsche Bank AG, London Branch as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the other paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Issuing and Paying Agent**”, the “**Paying Agents**” (which expression shall include the Issuing and Paying Agent), the “**Registrar**”, the “**Transfer Agents**” (which expression shall include the Registrar) and the “**Calculation Agent(s)**”. Copies of the Trust Deed and the Agency Agreement are available for inspection during usual business hours at the office of the Trustee (presently at Winchester House, 1 Great Winchester Street, London EC2N 2DB, United Kingdom) and at the specified offices of the Paying Agents and the Transfer Agents.

References in these Conditions to the “**Issuer**” shall be to the party specified as such in the applicable Final Terms.

Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Trust Deed and the Agency Agreement, the Trust Deed will prevail and, in the event of inconsistency between the Trust Deed or the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

The Noteholders, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “**Talons**”) (the “**Couponholders**”) relating to Notes in bearer form are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

As used in these Conditions, “**Tranche**” means Notes which are identical in all respects.

1 Form, Denomination and Title

The Notes are issued in bearer form (“**Bearer Notes**”) or in registered form (“**Registered Notes**”) in each case in the Specified Denomination(s) shown hereon provided that the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

All Registered Notes shall have the same Specified Denomination.

This Note is a Fixed Rate Note, a Floating Rate Note or a Zero Coupon Note, or a combination of any of the foregoing depending upon the Interest Basis shown in the applicable Final Terms.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

Registered Notes are represented by registered certificates (“**Certificates**”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “**Register**”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “**Noteholder**” means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), “**holder**” (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 No Exchange of Notes and Transfers of Registered Notes

(a) *No Exchange of Notes*

Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes may not be exchanged for Registered Notes.

(b) *Transfer of Registered Notes*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that

holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Condition 2(b) or (c) shall be available for delivery within three business days of receipt of the form of transfer or Exercise Notice (as defined in Condition 6(e)) and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), “**business day**” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Transfers Free of Charge*

Transfers of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Guarantor, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) *Closed Periods*

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption in respect of, that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3 Guarantee and Status

(a) *Guarantee*

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Trust Deed, the Notes and the Coupons. Its obligations in that respect (the “**Guarantee**”) are contained in the Trust Deed.

(b) *Status of Notes and Guarantee*

The Notes and Coupons relating to them constitute direct, unconditional, unsubordinated and (subject to Condition 4) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The Guarantee constitutes a direct, unconditional, unsubordinated and (subject to Condition 4) unsecured obligation of the Guarantor. The payment obligations of the Issuer under the Notes and the Coupons and of the Guarantor under the Guarantee shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer and the Guarantor respectively, present and future.

4 Negative Pledge

5 Interest and other Calculations

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(f).

(b) *Interest on Floating Rate Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(f). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest*

The Rate of Interest for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this paragraph (A), “**ISDA Definitions**” means the 2006 ISDA Definitions as updated and amended as at the Issue Date (as published by the International Swaps and Derivatives Association, Inc.) and “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination

- (x) Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided hereon.

- (y) If the Relevant Screen Page is not available or if paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as

provided below, the Issuer and/or an agent appointed by the Issuer shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal eurozone office of each of the Reference Banks, to provide the Issuer and/or an agent appointed by the Issuer with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Issuer and/or an agent appointed by the Issuer with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.

- (z) If paragraph (y) above applies and the Issuer and/or an agent appointed by the Issuer determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Issuer and/or an agent appointed by the Issuer by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London interbank market or, if the Reference Rate is EURIBOR, the eurozone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Issuer and/or an agent appointed by the Issuer with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Issuer and/or an agent appointed by the Issuer it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the eurozone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(C) Linear Interpolation

Where Linear Interpolation is specified hereon as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates

based on the relevant Reference Rate (where Screen Rate Determination is specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent shall determine such rate at such time and by reference to such sources as the Issuer or an independent third party selected by the Issuer determines appropriate.

“**Applicable Maturity**” means: (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate, and (b) in relation to ISDA Determination, the Designated Maturity.

(c) Zero Coupon Notes

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)(i)).

(d) Accrual of Interest

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(e) Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding:

- (i) If any Margin is specified hereon (either (x) generally or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified hereon, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “**unit**” means the lowest amount of such currency that is available as legal tender in the countries of such currency.

(f) ***Calculations***

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(g) ***Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts***

The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or any Optional Redemption Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and repayable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

 - (A) subject to paragraph (C) below, from and including the first Interest Payment Date falling on or after the date of a Step Up Rating Change, the Rate of Interest payable on the Notes shall be the Initial Rate of Interest plus the Step Up Margin specified hereon;
 - (B) subject to paragraph (C) below, in the event of a Step Down Rating Change following a Step Up Rating Change, with effect from and including the first Interest Payment Date falling on or after the date of such Step Down Rating Change, the Rate of Interest payable on the Notes shall be decreased by the Step Up Margin specified hereon so that it again becomes the Initial Rate of Interest; and
 - (C) if a Step Up Rating Change and, subsequently, a Step Down Rating Change occur during the same Interest Period, the Rate of Interest payable on the Notes shall neither be increased nor decreased as a result of either such event.
- (ii) The Issuer and the Guarantor shall use all reasonable efforts to maintain a credit rating for the Notes from each Adjustment Rating Agency.

- (iii) The Issuer will cause the occurrence of a Rate Adjustment to be notified to the Trustee, the Paying Agents and (in accordance with Condition 16) the Noteholders as soon as reasonably practicable after the occurrence of the relevant event but in no event later than the fifth London Business Day thereafter.
- (iv) Notwithstanding any other provision contained herein, there shall be no limit on the number of times that the Rate of Interest may be adjusted pursuant to a Step Up Rating Change or a Step Down Rating Change during the term of the Notes, provided that at no time during the term of the Notes will the Rate of Interest be less than the Initial Rate of Interest or more than the Initial Rate of Interest plus the Step Up Margin specified hereon.

In these Conditions:

“Adjustment Rating Agency” means each of Moody’s Investors Service, Inc. (**“Moody’s”**) and Standard & Poor’s Rating Services, a division of The McGraw-Hill Companies, Inc. (**“S&P”**), or their respective successors or any rating agency (an **“Adjustment Substitute Rating Agency”**) substituted for any of them by the Issuer from time to time with the prior written approval of the Trustee.

“Initial Rate of Interest” means the initial Rate of Interest that is either specified hereon or calculated in accordance with the provisions hereon.

“Minimum Rating Requirement” means that the Notes have been publicly assigned an investment grade rating BBB- or above in the case of S&P, Baa3 or above in the case of Moody’s, or, where an Adjustment Substitute Rating Agency has been substituted by the Issuer, a comparable rating or above (**“Investment Grade”**) by at least one of the Adjustment Rating Agencies.

“Rate Adjustment” means each of the events giving rise to an adjustment to the Rate of Interest payable on the Notes as described in (i)(A) and (i)(B) above.

“Step Down Rating Change” means the reinstatement of the Minimum Rating Requirement following the occurrence of a Step Up Rating Change.

“Step Up Rating Change” means a failure to meet the Minimum Rating Requirement at any time after the Issue Date. If the rating designations employed by either Moody’s or S&P are changed from those which are described in the definition of **“Minimum Rating Requirement”** above, or if a rating is procured from an Adjustment Substitute Rating Agency, the Issuer or the Guarantor shall determine, with the agreement of the Trustee, the rating designations of Moody’s or S&P or such Adjustment Substitute Rating Agency (as appropriate) as are most equivalent to the prior rating designations of Moody’s or S&P and this Condition 5(j) shall be construed accordingly.

(k) Benchmark Discontinuation

(i) Independent Adviser

If the Issuer determines that a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 5(k)(ii)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 5(k)(iii)). In making such determination, the Independent Adviser appointed pursuant to this Condition 5(k) shall act in consultation with the Issuer and shall act in good faith and in a commercially reasonable manner as an expert. In the absence of bad faith, wilful default or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Guarantor,

the Trustee, the Paying Agents, the Noteholders or the Couponholders for any determination made by it, pursuant to this Condition 5(k).

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate and in either case, an Adjustment Spread in accordance with this Condition 5(k)(i) prior to the date five Business Days prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Accrual Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Accrual Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. Where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period shall be substituted in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Accrual Period only and any subsequent Interest Accrual Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 5(k)(i).

(ii) *Successor Rate or Alternative Rate*

If the Independent Adviser acting in good faith determines that:

- (A) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 5(k)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 5(k)).

(iii) *Benchmark Amendments*

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 5(k) and the Independent Adviser acting in good faith determines (i) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (provided that such amendments do not, without the consent of the Calculation Agent impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions and/or rights afforded to it) (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 5(k)(iv), without any requirement for the consent or approval of Noteholders or Couponholders, vary these Conditions and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer or the Guarantor pursuant to Condition 5(k)(iv), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders or Couponholders, be obliged to concur with the

Issuer in using its reasonable endeavours to effect any Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Trust Deed) and for the avoidance of doubt, the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or reduce or amend the protective provisions and/or rights afforded to the Trustee in these Conditions or the Trust Deed or any other document to which it is a party (including, for the avoidance of doubt, any supplemental trust deed) in any way.

In connection with any such variation in accordance with this Condition 5(k)(iii), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(iv) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 5(k) will be notified no later than five Business Days prior to the relevant Interest Determination Date by the Issuer to the Trustee, the Calculation Agent, the Paying Agents and, in accordance with Condition 16, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee, the Calculation Agent and the Paying Agents a certificate signed by two Authorised Signatories of the Issuer or the Guarantor:

- (A) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the applicable Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 5(k); and
- (B) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

Each of the Trustee, the Calculation Agent and the Paying Agents shall be entitled to rely on such certificate (without liability or enquiry to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's or the Calculation Agent's or the Paying Agents' ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

(v) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under Condition 5(k)(i), 5(k)(ii) and 5(k)(iii), the Original Reference Rate and the fallback provisions provided for in Condition 5(b)(iii)(B) will continue to apply unless and until the Issuer determines that a Benchmark Event has occurred.

Notwithstanding any other provision of this Condition 5(k), if in the Calculation Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 5(k), the Calculation Agent shall

promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing as to which alternative course of action to adopt. If the Calculation Agent is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so.

(vi) *Definitions:*

As used in this Condition 5(k):

“**Adjustment Spread**” means either (a) a spread (which may be positive, negative or zero) or (b) a formula or methodology for calculating a spread, in each case to be applied to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Independent Adviser determines is customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or (if the Independent Adviser determines that no such spread is customarily applied)
- (iii) the Independent Adviser determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be);
- (iv) if no such spread, formula or methodology can be determined in accordance with (i) to (iii) above, the Independent Adviser, acting in good faith and in a commercially reasonable manner, determines to be appropriate, having regard to the objective, so far as is reasonably practicable in the circumstances and solely for the purposes of this sub-clause (iv) of reducing or eliminating any economic prejudice or benefit (as the case may be) to the Noteholders as a result of the replacement of the Original Reference Rate with the Successor Rate or Alternative Rate.

“**Alternative Rate**” means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 5(k)(ii) is customarily applied in international debt capital markets transactions for the purposes of determining rates of interest (or the relevant component part thereof) in the same Specified Currency as the Notes and with an interest period of comparable duration to the relevant Interest Accrual Period or, if the Independent Adviser determines that there is no such rate, such other rate as the Independent Adviser determines in its sole discretion is most comparable to the relevant Original Reference Rate.

“**Benchmark Amendments**” has the meaning given to it in Condition 5(k)(iii).

“**Benchmark Event**” means:

- (i) the Original Reference Rate ceasing to be published for a period of at least 5 Business Days or ceasing to exist; or

- (ii) a public statement by the administrator of the Original Reference Rate that it has ceased or that it will cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or
- (iii) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will be permanently or indefinitely discontinued; or
- (iv) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or in respect of the Notes; or
- (v) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate is no longer representative of its relevant underlying market; or
- (vi) it has, or will prior to the next Interest Payment Date, become unlawful for any Paying Agent, the Calculation Agent, the Issuer or other party to calculate any payments due to be made to any Noteholder using the Original Reference Rate,

provided that in the case of sub-paragraphs (ii) to (v) above, the Benchmark Event shall occur on the date of the cessation of publication of the Original Reference Rate, the discontinuation of the Original Reference Rate, the prohibition of use of the Original Reference Rate or the date so specified with effect from which the Original Reference Rate will no longer be representative of its relevant underlying market, as the case may be, and not the date of the relevant public statement or official announcement.

“Independent Adviser” means an independent financial institution of international repute or an independent financial adviser with appropriate expertise in the international debt capital markets appointed by the Issuer at its own cost under Condition 5(k)(i).

“Original Reference Rate” means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes.

“Relevant Nominating Body” means, in respect of a benchmark or screen rate (as applicable):

- (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof.

“Successor Rate” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

6 Redemption, Purchase and Options

(a) *Final Redemption*

Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount in the relevant Specified Currency on the Maturity Date.

(b) *Early Redemption*

(i) *Zero Coupon Notes*

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (B) Subject to the provisions of paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in paragraph (B) above, except that such paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(ii) *Other Notes*

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified hereon.

(c) *Redemption for Taxation Reasons*

The Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date (if this Note is a Floating Rate Note) or at any time (if this Note is not a Floating Rate Note), on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 16 (which notice shall be irrevocable), the Trustee and the Issuing and Paying Agent, at their Early Redemption Amount (as described in Condition 6(b) above) (together with interest accrued to (but excluding) the date fixed for redemption), if the Issuer satisfies the Trustee immediately before the giving of such notice that (i) on the occasion of the next payment due under the Notes it has or will

become obliged to pay additional amounts as described under Condition 8, or the Guarantor would be unable to procure payment by the Issuer and in making payment itself would be required to pay such additional amounts, in each case as a result of any change in, or amendment to, the laws or regulations of the Relevant Tax Jurisdiction (as defined in Condition 8) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes, and (ii) such obligation cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer (or the Guarantor, as the case may be) would be obliged to pay such additional amounts were a payment in respect of the Notes (or the Guarantee, as the case may be) then due. Prior to the publication of any notice of redemption pursuant to this Condition 6(c), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer (or the Guarantor, as the case may be) stating that the condition in (i) above applies and the obligation referred to in (i) above cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out in (i) and (ii) above, in which event it shall be conclusive and binding on Noteholders and Couponholders.

(d) *Redemption at the Option of the Issuer*

If Call Option is specified hereon, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon), in accordance with Condition 16, and to the Trustee, redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to (but excluding) the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes, or in the case of Registered Notes shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

(e) *Redemption at the Option of Noteholders*

If Put Option is specified hereon, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to (but excluding) the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the

notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) Redemption Following Change of Control

If Change of Control Put Event is specified hereon and a Change of Control Put Event occurs, the holder of any such Note will have the option (a “**Change of Control Put Option**”) (unless prior to the giving of the relevant Change of Control Put Event Notice (as defined below) the Issuer has given notice of redemption under Condition 6(c) or 6(d) above) to require the Issuer to redeem or, at the Issuer’s option, purchase (or procure the purchase of) that Note on the Change of Control Put Date (as defined below) at its Change of Control Optional Redemption Amount (as specified in the Final Terms) together with interest accrued to (but excluding) the Change of Control Put Date.

A “**Change of Control Put Event**” will be deemed to occur if:

(i) any person or any persons acting in concert (as defined in the City Code on Takeovers and Mergers), other than a holding company (as defined in Section 1159 of the Companies Act 2006 as amended) whose shareholders are or are to be substantially similar to the pre-existing shareholders of the Issuer, shall become interested (within the meaning of Part 22 of the Companies Act 2006 as amended) in (A) more than 50 per cent. of the issued or allotted ordinary share capital of the Guarantor or (B) shares in the capital of the Guarantor carrying more than 50 per cent. of the voting rights normally exercisable at a general meeting of the Guarantor (each such event being a “**Change of Control**”); and

(ii) on the date (the “**Relevant Announcement Date**”) that is the earlier of (1) the date of the first public announcement of the relevant Change of Control and (2) the date of the earliest Relevant Potential Change of Control Announcement (if any), either:

(A) the Notes carry an Investment Grade rating from at least two Rating Agencies and any such rating is, within the Change of Control Period, downgraded to Non-Investment Grade and such rating is not within the Change of Control Period restored to an Investment Grade Rating by such Rating Agency or replaced by an Investment Grade Rating of another Rating Agency, or any such Rating Agency withdraws its rating of the Notes and the rating of such Rating Agency is not within the Change of Control Period replaced by an Investment Grade rating of another Rating Agency (a “**Negative Rating Event**”); or

(B) the Notes do not have an Investment Grade rating from at least two Rating Agencies and the Issuer and/or the Guarantor is unable to acquire and maintain an Investment Grade rating for the Notes during the Change of Control Period from at least two Rating Agencies;

provided that if at the time of the occurrence of the Change of Control the Notes carry a credit rating from more than two Rating Agencies, the Issuer shall be entitled to determine which two Rating Agencies shall be relevant for the purposes of this provision; and

(iii) in making any decision to downgrade or withdraw any credit rating pursuant to paragraph (ii) above or to decline to confer on Investment Grade Rating, the relevant Rating Agency announces publicly or confirms in writing to the Issuer, the Guarantor or the Trustee that such decision(s) resulted, in whole or in part, from the occurrence of the Change of Control or the Relevant Potential Change of Control Announcement.

Promptly upon the Issuer becoming aware that a Change of Control Put Event has occurred and in any case not later than 10 business days thereafter, the Issuer shall, and at any time upon the Trustee becoming similarly so aware the Trustee may, and if so requested by the holders of at

least one-fifth in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders, shall (subject in each case to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction) give notice (a “**Change of Control Put Event Notice**”) to the Trustee (in the case of a notice from the Issuer) to the Noteholders in accordance with Condition 16 specifying the nature of the Change of Control Put Event and the procedure for exercising the Change of Control Put Option.

To exercise the Change of Control Put Option, the holder of a Bearer Note must deliver such Note to the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the period (the “**Change of Control Put Period**”) of 30 days (or such longer period as may be specified hereon) after a Change of Control Put Event Notice is given, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a “**Change of Control Put Notice**”). The Note should be delivered together with all Coupons appertaining thereto maturing after the date which is seven days after the expiration of the Change of Control Put Period (“**Unmatured Coupons**”) (the “**Change of Control Put Date**”), failing which, in the case of Fixed Rate Notes only, the Paying Agent will require payment from or on behalf of the Noteholder of an amount equal to the face value of any missing such Coupon. Any amount so paid will be reimbursed to the Noteholder against presentation and surrender of the relevant missing Coupon (or any replacement therefor issued pursuant to Condition 14) at any time after such payment, but before the expiry of the period of five years from the date on which such Coupon would have become due, but not thereafter. Unmatured Coupons relating to Notes other than Fixed Rate Notes (whether or not attached to them) will become void upon the Change of Control Put Date. The Paying Agent to which such Note and Change of Control Put Notice are delivered will issue to the Noteholder concerned a non-transferable receipt in respect of the Note so delivered. Payment in respect of any Note so delivered will be made, if the holder duly specified a bank account in the Change of Control Put Notice to which payment is to be made, on the Change of Control Put Date by transfer to that bank account and, in every other case, on or after the Change of Control Put Date against presentation and surrender or (as the case may be) endorsement of such receipt at the specified office of any Paying Agent. A Change of Control Put Notice, once given, shall be irrevocable. For the purposes of these Conditions, receipts issued pursuant to this Condition 6(f) shall be treated as if they were Notes.

To exercise the Change of Control Put Option, the holder of a Registered Note must deposit the Certificate evidencing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly signed and completed Change of Control Put Notice obtainable from the Registrar or any Transfer Agent within the Change of Control Put Period. No Certificate so deposited and option so exercised may be withdrawn without the prior consent of the Issuer. Payment in respect of any Certificate so deposited will be made, if the holder duly specified a bank account in the Change of Control Put Notice to which payment is to be made, on the Change of Control Put Date by transfer to that bank account and, in every other case, by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register, and in each case, the Transfer Agent will issue a receipt as evidence of such payment.

The Issuer shall redeem or purchase (or procure the purchase of) the relevant Notes on the Change of Control Put Date unless previously redeemed (or purchased) and cancelled.

If 85 per cent. or more in principal amount of the Notes outstanding immediately prior to the Change of Control Put Date have been redeemed or purchased pursuant to this Condition 6(f), the Issuer may, on giving not less than 30 nor more than 60 days’ notice to the Noteholders (or such other notice period as may be specified hereon), in accordance with Condition 16, and to

the Trustee (such notice being given within 30 days after the Change of Control Put Date), redeem or purchase (or procure the purchase of), at its option, all but not some only of the remaining outstanding Notes at 100 per cent. of their principal amount, together with interest accrued to (but excluding) the date fixed for such redemption or purchase.

The Trustee is under no obligation to ascertain whether a Change of Control Put Event or Change of Control or any event which could lead to the occurrence of or could constitute a Change of Control Put Event or Change of Control has occurred, or to seek any confirmation from any Rating Agency pursuant to paragraph (iii) above, and, until it shall have actual knowledge or notice pursuant to the Trust Deed to the contrary, the Trustee may assume that no Change of Control Put Event or Change of Control or other such event has occurred.

In this Condition 6(f):

“**Change of Control Period**” means the period commencing on the Relevant Announcement Date and ending 90 days after the Change of Control (or such longer period for which the Notes are under consideration (such consideration having been announced publicly within the period ending 90 days after the Change of Control) for rating review or, as the case may be, rating by a Rating Agency, such period not to exceed 60 days after the public announcement of such consideration);

“**Investment Grade**” means, with respect to a rating given by a Rating Agency, an investment grade credit rating (Baa3 or BBB-, as the case may be, or equivalent, or better) from such Rating Agency;

“**Non-Investment Grade**” means, with respect to a rating given by a Rating Agency, that such rating is not Investment Grade;

“**Rating Agency**” means Moody’s, Fitch Ratings Ltd. (“**Fitch**”) or S&P or any of their respective successors or any rating agency (a “**Substitute Rating Agency**”) substituted for any of them by the Issuer or the Guarantor from time to time with the prior written approval of the Trustee but excluding any rating agency providing a rating of the Notes on an unsolicited basis; and

“**Relevant Potential Change of Control Announcement**” means any public announcement or statement by or on behalf of the Guarantor, any actual or potential bidder or any adviser acting on behalf of any actual or potential bidder relating to any potential Change of Control where within 180 days following the date of such announcement or statement, a Change of Control occurs.

If the rating designations employed by any of Moody’s, Fitch or S&P are changed from those which are described in the definition of “*Negative Rating Event*” above, or if a rating is procured from a Substitute Rating Agency, the Issuer or the Guarantor shall determine, with the agreement of the Trustee, the rating designations of Moody’s, Fitch or S&P or such Substitute Rating Agency (as appropriate) as are most equivalent to the prior rating designations of Moody’s, Fitch or S&P and this Condition 6(f) shall be construed accordingly.

(g) Purchases

Each of the Issuer, the Guarantor and their respective subsidiaries may at any time purchase Notes (provided that all Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Such Notes may be held, reissued, resold or, at the option of the Issuer, the Guarantor or the relevant subsidiary, surrendered for cancellation.

(h) Cancellation

All Notes purchased by or on behalf of the Issuer, the Guarantor or any of their respective subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer and the Guarantor in respect of any such Notes shall be discharged.

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the Notes (in the case of payments of principal and, in the case of interest, as specified in Condition 7(f)(v)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. “**Bank**” means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET2 System.

(b) Registered Notes

- (i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the “**Record Date**”). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register on the relevant Record Date. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Laws

Save as provided in Condition 8, all payments are subject in all cases to any applicable laws, regulations and directives in the place of payment and neither the Issuer nor the Guarantor will be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations or

agreements. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and the Guarantor and their respective specified offices are listed below. Save as set out in the Trust Deed, the Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and the Guarantor and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer and the Guarantor reserve the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities, and (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed in each case, as approved by the Trustee.

In addition, the Issuer and the Guarantor shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) *Unmatured Coupons and unexchanged Talons*

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes such Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.

- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) Non-Business Days

If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “**Financial Centres**” hereon and:

In that event, the Issuer or, as the case may be, the Guarantor shall pay such additional amounts as shall result in receipt by the Noteholders and Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note or Coupon:

(c) ***Presentation more than 30 days after the Relevant Date***

(a) Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Issuer, the Guarantor, the Trustee or by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding, and shall be convened by the Issuer at the written request of such proportion of Noteholders. The quorum for any meeting convened to consider an Extraordinary Resolution shall be one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the principal amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, including the method of

Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

The Trust Deed provides that a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

The Trust Deed provides that, for so long as Notes are held in global form through a clearing system, consents given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holder(s) of not less than three quarters in principal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) *Modification, Waiver, Authorisation and Determination*

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of these Conditions, the Final Terms or the Trust Deed that is of a formal, minor or technical nature or is made to correct a manifest error or an error which is, in the opinion of the Trustee, proven, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed or determine, without any such consent as aforesaid, that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such (provided that, in any case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders). In addition, the Trustee shall be obliged to concur with the Issuer in using its reasonable endeavours to effect any Benchmark Amendments in the circumstances and as otherwise set out in Condition 5(k), without the consent or approval of the Noteholders or Couponholders.

Any such modification, authorisation, determination or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders in accordance with Condition 16 as soon as practicable.

(c) *Substitution*

The Trust Deed contains provisions requiring the Trustee to agree, at the request of the Issuer but without the consent of the Noteholders or the Couponholders, to the substitution of the Guarantor or its successor in business (as defined in the Trust Deed) in place of the Issuer as principal debtor under the Notes or to the substitution of the successor in business of the Guarantor in place of the Guarantor as guarantor under the Trust Deed and the Notes and also contains provisions permitting the Trustee to agree, without the consent of the Noteholders or the Couponholders, to the substitution of any subsidiary of the Guarantor or its successor in business in place of the Issuer or Guarantor, or of any subsidiary of the Guarantor or its successor in business in place of the Issuer of Guarantor, or of any previous substituted company, as principal debtor or guarantor under the Trust Deed and the Notes subject, in each case, to certain conditions set out in the Trust Deed (including that, unless the

Guarantor or its successor in business is the substitute obligor under the Notes and Coupons, the Guarantor shall guarantee the obligations of the substitute obligor). In the case of such a substitution the Trustee may agree, without the consent of the Noteholders or the Couponholders, to a change of the law governing the Notes, the Coupons, the Talons and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders. The Issuer will give notice of such a change of law to the Noteholders in accordance with Condition 16, and such a change of law will be binding on the Noteholders.

(d) *Entitlement of the Trustee*

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Noteholders as a class (but shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, the Guarantor, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 8 and/or any undertaking or covenant given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

12 Enforcement

The Trustee may, at any time, at its discretion and without notice, institute such proceedings and/or any other steps or action (including lodging an appeal in any proceedings) against or in relation to the Issuer and/or the Guarantor as it may think fit to enforce the terms of the Trust Deed, the Notes and the Coupons or otherwise, but it need not take any such proceedings or other steps or action unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-fifth in nominal amount of the Notes outstanding, and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Noteholder or Couponholder may (i) take any steps or action against the Issuer or the Guarantor to enforce the performance of any of the provisions of the Trust Deed, the Notes or the Coupons or (ii) take any other proceedings (including lodging an appeal in any proceedings) in respect of or concerning the Issuer or the Guarantor, in each case unless the Trustee, having become bound so to take any such action, steps or proceedings, fails or is unable to do so within a reasonable period and such failure is continuing.

The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in the jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

13 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured and/or prefunded to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer, the Guarantor and any entity related to the Issuer or the Guarantor without accounting for any profit.

The Trustee may rely without liability to Noteholders or Couponholders on a report, confirmation or certificate or any advice of any financial advisers, financial institution or any other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation or certificate or advice and such report, confirmation or certificate or advice shall be binding on the Issuer, the Guarantor, the Trustee, the Noteholders and the Couponholders.

14 Replacement of Notes, Certificates, Coupons and Talons

Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

15 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

16 Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the Financial Times). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

The Trust Deed, the Notes, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

(b) *Jurisdiction*

Subject to subclause Condition 18(c) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Notes, the Coupons and the Talons, including any dispute as to its existence, validity, interpretation, performance, breach or termination or the consequences of its nullity and any dispute relating to any non-contractual obligations arising out of or in connection with it (a “**Dispute**”) and each party submits to the exclusive jurisdiction of the English courts.

For the purpose of this Condition, the Issuers and the Guarantor each waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.

To the extent allowed by law, the Trustee and, subject only to Condition 12, the Noteholders and the Couponholders may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

Powers of meetings

- 2** A meeting shall, subject to the Conditions and without prejudice to any powers conferred on other persons by this Trust Deed, have power by Extraordinary Resolution:
- 2.1** to sanction any proposal by the Relevant Issuer, the Guarantor or the Trustee for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Noteholders and/or the Couponholders against the Relevant Issuer or the Guarantor, whether or not those rights arise under this Trust Deed;

provided that the special quorum provisions in paragraph 20 shall apply to any Extraordinary Resolution (a "**special quorum resolution**") for the purpose of paragraph 2.2 or 2.8, any of the proposals listed in Condition 11(a) or any amendment to this proviso.

Convening a meeting

- 3 The Relevant Issuer, the Guarantor or the Trustee may at any time convene a meeting. If it receives a written request by Noteholders holding at least 10 per cent. in nominal amount of the Notes of any Series for the time being outstanding, the Relevant Issuer shall convene a meeting of the Noteholders of that Series. Every meeting shall be held at a time and place approved by the Trustee.
- 4 At least 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) shall be given to the Noteholders. A copy of the notice shall be given by the party convening the meeting to the other parties. The notice shall specify the day, time and place of meeting and, unless the Trustee otherwise agrees, the nature of the resolutions to be proposed and shall explain how Noteholders may appoint proxies or representatives, obtain voting certificates and use block voting instructions and the details of the time limits applicable.

Cancellation of meeting

- 5 A meeting that has been validly convened in accordance with paragraph 3 above, may be cancelled by the person who convened such meeting by giving at least 5 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) to the Noteholders (with a copy to the Trustee where such meeting was convened by the Relevant Issuer or to the Relevant Issuer where such meeting was convened by the Trustee). Any meeting cancelled in accordance with this paragraph 5 shall be deemed not to have been convened.

Arrangements for voting on Bearer Notes (whether in definitive form or represented by a Global Note and whether held within or outside a Clearing System) – Voting Certificates

- 6** If a holder of a Bearer Note wishes to obtain a voting certificate in respect of it for a meeting, he must deposit such Bearer Note for that purpose at least 48 hours before the time fixed for the meeting with a Paying Agent or to the order of a Paying Agent with a bank or other depository nominated by the Paying Agent for the purpose. The Paying Agent shall then issue a voting certificate in respect of it.
- 7** A voting certificate shall:
- 7.1** be a document in the English language;
 - 7.2** be dated;
 - 7.3** specify the meeting concerned and (if applicable) the serial numbers of the Notes deposited;
 - 7.4** entitle, and state that it entitles, its bearer to attend and vote at that meeting in respect of those Notes; and
 - 7.5** specify details of evidence of the identity of the bearer of such voting certificate,
- 8** Once a Paying Agent has issued a voting certificate for a meeting in respect of a Note, it shall not release the Note until either:
- 8.1** the meeting has been concluded; or
 - 8.2** the voting certificate has been surrendered to the Paying Agent.

Arrangements for voting on Bearer Notes (whether in definitive form or represented by a Global Note and whether held within or outside a Clearing System) – Block Voting Instructions

- 9** If a holder of a Bearer Note wishes the votes attributable to it to be included in a block voting instruction for a meeting, then, at least 48 hours before the time fixed for the meeting, (i) he must deposit the Note for that purpose with a Paying Agent or to the order of a Paying Agent with a bank or other depository nominated by the Paying Agent for the purpose and (ii) he or a duly authorised person on his behalf must direct the Paying Agent how those votes are to be cast. The Paying Agent shall issue a block voting instruction in respect of the votes attributable to all Notes so deposited.
- 10** A block voting instruction shall:
- 10.1** be a document in the English language;
 - 10.2** be dated;
 - 10.3** specify the meeting concerned;
 - 10.4** list the total number and serial numbers (if applicable) of the Notes deposited, distinguishing with regard to each resolution between those voting for and those voting against it;
 - 10.5** certify that such list is in accordance with Notes deposited and directions received as provided in paragraphs 9, 12 and 15; and

- 10.6** appoint one or more named persons (each a “**proxy**”) to vote at that meeting in respect of those Notes and in accordance with that list.

A proxy need not be a Noteholder.

- 11** Once a Paying Agent has issued a block voting instruction for a meeting in respect of the votes attributable to any Notes:
- 11.1** it shall not release the Notes, except as provided in paragraph 12, until the meeting has been concluded; and
- 11.2** the directions to which it gives effect may not be revoked or altered during the 48 hours before the time fixed for the meeting.
- 12** If the receipt for a Note deposited with a Paying Agent in accordance with paragraph 9 is surrendered to the Paying Agent at least 48 hours before the time fixed for the meeting, the Paying Agent shall release the Note and exclude the votes attributable to it from the block voting instruction.
- 13** Each block voting instruction shall be deposited at least 24 hours before the time fixed for the meeting at such place as the Trustee shall designate or approve, and in default the block voting instructions shall not be valid unless the chairman of the meeting decides otherwise before the meeting proceeds to business. If the Trustee requires, a certified copy of each block voting instruction shall be produced by the proxy at the meeting but the Trustee need not investigate or be concerned with the validity of the proxy’s appointment.
- 14** A vote cast in accordance with a block voting instruction shall be valid even if it or any of the Noteholders’ instructions pursuant to which it was executed has previously been revoked or amended, unless written intimation of such revocation or amendment is received from the relevant Paying Agent by the Relevant Issuer or the Trustee at its registered office or by the chairman of the meeting in each case at least 24 hours before the time fixed for the meeting.

No Note may be deposited with or to the order of a Paying Agent at the same time for the purposes of both paragraph 6 and paragraph 9 for the same meeting.

Arrangements for voting on Registered Notes (whether in definitive form or represented by a Global Certificate and whether held within or outside a Clearing System) – Appointment of Proxy or Representative

- 15** A proxy or representative may be appointed in the following circumstances:
- 15.1** *Proxy:* A holder of a Registered Note may, by an instrument in writing in the English language (a “**form of proxy**”) signed by the holder or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the specified office of the Transfer Agent not less than 48 hours before the time fixed for the relevant meeting, appoint one or more persons (each a “**proxy**”) to act on his behalf in connection with that meeting and any adjourned such meeting.
- 15.2** *Representative:* Any holder of a Registered Note may by delivering to a Transfer Agent not less than 48 hours before the time fixed for a meeting of a resolution of its directors or other governing body authorise any person to act as its representative (a “**representative**”) in connection with any meeting and any adjourned such meeting.

- 15.3** *Other Proxies:* If the holder of a Note is an Alternative Clearing System or a nominee of an Alternative Clearing System and the rules or procedures of such Alternative Clearing System so require, such nominee or Alternative Clearing System may appoint proxies in accordance with, and in the form used, by such Alternative Clearing System as part of its usual procedures from time to time in relation to meetings of Noteholders. Any proxy so appointed may, by an instrument in writing in the English language in the form available from the specified office of the Registrar or the Issuing and Paying Agent, or in such other form as may have been approved by the Trustee at least seven days before the date fixed for a meeting, signed by the proxy or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the Registrar or the Issuing and Paying Agent not later than 48 hours before the time fixed for any meeting, appoint any person or the Principal Paying Agent or any employee(s) of it nominated by it (the “**sub-proxy**”) to act on his or its behalf in connection with any meeting or proposed meeting of Noteholders. All references to “proxy” or “proxies” in this Schedule other than in this sub-paragraph 15.3 shall be read so as to include references to “sub-proxy” or “sub-proxies”.
- 15.4** *Record Date:* For so long as the Notes are eligible for settlement through an Alternative Clearing System’s book-entry settlement system and the rules or procedures of such Alternative Clearing System so require, the Relevant Issuer may fix a record date for the purpose of any meeting, provided such record date is no more than 10 days prior to the date fixed for such meeting which shall be specified in the notice convening the meeting.
- 15.5** Any proxy or sub-proxy appointed pursuant to sub-paragraph 15.1 or 15.3 above or representative appointed pursuant to sub-paragraph 15.2 above shall, so long as such appointment remains in full force, be deemed, for all purposes in connection with the relevant meeting or adjourned meeting of the Noteholders, to be the holder of the Notes to which such appointment relates and the holder of the Notes shall be deemed for such purposes not to be the holder or owner, respectively.

Chairman

- 16** The chairman of a meeting shall be such person as the Trustee may nominate in writing, but if no such nomination is made or if the person nominated is not present within 15 minutes after the time fixed for the meeting the Noteholders or agents present shall choose one of their number to be chairman, failing which the Relevant Issuer may appoint a chairman.
- 17** The chairman need not be a Noteholder or agent. The chairman of an adjourned meeting need not be the same person as the chairman of the original meeting.

Attendance

- 18** The following may attend and speak at a meeting:
- 18.1** Noteholders and agents;
- 18.2** the chairman;
- 18.3** the Relevant Issuer, the Guarantor and the Trustee (through their respective representatives) and their respective financial and legal advisers;
- 18.4** the Dealers and their advisers.
- No-one else may attend or speak.

Quorum and Adjournment

- 19** No business (except choosing a chairman) shall be transacted at a meeting unless a quorum is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the meeting, it shall, if convened on the requisition of Noteholders or if the Relevant Issuer and the Trustee agree, be dissolved. In any other case it shall be adjourned until such date, not less than 14 nor more than 42 days later, and time and place as the chairman may decide. If a quorum is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved.
- 20** One or more Noteholders or agents present in person shall be a quorum:
- 20.1** in the cases marked “No minimum proportion” in the table below, whatever the proportion of the Notes which they represent;
- 20.2** in any other case, only if they represent the proportion in nominal amount of the Notes for the time being outstanding shown by the table below.

COLUMN 1	COLUMN 2	COLUMN 3
Purpose of meeting	Any meeting except one referred to in column 3 Required proportion	Meeting previously adjourned through want of a quorum Required proportion
To pass a special quorum resolution	Two thirds	One quarter
To pass any other Extraordinary Resolution	A clear majority	No minimum proportion
Any other purpose	10 per cent.	No minimum proportion

- 21** The chairman may with the consent of (and shall if directed by) a meeting adjourn the meeting from time to time and from place to place. Only business which could have been transacted at the original meeting may be transacted at a meeting adjourned in accordance with this paragraph 21 or paragraph 19.
- 22** At least 10 days’ notice (exclusive of the day on which the notice is given and of the day of the adjourned meeting) of a meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and that notice shall state the quorum required at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

Voting

- 23** Each question submitted to a meeting shall be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman, the Relevant Issuer, the Guarantor, the Trustee or one or more persons representing not less than 2 per cent. of the Notes.

- 24** Unless a poll is demanded a declaration by the chairman that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it.
- 25** If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the chairman directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the meeting continuing for the transaction of business other than the question on which it has been demanded.
- 26** A poll demanded on the election of a chairman or on a question of adjournment shall be taken at once.
- 27** On a show of hands every person who is present in person and who produces a Bearer Note, a Certificate of which he is the registered holder or a voting certificate or is a proxy or representative has one vote. On a poll every such person has one vote in respect of each integral currency unit of the Specified Currency of such Series of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.
- 28** In case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.

Effect and Publication of an Extraordinary Resolution

- 29** An Extraordinary Resolution shall be binding on all the Noteholders, whether or not present at the meeting, and on all the Couponholders and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances justify its being passed. The Relevant Issuer shall give notice of the passing of an Extraordinary Resolution to Noteholders within 14 days but failure to do so shall not invalidate the resolution.

Minutes

- 30** Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairman of that meeting or of the next succeeding meeting, shall be conclusive evidence of the matters in them. Until the contrary is proved every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

Written Resolution and Electronic Consent

- 31** Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders.

For so long as the Notes are in the form of a Global Note held on behalf of one or more of Euroclear, Clearstream, Luxembourg or Alternative Clearing System, then, in respect of any resolution proposed by the Relevant Issuer, the Guarantor or the Trustee:

- 31.1** *Electronic Consent:* where the terms of the resolution proposed by the Relevant Issuer, the Guarantor or the Trustee (as the case may be) have been notified to the Noteholders through the relevant clearing system(s) as provided in sub-paragraphs (i) and/or (ii) below, each of the Relevant Issuer, the Guarantor and the Trustee shall be entitled to rely upon

approval of such resolution given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) to the Principal Paying Agent or another specified agent and/or the Trustee in accordance with their operating rules and procedures by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes outstanding (the “**Required Proportion**”) (“**Electronic Consent**”) by close of business on the Relevant Date. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. None of the Relevant Issuer, the Guarantor or the Trustee shall be liable or responsible to anyone for such reliance;

- (i) When a proposal for a resolution to be passed as an Electronic Consent has been made, at least 10 days’ notice (exclusive of the day on which the notice is given and of the day on which affirmative consents will be counted) shall be given to the Noteholders through the relevant clearing system(s). The notice shall specify, in sufficient detail to enable Noteholders to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, blocking of their accounts in the relevant clearing system(s)) and the time and date (the “**Relevant Date**”) by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant clearing system(s).
- (ii) If, on the Relevant Date on which the consents in respect of an Electronic Consent are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the “**Proposer**”) so determines, be deemed to be defeated. Such determination shall be notified in writing to the other party or parties to the Trust Deed. Alternatively, the Proposer may give a further notice to Noteholders that the resolution will be proposed again on such date and for such period as shall be agreed with the Trustee (unless the Trustee is the Proposer). Such notice must inform Noteholders that insufficient consents were received in relation to the original resolution and the information specified in sub-paragraph (i) above. For the purpose of such further notice, references to “Relevant Date” shall be construed accordingly.

For the avoidance of doubt, an Electronic Consent may only be used in relation to a resolution proposed by the Relevant Issuer, the Guarantor or the Trustee which is not then the subject of a meeting that has been validly convened in accordance with paragraph 3 above, unless that meeting is or shall be cancelled or dissolved; and

- 31.2** *Written Resolution:* where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution has been validly passed, the Relevant Issuer, the Guarantor and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Relevant Issuer, the Guarantor and/or the Trustee, as the case may be, (a) by accountholders in the clearing system(s) with entitlements to such Global Bond and/or, (b) where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person identified by that accountholder as the person for whom such entitlement is held. For the purpose of establishing the entitlement to give any such consent or instruction, the Relevant Issuer, the Guarantor and the Trustee shall be entitled to rely on any certificate or other document issued by, in the case of (a) above, Euroclear, Clearstream, Luxembourg or any other relevant alternative clearing system (the “**relevant clearing system**”) and, in the case of (b) above, the relevant clearing system and the accountholder identified by the relevant

clearing system for the purposes of (b) above. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's CreationOnline system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. None of the Relevant Issuer, the Guarantor and the Trustee shall be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

A Written Resolution or Electronic Consent shall take effect as an Extraordinary Resolution. A Written Resolution and/or Electronic Consent will be binding on all Noteholders and holders of Coupons, Talons and Receipts, whether or not they participated in such Written Resolution and/or Electronic Consent.

Trustee's Power to Prescribe Regulations

- 32** Subject to all other provisions in this Trust Deed the Trustee may without the consent of the Noteholders prescribe such further or other regulations regarding the holding of meetings and attendance and voting at them as it in its sole discretion determines including (without limitation) such requirements as the Trustee thinks reasonable to satisfy itself that the persons who purport to make any requisition in accordance with this Trust Deed are entitled to do so and as to the form of voting certificates or block voting instructions so as to satisfy itself that persons who purport to attend or vote at a meeting are entitled to do so.
- 33** The foregoing provisions of this Schedule 3 shall have effect subject to the following provisions:
- 33.1** Meetings of Noteholders of separate Series will normally be held separately. However, the Trustee may from time to time determine that meetings of Noteholders of separate Series shall be held together;
- 33.2** A resolution that in the opinion of the Trustee affects one Series alone shall be deemed to have been duly passed if passed at a separate meeting of the Noteholders of the Series concerned;
- 33.3** A resolution that in the opinion of the Trustee affects the Noteholders of more than one Series but does not give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed if passed at a single meeting of the Noteholders of the relevant Series provided that for the purposes of determining the votes a Noteholder is entitled to cast pursuant to paragraph 27, each Noteholder shall have one vote in respect of each U.S.\$1,000 nominal amount of Notes held, converted, if such Notes are not denominated in U.S. dollars, in accordance with Clause 11.13;
- 33.4** A resolution that in the opinion of the Trustee affects the Noteholders of more than one Series and gives or may give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed only if it shall be duly passed at separate meetings of the Noteholders of the relevant Series;

33.5 To all such meetings as aforesaid all the preceding provisions of this Schedule 3 shall *mutatis mutandis* apply as though references therein to Notes and to Noteholders were references to the Notes and Noteholders of the Series concerned.
