(incorporated with limited liability in England and Wales)

€1,500,000,000

Guaranteed Euro Medium Term Note Programme

guaranteed by

MONDI PLC

(incorporated with limited liability in England and Wales)

Under the Guaranteed Euro Medium Term Note Programme described in this Prospectus (the "Programme"), Mondi Finance plc (the "Issuer"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Notes (the "Notes"). The payment of all amounts due in respect of the Notes will be unconditionally and irrevocably guaranteed by Mondi plc (the "Guarantee" and the "Guarantor", respectively). The aggregate nominal amount of Notes outstanding will not at any time exceed €1,500,000,000 (or the equivalent in other currencies).

Application has been made to the Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 ("FSMA") (the "UK Listing Authority") for Notes issued under the Programme for the period of 12 months from the date of this Prospectus to be admitted to the official list of the UK Listing Authority (the "Official List") and to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be admitted to trading on the London Stock Exchange's Regulated Market (the "Market"). References in this Prospectus to Notes being "listed" (and all related references) shall mean that such Notes have been admitted to the Official List and have been admitted to trading on the Market. The Market is a regulated market for the purposes of Directive 2004/39/EC of the European Parliament and of the Council on markets in financial instruments. The relevant Final Terms in respect of the issue of any Notes will specify whether or not such Notes will be listed on the Official List and admitted to trading on the Market (or any other stock exchange).

Each Series (as defined in "Overview of the Programme – Method of Issue") of Notes in bearer form will be represented on issue by a temporary global note in bearer form (each a "temporary Global Note") or a permanent global note in bearer form (each a "permanent Global Note"). If the Global Notes are stated in the applicable Final Terms to be issued in new global note ("NGN") form, the Global Notes will be delivered on or prior to the original issue date of the relevant Tranche to a common safekeeper (the "Common Safekeeper") for Euroclear Bank S.A./N.V. ("Euroclear") and Clearstream Banking, *société anonyme* ("Clearstream, Luxembourg"). Notes in registered form will be represented by registered certificates (each a "Certificate"), one Certificate being issued in respect of each Noteholder's entire holding of Registered Notes of one Series. Registered Notes issued in global form will be represented by registered global certificates ("Global Certificates"). If a Global Certificate is held under the New Safekeeping Structure (the "NSS") the Global Certificate will be delivered on or prior to the original issue date of the relevant Tranche to a Common Safekeeper for Euroclear and Clearstream, Luxembourg.

Global Notes which are not issued in NGN form ("Classic Global Notes" or "CGNs") and Global Certificates which are held under the NSS will be deposited on the issue date of the relevant Tranche with a common depositary on behalf of Euroclear and Clearstream, Luxembourg (the "Common Depositary").

The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in "Summary of Provisions Relating to the Notes while in Global Form".

Tranches of Notes (as defined in "Overview of the Programme") to be issued under the Programme will be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to Notes already issued under the Programme. Whether or not a rating in relation to any Tranche of Notes will be treated as having been issued by a credit rating agency established in the European Union and registered under Regulation (EC) No 1060/2009 on credit rating agencies (the "CRA Regulation") will be disclosed in the relevant Final Terms. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Prospective investors should have regard to the factors described under the section headed "Risk Factors" in this Prospectus.

This Prospectus has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Prospectus as completed by final terms in relation to the offer of those Notes may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. None of the Issuer, the Guarantor nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Guarantor since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer or the Guarantor since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

In the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive (2003/71/EC), the minimum specified denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the Notes).

Subject as provided in the relevant Final Terms, the only persons authorised to use this Prospectus in connection with an offer of Notes are the persons named in the relevant Final Terms as the relevant Dealer or the Managers, as the case may be.

The distribution of this Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer, the Guarantor, the Trustee, the Dealers and the Arranger to inform themselves about and to observe any such restriction.

The Notes and the Guarantee have not been and will not be registered under the United States Securities Act of 1933, (the "Securities Act") or with any securities regulatory authority of any State or other jurisdiction of the United States, and may include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered or sold or, in the case of Notes in bearer form, delivered within the United States or to, or for the account or benefit of, U.S. persons. For a description of certain restrictions on offers and sales of Notes and on distribution of this Prospectus, see "Subscription and Sale".

This Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Guarantor or the Dealers to subscribe for, or purchase, any Notes.

To the fullest extent permitted by law, none of the Dealers, the Trustee or the Arranger accept any responsibility for the contents of this Prospectus or for any other statement, made or purported to be made by the Arranger, the Trustee or a Dealer or on its behalf in connection with the Issuer, the Guarantor, or the issue and offering of the Notes. The Arranger and each Dealer accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Prospectus or any such statement. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Dealers or the Trustee as to the accuracy or completeness of the information contained or incorporated in this Prospectus or any other information provided by the Issuer or the Guarantor in connection with the Programme. Neither this Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Guarantor, the Arranger, the Trustee or the Dealers that any recipient of this Prospectus or any other financial statements should purchase the Notes. In connection with the issue of any Tranche (as defined in "Overview of the Programme – Method of Issue"), the Dealer or Dealers (if any) named as the stabilising manager(s) (the "Stabilising Manager(s)") (or any person acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

The Notes are being offered and sold outside the United States to non-U.S. Persons in reliance on Regulation S. For a description of these and certain further restrictions on offers, sales and transfers of Notes and distribution of this Prospectus see “Subscription and Sale”.

SUPPLEMENTARY PROSPECTUS

If at any time the Issuer shall be required to prepare a supplementary prospectus pursuant to 87G of the FSMA, the Issuer will prepare and make available an appropriate amendment or supplement to this Prospectus which, in respect of any subsequent issue of Notes to be listed on the Official List and admitted to trading on the Market, shall constitute a supplementary prospectus as required by the UK Listing Authority and section 87G of the FSMA.

Each of the Issuer and the Guarantor has given an undertaking to the Dealers that, unless the Issuer has notified the Dealers that it does not intend to issue Notes under the Programme for the time being, if at any time during the duration of the Programme there is a significant new factor, material mistake or inaccuracy relating to information contained in this Prospectus which is capable of affecting the assessment of any Notes and whose inclusion in or removal from this Prospectus is necessary for the purpose of allowing an investor to make an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer and the Guarantor, and the rights attaching to the Notes, the Issuer shall prepare an amendment or supplement to this Prospectus or publish a replacement Prospectus for use in connection with any subsequent offering of the Notes and shall supply to each Dealer such number of copies of such supplement hereto as such Dealer may reasonably request.

RISK FACTORS

The Issuer, the Guarantor and Mondi Limited believe that the following factors may affect their ability to fulfil their obligations under the Notes issued under the Programme or the ability of Mondi Limited to fulfil its obligations under the Deed Poll Guarantee described in “Description of the Group—DLC Structure”. All of these factors are contingencies which may or may not occur and neither the Issuer nor the Guarantor nor Mondi Limited are in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuer and the Guarantor believe may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer and the Guarantor believe that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the Issuer or the Guarantor may be unable to pay interest, principal or other amounts on or in connection with any Notes for other reasons and the Issuer and the Guarantor do not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

Factors that may affect the Issuer’s and the Guarantor’s ability to fulfil their obligations under or in connection with Notes issued under the Programme

The Issuer is a finance vehicle

The Issuer’s primary business is the raising of money for the purpose of on-lending to other members of the Group. Accordingly, substantially all of the Issuer’s assets are loans and advances made to other members of the Group and the ability of the Issuer to satisfy its obligations in respect of the Notes will depend upon payments made to it by other members of the Group in respect of loans and advances made by the Issuer.

Product prices and raw material costs in the paper and packaging industry are subject to significant fluctuations

Prices for Mondi’s products are affected by overall changes in capacity and production and by demand for paper and packaging products which is in turn influenced by general economic conditions and inventory levels maintained by its customers. Changes in these factors have, in the past, resulted in significant fluctuations in the prices for Mondi’s products and can be expected to have a similar effect in the future. Changes in price differ between products and geographic regions and the timing and magnitude of such changes have varied significantly over time and are unpredictable. There can be no assurances that prices for Mondi’s products will increase or even remain at present levels. Any deterioration in prices, or an increase in raw material costs without a corresponding increase in the price Mondi is able to realise, could have a material adverse effect on Mondi’s business, financial condition and/or results of operations.

In particular, the creation of additional production capacity either by Mondi or its competitors building new mills or plants or expanding existing mills or plants could have a disruptive influence in the market as additional capacity can lead to excess supply. This is a particular risk in the paper markets in which Mondi operates, where the incremental capacity of a single new facility can be significant relative to the size of the market it serves. The impact on product prices brought about by additional capacity could have a material adverse effect on Mondi’s business, financial condition and/or results of operations.

A period of high raw materials, energy or consumables costs could negatively affect Mondi's profitability

Raw materials, energy and consumables used by Mondi include significant amounts of wood, pulp, recovered fibre, packaging papers and chemicals. Over the last three years, raw materials, energy and consumables accounted for approximately 60 per cent. of Mondi's total operating costs. The prices for many of these raw materials generally fluctuate in correlation with global commodity cycles. There can be no assurance that Mondi will be able to secure all of its future resource requirements at acceptable prices or that Mondi's margins for some or all of its products will not decline due to an inability to pass on the full impact of increased costs associated with resource inputs. An increase in the cost of raw materials, in particular wood, pulp or recovered fibre or, for the purposes of converting operations, packaging paper, to the extent not reflected in the prices for Mondi's products, could have a material adverse effect on Mondi's business, financial condition and/or results of operations. Furthermore, wood prices and availability may be adversely affected in some of the countries where Mondi is active due to reduced quantities of available wood supply or initiatives to promote increased use of wood as a renewable energy source. Any difficulties in procuring wood or sustained increase in wood prices could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi is a significant consumer of electricity and it both purchases electricity from external suppliers and generates it internally. To the extent that Mondi generates its own electricity other than from biomass and other by-products of the pulp and paper production process, it is dependent on outside suppliers for raw materials such as gas, oil and coal used in the production of electricity. Consequently, increases in the prices of electricity and/or the raw materials used in the production of internally generated electricity could have a material adverse effect on Mondi's business, financial condition and/or results of operations. There can be no assurance that Mondi will be able to secure all of its future energy requirements at price levels that are comparable to those that have prevailed in the past or that Mondi's margins for some or all of its products will not decline due to an inability to pass on the full impact of costs associated with resource inputs.

To the extent that Mondi relies on purchasing electricity from external suppliers, it may not be able to purchase a sufficient supply to meet its operational requirements. In particular, South Africa has faced shortages of electricity and Mondi is reliant on purchased electricity for a number of its South African operations. Furthermore, in order to fund capacity expansion programmes, Eskom, the South African parastatal electricity supply body, increased the price of electricity by more than 25% during 2010 and further substantial increases are forecast for the next three years. As a result, Mondi may suffer significant price increases and/or interruptions to the operations of its mills, which could have a material adverse effect on its business, financial condition and/or results of operations.

Adverse economic and credit market conditions may have a material adverse effect on Mondi's ability to raise future debt or equity

Mondi's ability to raise debt and/or equity financing in the medium and longer term will be significantly influenced by, among other things, general economic conditions, developments in the credit markets, volatility in the equity markets, investors' desire to maintain cash and to assume additional levels of risk and its credit rating. There can be no assurance that Mondi will be able to raise debt and/or equity finance on attractive terms, or at all, and it may need to seek additional financing from alternative sources, which could be on unfavourable terms or at a higher cost than it currently pays. If this were to occur, it could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Moreover, incurrence of additional debt financing would increase Mondi's interest expense and reduce cash available for other purposes and could involve restrictive covenants that could have a negative impact on its ability to operate its business in the desired manner. A failure to obtain funds could prevent Mondi from realising its strategy and could, in turn, have a negative impact on Mondi's competitive position and a material adverse effect on Mondi's business, financial condition and/or results of operations.

Exchange rate and/or interest rate fluctuations may have a material adverse effect on Mondi's financial results

As a result of the global nature of Mondi's business, changes in foreign currency rates could have an adverse impact upon its business, financial condition and/or operating results. Currency fluctuations affect Mondi because of mismatches between the currencies in which operating costs are incurred and those in which revenues are received. Key operating cost currencies that are not fully offset by local currency denominated revenues include the South African rand, Polish zloty, Swedish krona and Czech koruna, while U.S. dollar and UK pound sterling revenues are greater than operating costs incurred in those currencies.

Mondi's reported earnings may also be affected by fluctuations between the euro, which is its reporting currency, and the non-euro currencies in which many of its various subsidiaries report their results of operations. In addition, appreciation of the euro compared with the currencies of the other key paper producing regions or paper pricing currencies, notably the U.S. dollar, would reduce the competitiveness of the products Mondi produces in Europe compared to imports from such key paper producing regions which could potentially lead to lower revenues and earnings.

In addition, Mondi primarily funds its businesses in their local currencies to minimise currency translation risk. This exposes Mondi to interest rate risks associated with these currencies, the principal ones being the euro, Czech koruna, South African rand, Russian rouble and Polish zloty. Mondi aims to manage this interest rate risk through interest rate swaps and borrowing at fixed interest rates. However, it is not Mondi's policy to hedge all of its interest rate exposure.

As a result, a change in exchange rates or interest rates could have a material adverse effect upon Mondi's business, financial condition and/or results of operations.

Mondi's operations and the value of its investments in certain countries may be adversely affected by political, economic and legal developments in these countries

Mondi has manufacturing operations in a number of countries where the political, economic and legal systems are less predictable than in countries with more developed institutional structures. Political or economic upheaval, inflation, changes in laws, nationalisation or expropriation of privately-held assets and other factors may have a material adverse effect on Mondi's operations in these countries and, in turn, the amount of income received from, and the value of, the investments Mondi has made in relation to its operations in such countries.

A further risk of operating in emerging market countries arises from the establishment or enforcement of foreign exchange restrictions, which could effectively prevent Mondi from receiving profits from, or selling its investments in, these countries. Other than South Africa, which has exchange controls that regulate the movement of currency in and out of the country, none of the countries in which Mondi's operations are located currently has foreign exchange controls that have a significant effect on Mondi. However, various of these countries have imposed foreign exchange controls in the past, and no assurance can be given that these countries will not reinstate these controls in the future.

Significant assets of Mondi in certain countries, including Russia, Poland, Slovakia and the Czech Republic, were previously owned by state-owned entities and have been acquired after a privatisation procedure. Privatisations may be vulnerable to challenge, particularly to the extent that privatisation legislation is vague, inconsistent or in conflict with other legislation. No assurance can be given that any relevant privatisation procedure has been properly conducted, and therefore claims may be raised in the future concerning such privatisation procedures to the extent that applicable statutes of limitation have not expired. To the extent Mondi is not successful in defeating any such claim, Mondi risks losing its ownership interest in the relevant assets, which could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Changes in consumer preferences and Mondi's failure to develop new products to meet changing consumer demand could adversely affect demand for Mondi's products

Changes in consumer preferences affect the demand for paper and packaging products in general, and demand for specific grades of paper and packaging products in particular. Some of the most significant changes in consumer preferences relating to paper usage have included interest in environmentally-friendly products and use of e-mail and electronic media.

In addition, customers may substitute products not currently produced by Mondi for products that Mondi produces including, for example, shifting from Mondi's paper-based packaging products to plastic-based packaging products or other paper-based products.

Mondi's ability to meet shifts in consumer demand will depend upon its ability to correctly anticipate changes in consumer preferences and its ability to develop and produce new products on a competitive and cost-effective basis. There can be no assurances that Mondi will be able to meet changes in consumer preferences in the future, and the failure to do so could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi is exposed to the risk of default by its customers and suppliers

Mondi has entered into a number of financial and other agreements with customers, suppliers and other counterparties. Mondi is exposed to the risk of default by customers who have agreed to purchase products from Mondi, suppliers who have agreed to supply goods or services to Mondi and others with whom Mondi has entered into financial and other arrangements. Mondi's customers and suppliers may be adversely affected by economic conditions, disruptions to the capital and credit markets and decreased demand for their products and services. Mondi's exposure to default by counterparties may increase if economic conditions deteriorate. If any of Mondi's key customers or suppliers, or a significant number of smaller customers and suppliers, are further adversely affected by these risks, Mondi may face further reductions in demand for its products, failure of customers to pay invoices when due and disruptions in supply or distribution channels which may have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi operates in a highly competitive environment

The markets for paper and packaging products are highly competitive with many participants. Competition in the markets in which Mondi operates is based principally on some or all of the following factors, depending on the product and market involved: price, quality, product specifications, location, overall product performance and service. Mondi principally competes with several large multinational paper and packaging manufacturers. Mondi also competes with numerous regional and/or specialised manufacturers in the markets for most of its products and with other paper merchanting companies. Some of these competitors may have greater market presence, governmental support and/or financial and other resources than Mondi, allowing them to make investments in manufacturing facilities and/or product development at levels that Mondi may not be able to match. If Mondi fails to ensure its costs are lower than its competitors it may lose competitive advantage. Any failure by Mondi to compete successfully with other producers or merchants of paper or packaging products could result in a reduction in its market share and profitability and have a material adverse effect on Mondi's business, financial condition and/or results of operations.

In addition to competition from other manufacturers of paper packaging products, Mondi also faces competition from producers of alternative packaging materials, such as plastic, glass and metal. If the increasing use of such alternative materials for certain applications results in a corresponding decrease in demand for paper packaging products, or if Mondi is unable to compete successfully with producers of these competitive products, it could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi may not be successful in implementing future cost reduction or restructuring programmes

Mondi may not be able to realise the full intended benefits of current or future cost reduction or restructuring programmes and actual cost savings may vary materially from original estimates for a variety of reasons. In addition, the cost reduction measures are based on current conditions and do not take into account possible further cost increases that may result from changing economic conditions or changes in the industry or Mondi's operations. If Mondi fails to implement successfully current and future cost reduction measures, or these efforts do not generate the level of cost savings Mondi expects, it could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Significant interruption to the operations of any of Mondi's major mills could have an adverse impact on Mondi's financial results

Mondi has six major mills which together accounted for approximately 65 per cent. of the total pulp and paper production capacity of Mondi at 31 December 2010. These are the Štětí mill in the Czech Republic, the Świecie mill in Poland, the Syktyvkar mill in Russia, the Ružomberok mill in Slovakia and the Merebank and Richards Bay mills in South Africa. If operations at any of these key mills were interrupted for any significant length of time for any reason, including planned or unplanned maintenance, or work stoppages due to labour disputes, it could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Capital investment in projects may require substantial funds and carry risks which might adversely affect Mondi's business

Mondi's business is capital intensive and therefore requires ongoing capital investment to expand or upgrade existing facilities and to develop new facilities. Projects that require significant capital expenditure carry risks that include, but are not limited to, failure to complete a project within the prescribed project timetable and/or within budget; failure of the project to perform according to prescribed operating specifications following its completion and significant, unforeseen changes in input costs or inability to sell the envisaged volumes or achieve envisaged price levels. Due to the significant amount of capital required and the long lead time between planning and completion of these projects, project failure could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi may face high costs for compliance with environmental laws and regulations and/or in respect of remediation of contamination, which could reduce profit margins and earnings

Mondi's operations generate hazardous and non-hazardous waste and emissions to the air and water. These wastes and emissions are regulated under various environmental laws and regulations in the jurisdictions in which Mondi operates or where the relevant waste or emission occurs. Permits are required for many of Mondi's operations and these permits may be subject to modification, renewal or revocation by the regulatory authorities. Other applicable environmental laws relate to, among other things, forestry management and the use of recycled material. There can be no assurance that Mondi will not incur significant environmental costs and liabilities in the future or that the adoption of increasingly strict environmental laws, regulations and enforcement policies will not result in substantially increased costs and liabilities in the future and/or require changes in Mondi's business. A failure to comply with existing laws or permits or future laws, once implemented, could give rise to civil or criminal penalties, including fines and a requirement to cease the non-compliant operations. Mondi may also incur material expense in respect of future remediation obligations arising from ground or water contamination which occurs during current operations, after such operations have ceased or as a result of past operations. Higher regulatory, environmental and similar costs could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi may face adverse changes in legislation

Mondi is subject to a wide range of laws and regulations in all the jurisdictions in which it operates, including international, national, state and local laws and regulations. These include laws and regulations relating to environmental protection, including the management of natural resources and use of hazardous substances, greenhouse gas emissions, exports, price controls, repatriation of capital and exchange controls, taxation, labour standards and occupational health and safety. These requirements are complex, frequently changing and have tended to become more stringent over time. For example, tax laws and tax rates around the world are constantly changing and Mondi is exposed to the risk of changes in tax legislation, and its interpretation and increases in the rate of corporate and other taxes in the jurisdictions in which Mondi operates. The costs associated with compliance with these laws and regulations are substantial and possible future laws and regulations or changes to existing laws and regulations (including the imposition of higher taxes) could require Mondi to incur additional expenses or capital expenditures or result in restrictions on or suspensions of Mondi's operations. Any such cost increases could have a material adverse effect on Mondi's business, financial condition and/or results of operations. In particular, a number of the markets in which Mondi competes as a local supplier impose tariffs on imports. Reduction of such tariffs could affect the competitiveness of Mondi's products in these markets.

Mondi is subject to land claims in South Africa

In South Africa, the Restitution of Land Rights Act 1994 provides remedies for persons who were dispossessed of rights in land as a result of past racially discriminatory laws or practices. The Land Claims Court is empowered to make orders requiring the restoration of land (or any portion thereof) or the payment of compensation (including to the landowner), compelling the state to include a claimant as a beneficiary in the state support programme for housing or granting the claimant an appropriate right in alternatively designated state land or any alternative or appropriate relief. Mondi is aware that a number of land claims have been lodged in relation to its owned and leased South African properties. Following the settlement of various of these claims, Mondi estimates that approximately a further 46 per cent. of its land holdings in South Africa remain subject to land claims. Despite Mondi having recently successfully settled land claims that it anticipates will provide a framework for settling future land claims, Mondi can give no assurance that these land claims, or any other land claims of which it is not aware, will not have an adverse effect on Mondi's rights to the properties that are subject to the land claims. Adverse land claim rulings could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi may not be able to attract or retain high quality management resources

Mondi's continued success is dependent on the experience, skills and knowledge of its executive directors, senior management and key employees who provide expertise crucial to Mondi's business and the implementation of Mondi's strategy. Residence requirements may restrict the size of the pool of talent which can be drawn on due to mobility constraints, and this may limit Mondi's ability to recruit and retain executive directors, senior management and key personnel with the necessary expertise and experience to lead an international listed group. The failure of Mondi to recruit and retain executive directors, senior management and key personnel may cause a significant disruption to Mondi's business, including its ability to implement Mondi's strategy, which could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Relocation of Mondi's packaging customers to lower-cost production regions where Mondi does not have operations in close proximity could negatively affect Mondi's profitability

The manufacturing industry is an important customer segment for Mondi's packaging products. In recent years there has been a trend towards moving manufacturing into emerging markets with lower production costs, such as Emerging Europe¹ and Asia. There can be no assurances that Mondi will be

(1) Emerging Europe means eastern Europe (including Turkey) and Russia.

able to adjust its operations to keep pace with such changes. As Mondi's customers relocate, Mondi may face additional competition from regional participants located in its customers' new geographic markets. This may affect the selling prices of Mondi's products or may result in Mondi losing customers to competitors entirely. Should any of these risks materialise it could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi may be adversely affected by increasing costs in maintaining its required level of workforce

Mondi's workforce constitutes a significant proportion of its cost base. In addition, Mondi operates in certain jurisdictions where wages are typically significantly below levels in more mature markets. As the economies of such emerging markets develop, it is possible that there will be above inflationary pressures on wages. Any inflationary pressures, as well as changes in applicable laws and regulations or other factors resulting in increased labour costs could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Failure to maintain good employee relations may affect Mondi's operations and the success of its business

Whilst Mondi believes that relations with its employees and work councils are currently satisfactory, there can be no assurance that future developments in relation to Mondi's businesses could not affect such relationships. A sustained labour dispute leading to a substantial interruption to the overall business of Mondi could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Failure to integrate successfully and manage acquired operations may adversely affect Mondi's business

To the extent that Mondi seeks further growth through acquisitions of, or mergers with, other paper and/or packaging companies, it faces risks including unidentified liabilities of the companies which it may acquire or merge with, the possible inability to integrate successfully and manage acquired operations and personnel and the potential failure to achieve the economies of scale, synergies or other benefits sought. Any difficulties or delays in achieving successful integration of new acquisitions could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Mondi could be adversely affected by the application of competition laws

In recent years, in a number of jurisdictions, antitrust investigations and actions have been launched against companies in industries in which Mondi participates, indicating that the sector in which Mondi operates may face continuing regulatory scrutiny. Therefore, Mondi faces the risk that its business could be adversely affected by the application of EU, member state or other national competition laws to any agreements or practices in which Mondi may have been engaged or to which it is party.

If Mondi is found to be or to have been party to any agreements or practices which infringe EU competition law or national law equivalents, the relevant agreements could be void and unenforceable in whole or in part. A finding of infringement of EU competition law, or national law equivalents, could have an impact on the manner in which Mondi conducts its business and could lead, among other things, to substantial fines being imposed and/or damages claims from third parties.

Mondi's insurance coverage may be insufficient to cover losses or it could be subject to uninsured liabilities which could materially affect its business, results of operations or financial condition

There are circumstances where insurance will not cover or be adequate to cover the consequences of an event, or where Mondi may become liable for costs incurred in events or incidents against

which it either cannot insure or may have elected not to have insured (whether on account of prohibitive premium costs or for other commercial reasons). Although Mondi maintains insurance that it considers to be adequate, liabilities might exceed policy limits. Insurance fully covering environmental risks (including potential liability for pollution or other hazards as a result of disposal of waste products occurring from production and processing) is not generally available to Mondi. An uninsured loss could have a material adverse effect on Mondi's business, financial condition and/or results of operations.

Forests are exposed to a number of natural risks and hazards which could cause disruptions to Mondi

Forests are exposed to a number of natural risks and hazards which are outside the control of Mondi, including fire, insect infestation, epidemics, extreme weather, floods and other natural events which in each case may have an adverse impact on the timing of harvests, reduce the volume and value of wood harvested from Mondi's forests or impact Mondi's ability to produce wood internally. Any need to purchase additional wood from third parties could adversely affect Mondi's business, financial condition and/or results of operations.

The DLC Structure results in significant compliance obligations and costs and future changes in the legal and regulatory environment may mean that the DLC Structure will no longer be viable

The DLC Structure conforms to existing laws and policies of regulatory authorities in the UK and South Africa. There are significant governance and administration arrangements that are involved in the DLC Structure. In addition, the South African Ministry of Finance has imposed certain conditions in relation to the DLC Structure. In particular, it is a condition that the Chief Executive Officer and Chief Financial Officer of Mondi will have their ordinary residence in South Africa and that Mondi has Joint Chairmen, one of whom is resident in South Africa. Changes to the laws or policies (including changes in tax law or policy) applicable to the DLC Structure may result in the DLC Structure no longer being viable. There can be no assurance that the conditions imposed on Mondi in connection with the DLC Structure might not be amended or varied or that any such changes will not result in significant additional costs for Mondi which could adversely affect Mondi's business, financial condition and/or results of operations.

Changes in the tax residence of Mondi plc and Mondi Limited could have adverse tax consequences for Mondi

The DLC Structure was established on the basis that Mondi plc is and will remain resident only in the UK for tax purposes and that Mondi Limited is and will remain resident only in South Africa for tax purposes. Confirmation of the residency treatment of Mondi plc and Mondi Limited has been obtained from each of HMRC and SARS on the basis of the management structure of Mondi and the arrangements for holding Board meetings of Mondi plc and Mondi Limited. The management of Mondi plc, Mondi Limited and their subsidiaries has been and will be carried out so as to ensure that the current residence treatment of Mondi plc and Mondi Limited is preserved. However, if Mondi plc were to cease to be treated as resident solely in the UK and/or Mondi Limited were to cease to be treated as resident solely in South Africa for tax purposes (including as a result of changes in law or in HMRC and/or SARS practice), this could have adverse tax consequences for Mondi.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "Relevant Factor"). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;

- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in light of its particular circumstances.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of such Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification, waivers and substitution

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Terms and Conditions of the Notes also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of Notes or (ii) determine without the consent of the Noteholders that any Event of Default or potential Event of Default shall not be treated as such or (iii) the substitution of another company as principal debtor under any Notes in place of the Issuer, or as guarantor of the Notes in place of the Guarantor, in the circumstances described in Condition 11 of the Terms and Conditions of the Notes.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the "EU Savings Directive"), each Member State is required to provide to the tax authorities of another Member State details of payments of interest (and/or other similar income) paid by a person within its jurisdiction to an individual or to certain other persons in that other Member State. However, for a transitional period, Luxembourg and Austria may instead (unless during that period they elect otherwise) apply a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

The European Commission has proposed certain amendments to the EU Savings Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system or through another country that has adopted similar measures, and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax as provided in Condition 8. The Issuer is required, as provided in Condition 7(e) of the Notes, to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the EU Savings Directive.

Change of law

The Terms and Conditions of the Notes are based on English law in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of issue of the relevant Notes.

Integral multiples of less than €100,000

In relation to any issue of Notes which have a denomination consisting of the minimum Specified Denomination of €100,000 plus a higher integral multiple of another smaller amount, it is possible that the Notes may be traded in amounts in excess of €100,000 (or its equivalent) that are not integral multiples of €100,000 (or its equivalent). In such a case a Noteholder who, as a result of trading such amounts, holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a brief description of certain market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (i) the Investor's Currency-equivalent yield on the Notes, (ii) the Investor's Currency equivalent value of the principal payable on the Notes and (iii) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to an issue of Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a

recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Ratings:	Tranches of Notes (as defined in “Overview of the Programme”) to be issued under the Programme will be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to Notes already issued under the Programme. Whether or not a rating in relation to any Tranche of Notes will be treated as having been issued by a credit rating agency established in the European Union and registered under Regulation (EC) No 1060/2009 on credit rating agencies (the “CRA Regulation”) will be disclosed in the relevant Final Terms. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.
Early Redemption:	Except as provided in “– Optional Redemption” above, Notes will be redeemable at the option of the Issuer prior to maturity only for tax reasons. See “Terms and Conditions of the Notes – Redemption, Purchase and Options”.

Withholding Tax:	All payments of principal and interest in respect of the Notes will be made free and clear of withholding or deduction for or on account of taxes of the United Kingdom, unless such withholding or deduction is required by law. In the event that any such withholding or deduction is made, the Issuer or the Guarantor, as the case may be, will, subject to customary exceptions (including ICMA Standard EU Exceptions), be required to pay additional amounts so withheld or deducted, all as described in “Terms and Conditions of the Notes – Taxation”.
Governing Law:	English.

The provisions applicable to any such redenomination, renominalisation and/or consolidation will be as specified in the relevant Final Terms.
Selling Restrictions:	<p>The United States, the Public Offer Selling Restriction under the Prospectus Directive (in respect of Notes having a specified denomination of less than €100,000 or its equivalent in any other currency as at the date of issue of the Notes), the United Kingdom and Japan. See “Subscription and Sale”.</p> <p>The Guarantor is Category 2 for the purposes of Regulation S under the Securities Act.</p> <p>The Notes will be issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(D) (the “D Rules”) unless (i) the relevant Final Terms states that Notes are issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(C) (the “C Rules”) or (ii) the Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which the Notes will not constitute “registration required obligations” under the United States Tax Equity and Fiscal Responsibility Act of 1982 (“TEFRA”), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.</p>

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. Either (i) the full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to "Notes" are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are constituted by a Trust Deed dated 25 March 2010 (as modified and restated pursuant to a First Supplemental Trust Deed dated 15 April 2011, and as amended or supplemented as at the date of issue of the Notes (the "Issue Date") or from time to time thereafter, the "Trust Deed") between Mondi Finance plc (the "Issuer"), Mondi plc (the "Guarantor"), and Deutsche Trustee Company Limited (the "Trustee", which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These terms and conditions (the "Conditions") include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons referred to below. An Agency Agreement (as modified and restated pursuant to an Amended and Restated Agency Agreement dated 15 April 2011, and as amended or supplemented as at the Issue Date or from time to time thereafter, the "Agency Agreement") dated 25 March 2010 has been entered into in relation to the Notes between the Issuer, the Guarantor, the Trustee, Deutsche Bank AG, London Branch as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the other paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "Issuing and Paying Agent", the "Paying Agents" (which expression shall include the Issuing and Paying Agent), the "Registrar", the "Transfer Agents" (which expression shall include the Registrar) and the "Calculation Agent(s)". Copies of the Trust Deed, the Agency Agreement and the deed poll guarantee dated 2 July 2007 entered into by Mondi Limited, whereby Mondi Limited agreed to guarantee certain obligations of the Guarantor (the "Deed Poll Guarantee"), are available for inspection during usual business hours at the office of the Trustee (presently at Winchester House, 1 Great Winchester Street, London EC2N 2DB, United Kingdom) and at the specified offices of the Paying Agents and the Transfer Agents.

Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Trust Deed and the Agency Agreement, the Trust Deed will prevail and, in the event of inconsistency between the Trust Deed or the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

The Noteholders, the holders of the interest coupons (the "Coupons") relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the "Talons") (the "Couponholders") and the holders of the receipts for the payment of instalments of principal (the "Receipts") (the "Receiptholders") relating to Notes in bearer form of which the principal is payable in instalments are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

As used in these Conditions, "Tranche" means Notes which are identical in all respects.

1 Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”) or in registered form (“Registered Notes”) in each case in the Specified Denomination(s) shown hereon provided that in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a Prospectus under the Prospectus Directive, the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

All Registered Notes shall have the same Specified Denomination.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note or a Partly Paid Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 No Exchange of Notes and Transfers of Registered Notes

- (a) **No Exchange of Notes:** Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes may not be exchanged for Registered Notes.
- (b) **Transfer of Registered Notes:** One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall

be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

- (c) **Exercise of Options or Partial Redemption in Respect of Registered Notes:** In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.
- (d) **Delivery of New Certificates:** Each new Certificate to be issued pursuant to Condition 2(b) or (c) shall be available for delivery within three business days of receipt of the form of transfer or Exercise Notice (as defined in Condition 6(e)) and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).
- (e) **Transfers Free of Charge:** Transfers of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Guarantor, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).
- (f) **Closed Periods:** No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3 Guarantee and Status

- (a) **Guarantee:** The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Trust Deed, the Notes, the Receipts and the Coupons. Its obligations in that respect (the "Guarantee") are contained in the Trust Deed.

- (b) **Status of Notes and Guarantee:** The Notes and the Receipts and Coupons relating to them constitute direct, unconditional, unsubordinated and (subject to Condition 4) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The Guarantee constitutes a direct, unconditional, unsubordinated and (subject to Condition 4) unsecured obligation of the Guarantor. The payment obligations of the Issuer under the Notes and the Receipts and the Coupons and of the Guarantor under the Guarantee shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer and the Guarantor respectively, present and future.

Pursuant to the Deed Poll Guarantee, described in "Description of the Group—DLC Structure", creditors of the Guarantor have the benefit of a guarantee from Mondi Limited of certain of the Guarantor's obligations, including the obligations of the Guarantor under its guarantee of the Notes.

4 Negative Pledge

So long as any Note or Coupon remains outstanding (as defined in the Trust Deed), neither the Issuer nor the Guarantor will, and the Guarantor will, (other than in the case of Mondi Limited) insofar as it is able to by the proper exercise of voting and other rights or powers of control exercisable by it, ensure that none of Mondi Limited or any subsidiary of the Guarantor or Mondi Limited will, create, or have outstanding, any mortgage, charge, lien, pledge or other security interest, or other arrangement having a similar effect to a security interest ("Security"), upon all or any of its present or future revenues or assets to secure any Financial Indebtedness other than any Permitted Security without at the same time or prior thereto according to the Notes and the Coupons and all amounts payable under the Trust Deed, to the satisfaction of the Trustee, the same Security as is created or subsisting to secure any such Financial Indebtedness or such other security or other arrangement (whether or not comprising security) as either (i) the Trustee shall in its absolute discretion deem not materially less beneficial to the interest of the Noteholders or (ii) shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders.

5 Interest and other Calculations

- (a) **Interest on Fixed Rate Notes:** Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(h).
- (b) **Interest on Floating Rate Notes and Index Linked Interest Notes:**
 - (i) *Interest Payment Dates:* Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(h). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) *Business Day Convention*: If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.
- (iii) *Rate of Interest for Floating Rate Notes*: The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon
- (y) the Designated Maturity is a period specified hereon and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity", "Reset Date" and "Swap Transaction" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

(x) Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen

Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided hereon.

- (y) if the Relevant Screen Page is not available or if, sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the

relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (iv) *Rate of Interest for Index Linked Interest Notes:* The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified hereon and interest will accrue by reference to an Index or Formula as specified hereon.
- (c) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)(i)).
- (d) **Dual Currency Notes:** In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified hereon.
- (e) **Partly Paid Notes:** In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified hereon.
- (f) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).
- (g) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:**
 - (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
 - (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.

- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the countries of such currency.
- (h) **Calculations:** The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.
- (i) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:** The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and repayable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of

each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (j) **Determination or Calculation by Trustee:** If the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest for an Interest Accrual Period or any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, the Trustee shall do so (or shall, at the expense of the Issuer, appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

6 Redemption, Purchase and Options

(a) Redemption by Instalments and Final Redemption:

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided hereon, is its nominal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

(b) Early Redemption:

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

- (ii) *Other Notes*: The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified hereon.
- (c) **Redemption for Taxation Reasons**: The Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date (if this Note is either a Dual Currency Note, a Floating Rate Note or an Index Linked Note) or at any time (if this Note is neither a Dual Currency Note, a Floating Rate Note nor an Index Linked Note), on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 16 (which notice shall be irrevocable), the Trustee and the Issuing and Paying Agent, at their Early Redemption Amount (as described in Condition 6(b) above) (together with interest accrued to (but excluding) the date fixed for redemption), if the Issuer satisfies the Trustee immediately before the giving of such notice that (i) on the occasion of the next payment due under the Notes it has or will become obliged to pay additional amounts as described under Condition 8, or the Guarantor would be unable to procure payment by the Issuer and in making payment itself would be required to pay such additional amounts, in each case as a result of any change in, or amendment to, the laws or regulations of the United Kingdom or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes, and (ii) such obligation cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer (or the Guarantor, as the case may be) would be obliged to pay such additional amounts were a payment in respect of the Notes (or the Guarantee, as the case may be) then due. Prior to the publication of any notice of redemption pursuant to this Condition 6(c), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer (or the Guarantor, as the case may be) stating that the condition in (i) above applies and the obligation referred to in (i) above cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out in (i) and (ii) above, in which event it shall be conclusive and binding on Noteholders, Couponholders and Receiptholders.
- (d) **Redemption at the Option of the Issuer**: If Call Option is specified hereon, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon), in accordance with Condition 16, and to the Trustee, redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to (but excluding) the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes, or in the case of Registered Notes shall specify

the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

- (e) **Redemption at the Option of Noteholders:** If Put Option is specified hereon, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to (but excluding) the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("Exercise Notice") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

- (f) **Redemption Following Change of Control:** If Change of Control Put Event is specified hereon and a Change of Control Put Event occurs, the holder of any such Note will have the option (a "Change of Control Put Option") (unless prior to the giving of the relevant Change of Control Put Event Notice (as defined below) the Issuer has given notice of redemption under Condition 6(c) or 6(d) above) to require the Issuer to redeem or, at the Issuer's option, purchase (or procure the purchase of) that Note on the Change of Control Put Date (as defined below) at its Change of Control Optional Redemption Amount (as specified in the Final Terms) together with interest accrued to (but excluding) the Change of Control Put Date.

A "Change of Control Put Event" will be deemed to occur if:

- (i) any person or any persons acting in concert (as defined in the City Code on Takeovers and Mergers), other than a holding company (as defined in Section 1159 of the Companies Act 2006 as amended) whose shareholders are or are to be substantially similar to the pre-existing shareholders of the Issuer, shall become interested (within the meaning of Part 22 of the Companies Act 2006 as amended) in (A) more than 50 per cent. of the issued or allotted ordinary share capital of the Guarantor or (B) shares in the capital of the Guarantor carrying more than 50 per cent. of the voting rights normally exercisable at a general meeting of the Guarantor (each such event being a "Change of Control"); and
- (ii) on the date (the "Relevant Announcement Date") that is the earlier of (1) the date of the first public announcement of the relevant Change of Control and (2) the date of the earliest Relevant Potential Change of Control Announcement (if any), either:
- (A) the Notes carry an Investment Grade rating from at least two Rating Agencies and any such rating is, within the Change of Control Period, downgraded to Non-Investment Grade and such rating is not within the Change of Control Period restored to an Investment Grade Rating by such Rating Agency or replaced by an Investment Grade Rating of another Rating Agency, or any such Rating Agency withdraws its rating of the Notes and the rating of such Rating Agency is not within the Change of Control Period replaced by an Investment Grade rating of another Rating Agency; or
- (B) the Notes do not have an Investment Grade rating from at least two Rating Agencies and the Issuer and/or the Guarantor is unable to acquire and

maintain an Investment Grade rating for the Notes during the Change of Control Period from at least two Rating Agencies;

provided that if at the time of the occurrence of the Change of Control the Notes carry a credit rating from more than two Rating Agencies the Issuer shall be entitled to determine which two Rating Agencies shall be relevant for the purposes of this provision; and

- (iii) in making any decision to downgrade or withdraw any credit rating pursuant to paragraph (ii) above or to decline to confer on Investment Grade Rating, the relevant Rating Agency announces publicly or confirms in writing to the Issuer, the Guarantor or the Trustee that such decision(s) resulted, in whole or in part, from the occurrence of the Change of Control or the Relevant Potential Change of Control Announcement.

Promptly upon the Issuer becoming aware that a Change of Control Put Event has occurred and in any case not later than 10 business days thereafter, the Issuer shall, and at any time upon the Trustee becoming similarly so aware the Trustee may, and if so requested by the holders of at least one-fifth in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders, shall, (subject in each case to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction) give notice (a "Change of Control Put Event Notice") to the Trustee (in the case of a notice from the Issuer) to the Noteholders in accordance with Condition 16 specifying the nature of the Change of Control Put Event and the procedure for exercising the Change of Control Put Option.

To exercise the Change of Control Put Option, the holder of a Bearer Note must deliver such Note to the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the period (the "Change of Control Put Period") of 30 days after a Change of Control Put Event Notice is given, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a "Change of Control Put Notice"). The Note should be delivered together with all Coupons appertaining thereto maturing after the date which is seven days after the expiration of the Change of Control Put Period ("Unmatured Coupons") (the "Change of Control Put Date"), failing which, in the case of Fixed Rate Notes only, the Paying Agent will require payment from or on behalf of the Noteholder of an amount equal to the face value of any missing such Coupon. Any amount so paid will be reimbursed to the Noteholder against presentation and surrender of the relevant missing Coupon (or any replacement therefor issued pursuant to Condition 14) at any time after such payment, but before the expiry of the period of five years from the date on which such Coupon would have become due, but not thereafter. Unmatured Coupons relating to Notes other than Fixed Rate Notes (whether or not attached to them) will become void upon the Change of Control Put Date. The Paying Agent to which such Note and Change of Control Put Notice are delivered will issue to the Noteholder concerned a non-transferable receipt in respect of the Note so delivered. Payment in respect of any Note so delivered will be made, if the holder duly specified a bank account in the Change of Control Put Notice to which payment is to be made, on the Change of Control Put Date by transfer to that bank account and, in every other case, on or after the Change of Control Put Date against presentation and surrender or (as the case may be) endorsement of such receipt at the specified office of any Paying Agent. A Change of Control Put Notice, once given, shall be irrevocable. For the purposes of these Conditions, receipts issued pursuant to this Condition 6(f) shall be treated as if they were Notes.

To exercise the Change of Control Put Option, the holder of a Registered Note must deposit the Certificate evidencing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly signed and completed Change of Control Put

Notice obtainable from the Registrar or any Transfer Agent within the Change of Control Put Period. No Certificate so deposited and option so exercised may be withdrawn without the prior consent of the Issuer. Payment in respect of any Certificate so deposited will be made, if the holder duly specified a bank account in the Change of Control Put Notice to which payment is to be made, on the Change of Control Put Date by transfer to that bank account and, in every other case, by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register, and in each case, the Transfer Agent will issue a receipt as evidence of such payment.

The Issuer shall redeem or purchase (or procure the purchase of) the relevant Notes on the Change of Control Put Date unless previously redeemed (or purchased) and cancelled.

If 85 per cent. or more in principal amount of the Notes outstanding immediately prior to the Change of Control Put Date have been redeemed or purchased pursuant to this Condition 6(f), the Issuer may, on giving not less than 30 nor more than 60 days' notice to the Noteholders, in accordance with Condition 16, and to the Trustee (such notice being given within 30 days after the Change of Control Put Date), redeem or purchase (or procure the purchase of), at its option, all but not some only of the remaining outstanding Notes at 100 per cent. of their principal amount, together with interest accrued to (but excluding) the date fixed for such redemption or purchase.

The Trustee is under no obligation to ascertain whether a Change of Control Put Event or Change of Control or any event which could lead to the occurrence of or could constitute a Change of Control Put Event or Change of Control has occurred, or to seek any confirmation from any Rating Agency pursuant to paragraph (iii) above, and, until it shall have actual knowledge or notice pursuant to the Trust Deed to the contrary, the Trustee may assume that no Change of Control Put Event or Change of Control or other such event has occurred.

In this Condition 6(f):

"Relevant Potential Change of Control Announcement" means any public announcement or statement by or on behalf of the Guarantor, any actual or potential bidder or any adviser acting on behalf of any actual or potential bidder relating to any potential Change of Control where within 180 days following the date of such announcement or statement, a Change of Control occurs.

If the rating designations employed by any of Moody's, Fitch or S&P are changed from those which are described in the definition of "Negative Rating Event" above, or if a rating is procured from a Substitute Rating Agency, the Issuer or the Guarantor shall determine, with the agreement of the Trustee, the rating designations of Moody's, Fitch or S&P or such Substitute Rating Agency (as appropriate) as are most equivalent to the prior rating designations of Moody's, Fitch or S&P and this Condition 6(f) shall be construed accordingly.

- (i) **Cancellation:** All Notes purchased by or on behalf of the Issuer, the Guarantor, Mondi Limited or any of their respective subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer and the Guarantor in respect of any such Notes shall be discharged.

The Issuer and the Guarantor reserve the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities, (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed in each case, as approved by the Trustee and (vii) a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive.

In addition, the Issuer and the Guarantor shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

- (f) **Unmatured Coupons and Receipts and unexchanged Talons:**
 - (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes (other than Dual Currency Notes or Index Linked Notes), such Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final

- Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, Dual Currency Note or Index Linked Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.

 - (v) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
 - (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.
- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

- (a) **Meetings of Noteholders:** The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Issuer, the Guarantor, the Trustee or by Noteholders holding not less than 10 per cent in nominal amount of the Notes for the time being outstanding, and shall be convened by the Issuer at the written request of such proportion of Noteholders. The quorum for any meeting convened to consider an Extraordinary Resolution shall be one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the principal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, or (viii) to modify or cancel the Guarantee, in which case the necessary quorum shall be one or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-quarter, in nominal amount of the Notes for the time being outstanding. The Trust Deed provides that a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

The Trust Deed provides that, for so long as Notes are held in global form through a clearing system, consents given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holder(s) of not less than three quarters in principal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

- (b) **Modification of the Trust Deed:** The Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to (i) any modification of any of the provisions of these Conditions, the Final Terms or the Trust Deed that is of a formal, minor or technical nature or is made to correct a manifest error or an error which is, in the opinion of the Trustee, proven, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed that in the opinion of the Trustee is not materially prejudicial to the interests of the Noteholders. Any such modification, authorisation or waiver shall be binding on the Noteholders, Receiptholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders in accordance with Condition 16 as soon as practicable.
- (c) **Substitution:** The Trust Deed contains provisions requiring the Trustee to agree, at the request of the Issuer but without the consent of the Noteholders, the Receiptholders or the Couponholders, to the substitution of the Guarantor or its successor in business (as defined in the Trust Deed) in place of the Issuer as principal debtor under the Notes or to the substitution of the successor in business of the Guarantor in place of the Guarantor as guarantor under the Trust Deed and the Notes and also contains provisions permitting the Trustee to agree, without the consent of the Noteholders, the Receiptholders or the Couponholders, to the substitution of any subsidiary of the Guarantor or its successor in business in place of the Issuer or Guarantor, or of any subsidiary of the Guarantor or its successor in business in place of the Issuer or Guarantor, or of any previous substituted company, as principal debtor or guarantor under the Trust Deed and the Notes subject, in each case, to certain conditions set out in the Trust Deed (including that, unless the Guarantor or its successor in business is the substitute obligor under the Notes and Coupons, the Guarantor shall guarantee the obligations of the substitute obligor). In the case of such a substitution the Trustee may agree, without the consent of the Noteholders, the Receiptholders or the Couponholders, to a change of the law governing the Notes, the Receipts, the Coupons, the Talons and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders. The Issuer will give notice of such a change of law to the Noteholders in accordance with Condition 16, and such a change of law will be binding on the Noteholders.
- (d) **Entitlement of the Trustee:** In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the

general interests of the Noteholders as a class (but shall not have regard to any interests arising from circumstances particular to individual Noteholders, Receiptholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Noteholders, Receiptholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholder or Couponholder be entitled to claim, from the Issuer, the Guarantor, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Noteholders, Receiptholders or Couponholders except to the extent already provided for in Condition 8 and/or any undertaking or covenant given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

12 Enforcement

The Trustee may, at any time, at its discretion and without notice, institute such proceedings and/or any other steps or action (including lodging an appeal in any proceedings) against or in relation to the Issuer and/or the Guarantor and/or Mondi Limited as it may think fit to enforce the terms of the Trust Deed, the Notes, the Receipts, the Coupons and the Deed Poll Guarantee or otherwise, but it need not take any such proceedings or other steps or action unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-fifth in nominal amount of the Notes outstanding, and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Noteholder, Receiptholder or Couponholder may (i) take any steps or action against the Issuer or the Guarantor or Mondi Limited to enforce the performance of any of the provisions of the Trust Deed, the Notes, the Receipts or the Coupons or (ii) take any other proceedings (including lodging an appeal in any proceedings) in respect of or concerning the Issuer, the Guarantor or Mondi Limited, in each case unless the Trustee, having become bound so to take any such action, steps or proceedings, fails to do so within a reasonable time and such failure is continuing.

The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in the jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

13 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured and/or prefunded to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer, the Guarantor and any entity related to the Issuer or the Guarantor without accounting for any profit.

The Trustee may rely without liability to Noteholders or Couponholders on a report, confirmation or certificate or any advice of any accountants, financial advisers, financial institution or any other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation or certificate or advice and such report, confirmation or certificate or advice shall be binding

on the Issuer, the Guarantor, Mondi Limited, the Trustee, the Noteholders, the Couponholders and the Receiptholders.

14 Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent in Luxembourg (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

15 Further Issues

The Issuer may from time to time without the consent of the Noteholders, Couponholders or Receiptholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

16 Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

17 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

18 Governing Law

The Trust Deed, the Notes, the Receipts, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

1 Initial Issue of Notes

If the Global Notes or the Global Certificates are stated in the applicable Final Terms to be issued in NGN form or to be held under the NSS (as the case may be), the Global Notes or the Global Certificates will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper. Depositing the Global Notes or the Global Certificates with the Common Safekeeper does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Global notes which are issued in CGN form and Global Certificates which are not held under the NSS may be delivered on or prior to the original issue date of the Tranche to a Common Depository.

If the Global Note is a CGN, upon the initial deposit of a Global Note with a common depository for Euroclear and Clearstream, Luxembourg (the "Common Depository") or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid. If the Global Note is a NGN, the nominal amount of the Notes shall be the aggregate amount from time to time entered in the records of Euroclear or Clearstream, Luxembourg. The records of such clearing system shall be conclusive evidence of the nominal amount of Notes represented by the Global Note and a statement issued by such clearing system at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Notes that are initially deposited with the Common Depository may also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

2 Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other permitted clearing system ("Alternative Clearing System") as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or any such Alternative Clearing System (as the case may be) for his share of each payment made by the Issuer, the Guarantor or Mondi Limited to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, or such Alternative Clearing System (as the case may be). Such persons shall have no claim directly against the Issuer, the Guarantor or Mondi Limited in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer, the Guarantor or Mondi Limited will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

3 Exchange

3.1 Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (i) if the relevant Final Terms indicates that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “Overview of the Programme – Selling Restrictions”), in whole, but not in part, for the Definitive Notes defined and described below; and
- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Final Terms, for Definitive Notes.

3.2 Permanent Global Notes

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under paragraph 3.4 below, in part for Definitive Notes if (i) the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so; or (ii) an Event of Default (as defined in Condition 10) has occurred and is continuing.

In the event that a Global Note is exchanged for Definitive Notes, such Definitive Notes shall be issued in Specified Denomination(s) only. A Noteholder who holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

3.3 Permanent Global Certificates

If the Final Terms state that the Notes are to be represented by a permanent Global Certificate on issue, the following will apply in respect of transfers of Notes held in Euroclear or Clearstream, Luxembourg or an Alternative Clearing System. These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Transfers of the holding of Notes represented by any Global Certificate pursuant to Condition 2(b) may only be made in part:

- (i) if the relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (ii) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to paragraph 3.3(i) or 3.3(ii) above, the Registered Holder has given the Registrar not less than 30 days' notice at its specified office of the Registered Holder's intention to effect such transfer.

3.4 Partial Exchange of Permanent Global Notes

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable

in part on one or more occasions for Definitive Notes if so provided in, and in accordance with, the Conditions (which will be set out in the relevant Final Terms) relating to Partly Paid Notes.

3.5 Delivery of Notes

If the Global Note is a CGN, on or after any due date for exchange, the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Issuing and Paying Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes or if the Global Note is a NGN, the Issuer will procure that details of such exchange be entered *pro rata* in the records of the relevant clearing system. In this Prospectus, “Definitive Notes” means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Trust Deed. On exchange in full of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

3.6 Exchange Date

“Exchange Date” means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and in the city in which the relevant clearing system is located.

4 Amendment to Conditions

The temporary Global Notes, permanent Global Notes and Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Prospectus. The following is a summary of certain of those provisions:

4.1 Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note in CGN form will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Issuing and Paying Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. If the Global Note is a CGN, a record of each payment

so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. Condition 7(e)(vii) and Condition 8(e) will apply to the Definitive Notes only. For so long as the Notes are represented by a Global Certificate, notwithstanding the provisions of Condition 7(b)(ii), each payment will be made to, or to the order of, the person whose name is entered in the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where “Clearing System Business Day” means Monday to Friday inclusive except 1 January and 25 December. If the Global Note is a NGN or if the Global Certificate is held under the NSS, the Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the Global Note or the Global Certificate will be reduced accordingly. Payments under a NGN will be made to its holder. Each payment so made will discharge the Issuer’s obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge. For the purposes of any payments made in respect of a Global Note, the relevant place of presentation shall be disregarded in the definition of “business day” set out in Condition 7(h) (Non-Business Days).

4.2 Prescription

Claims against the Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 9).

4.3 Meetings

The holder of a permanent Global Note or of the Notes represented by a Global Certificate shall, at any meeting of Noteholders be treated as having one vote in respect of each integral currency unit of the Specified Currency of the Notes. (All holders of Registered Notes are entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes comprising such Noteholder’s holding, whether or not represented by a Global Certificate.)

4.4 Cancellation

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant permanent Global Note.

4.5 Purchase

Notes represented by a permanent Global Note may only be purchased by the Issuer, the Guarantor or any of their respective subsidiaries if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

4.6 Issuer’s Option

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of

accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) or any other Alternative Clearing System (as the case may be).

4.7 Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the accountholders giving notice to the Issuing and Paying Agent, within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions, of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and at the same time presenting or procuring the presentation of the relevant Global Note to the Agent for notation accordingly, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time, where the permanent Global Note is a CGN, presenting the permanent Global Note to the Issuing and Paying Agent, or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation. Where the Global Note is a NGN or where the Global Certificate is held under the NSS, the Issuer shall procure that details of such exercise shall be entered *pro rata* in the records of the relevant clearing system and the nominal amount of the Notes recorded in those records will be reduced accordingly.

4.8 NGN Nominal Amount

Where the Global Note is a NGN, the Issuer shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Notes, as the case may be, in addition to the circumstances set out above shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Notes represented by such Global Note shall be adjusted accordingly.

4.9 Trustee's Powers

In considering the interests of Noteholders while any Global Note is held on behalf of, or Registered Notes are registered in the name of any nominee for, a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to such Global Note or Registered Notes and may consider such interests as if such accountholders were the holders of the Notes represented by such Global Note or Global Certificate.

4.10 Notices

So long as any Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note.

5 Partly Paid Notes

The provisions relating to Partly Paid Notes are not set out in this Prospectus, but will be contained in the relevant Final Terms and thereby in the Global Notes. While any instalments of the subscription moneys due from the holder of Partly Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a permanent Global Note or for Definitive Notes (as the case may be). If any Noteholder fails to pay any instalment due on any Partly Paid Notes within the time specified, the Issuer may forfeit such Notes and shall have no further obligation to their holder in respect of them.

6. Record Date in respect of Registered Notes

Each payment in respect of Registered Notes whilst in global form will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where Clearing System Business Day means Monday to Friday inclusive except 25 December and 1 January.

USE OF PROCEEDS

The net proceeds from the issue of each Tranche of Notes will be applied by the Issuer for general corporate purposes, which include making a profit. If, in respect of any particular issue of Notes which are derivative securities for the purposes of Article 15 of the Commission Regulation No. 809/2004 implementing the Prospectus Directive, there is a particular identified use of proceeds, this will be stated in the applicable Final Terms.

DESCRIPTION OF THE GROUP

1 General

1.1 Overview

The Guarantor was incorporated as HACKPLIMCO No.119 PLC under the Companies Act 1985 on 11 April 2007 in England and Wales as a public limited company with registered number 6209386 and its name was changed to Mondi plc on 17 April 2007. The Guarantor's registered office is at Building 1, First Floor, Aviator Park, Station Road, Addlestone, Surrey, KT15 2PG and its telephone number is +44 1932 826 300.

The Guarantor and Mondi Limited are the dual holding companies of the Group. In this Prospectus, the Guarantor, Mondi Limited and their subsidiaries taken as a whole are referred to as "Mondi" or the "Group".

Mondi is an integrated paper and packaging group with revenue of €6.2 billion for the year ended 31 December 2010. Its key operations are located in central Europe, Russia and South Africa. Mondi is principally involved in the manufacture of packaging paper, packaging products (including corrugated packaging and industrial bags), office paper and speciality products such as release liner, extrusion coating and consumer flexible packaging products. In addition, it has newsprint operations in South Africa, the United Kingdom and Russia.

Mondi is integrated across the paper and packaging production process from the growing of wood for pulp production and the manufacture of pulp and paper to the conversion of packaging papers into corrugated packaging, industrial bags, coated products and consumer packaging.

Mondi has production operations in approximately 103 production sites across 31 countries. The Group averaged approximately 29,000 employees during 2010.

1.2 Group History

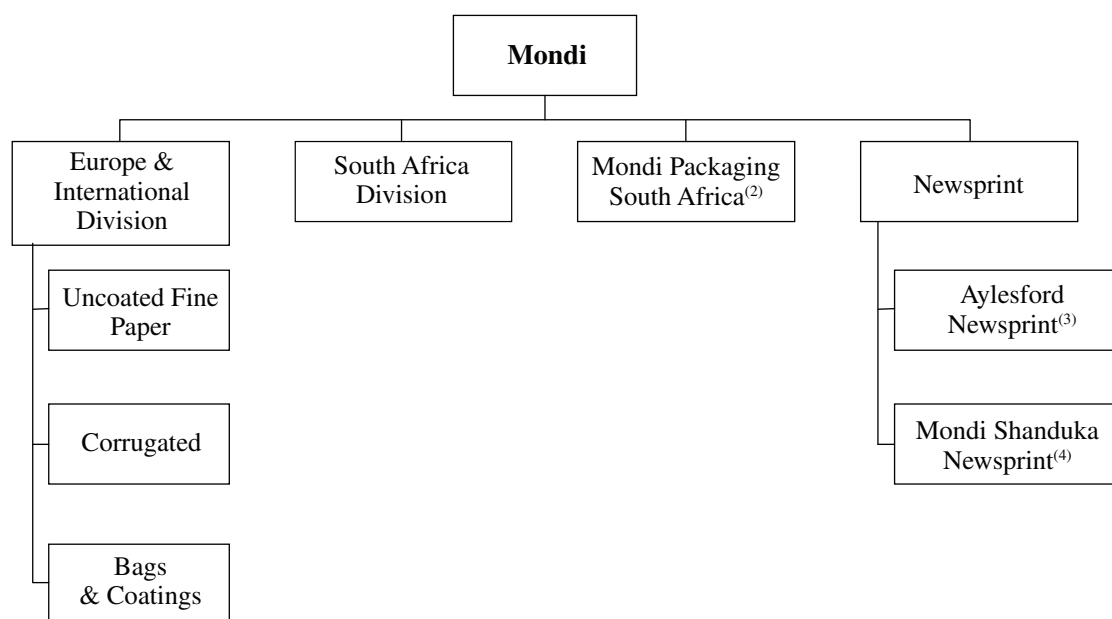

In 1967, Anglo American plc founded Mondi to build what became the Merebank mill near Durban in South Africa. In the early 1990s, Mondi entered Europe² with the acquisition of two Austrian based paper groups and subsequently expanded its operations through both acquisitions and organic growth to become one of the leading paper and packaging groups in central Europe, Russia and Southern Africa.

On 3 July 2007, Mondi was demerged from Anglo American plc (the "Demerger"). Mondi is an integrated corporate group established under a dual listed company ("DLC") structure with dual holding companies, the Guarantor, listed on the London Stock Exchange with a secondary listing on the Johannesburg Stock Exchange (the "JSE"), and Mondi Limited, listed on the JSE. Following the Demerger and with effect from 1 January 2008, the Group was reorganised into two primary divisions – the Europe & International Division (the "Europe & International Division") and the South Africa Division (the "South Africa Division"). The remainder of the Group consists of the South African packaging business, Mondi Packaging South Africa, and the Newsprint businesses.

(2) Europe means western Europe and Emerging Europe.

2 Business Structure

The following chart summarises the Group's current business structure³:

Notes:

- (1) This is the organisational structure. It does not reflect the DLC Structure.
- (2) The Group has a 70 per cent. ownership interest in Mondi Packaging South Africa. Shanduka Packaging (Proprietary) Limited owns 25 per cent. and Mondi Employee Investment Company Limited owns 5 per cent.
- (3) Aylesford Newsprint is the subsidiary of a joint venture between Mondi and Svenska Cellulosa Aktiebolaget which each own 50 per cent. in the joint venture company.
- (4) The Group has a 50 per cent. ownership interest in Mondi Shanduka Newsprint. Of the remaining 50 per cent. Shanduka Newsprint (Proprietary) Limited owns 42 per cent., Mondi Employee Investment Company Limited owns 4 per cent. and 4 per cent. has been set aside for Mondi Shanduka Community Trust.

The Europe & International Division comprises Mondi's packaging and uncoated fine paper operations which are located primarily in Europe with additional presence in North America, the Middle East, North Africa and Asia. The Europe & International Division is organised into three businesses: Uncoated Fine Paper Business (the "UFP Business"), Corrugated Business (the "Corrugated Business") and Bags & Coatings Business (the "Bags & Coatings Business").

The South Africa Division combines the uncoated fine paper operations in Merebank as well as the woodchip, containerboard and pulp mill operations in Richards Bay including its related forestry operations.

Mondi Packaging South Africa is organised into two businesses: a paper packaging business and a rigid plastic packaging business. The paper packaging business is integrated across the recycled based corrugated value chain and also produces cartonboard. Mondi Packaging South Africa divested its merchant business as of 1 April 2011 to the South Africa Division.

The Newsprint businesses consist of Mondi Shanduka Newsprint, a leading producer of newsprint in South Africa and Aylesford Newsprint, a leading producer of newsprint in the United Kingdom.

In the financial year ended 31 December 2010, prior to inter-segment elimination, the Europe & International Division generated 74 per cent. of the Group's revenues, the South Africa Division generated 9 per cent. of the Group's revenues, Mondi Packaging South Africa generated 10 per cent. of the Group's revenues and the Newsprint businesses³ generated 7 per cent. of the Group's revenues.

(3) Revenue of the Merchant business is included in the results of the Newsprint businesses segment up to the date of its disposal

3 DLC Structure

Mondi is an integrated corporate group established under a dual listed company structure with dual holding companies, the Guarantor, listed on the London Stock Exchange with a secondary listing on the JSE, and Mondi Limited, listed on the JSE.

The following is a simplified illustration of the DLC Structure.

Mondi operates as a single corporate group. As the Guarantor and Mondi Limited are separate corporate entities they each have a separate board of directors, but these boards are comprised of the same persons. The boards, in addition to their duties to the company concerned, have regard to the interests of both the shareholders of the Guarantor and Mondi Limited as if the two companies were a single economic enterprise.

Ordinary shareholders of the Guarantor and Mondi Limited have economic and voting interests in Mondi. The economic and voting interests represented by an ordinary share in one company relative to the economic and voting interests represented by an ordinary share in the other company are determined by reference to a ratio known as the Equalisation Ratio. As at the date of this Prospectus the Equalisation Ratio is 1:1 (i.e. an ordinary share in either the Guarantor or Mondi Limited gives the holder an equivalent effective economic and voting interest in Mondi).

As part of the DLC structure, Mondi Limited has entered into a deed poll guarantee dated 2 July 2007 (the “Deed Poll Guarantee”) whereby Mondi Limited guarantees certain obligations of the Guarantor to creditors of the Guarantor, which include the obligations of the Guarantor under its guarantee of the Notes, and undertakes to each of them that, if for any reason the obligation is not met on its due date, Mondi Limited shall pay the amount due and unpaid to the creditor upon written demand by the creditor.

A demand may not be made under the Deed Poll Guarantee without a demand first being made on the Guarantor.

Mondi Limited may at any time amend the Deed Poll Guarantee in respect of future guaranteed obligations upon giving not less than three months' notice of such fact. Any such amendment will not be effective in respect of any existing guaranteed obligation of the Guarantor. Any such amendment will require the agreement of the Guarantor unless a resolution has been passed or an order made for the liquidation or winding up of the Guarantor.

For so long as Notes may be issued pursuant to this Prospectus, the Deed Poll Guarantee will be available, during usual business hours on any weekday (Saturdays, Sundays and public holidays excepted), for inspection at the office of the Guarantor.

In the event that any amendment is made to the Deed Poll Guarantee that affects the rights of holders of the Notes, the Issuer will publish a supplement to this Prospectus.

4 Strategy and Strengths

Mondi's ambition is to be one of the best performing paper and packaging groups in the world. It is committed to delivering superior returns, above the average of its competitors. To deliver that ambition Mondi's strategy is to focus on:

- building on its leading market positions in its chosen markets, particularly in emerging markets which continue to offer above average long term growth potential;
- enhancing its low-cost, high quality, production assets to achieve cost leadership in its chosen markets; and
- continuing to deliver on its culture of cost-consciousness and ongoing operational improvement.

While there are no current plans for major investment projects or significant acquisitions, the Group will continue to evaluate future opportunities in line with its strategy of investing in assets based around low-cost wood and other fibre resources as well as acquisition targets that offer clear market or operational synergies.

4.1 Strong market position

4.1.1 Leading market positions

The Group aims to sustain and develop the leading positions it has in many of the sectors in which it operates, with a specific focus on high-growth emerging markets. Based on the most recent available industry reports and internal estimates, Mondi believes that it is:

- the largest producer of kraft paper in Europe based on production capacity⁴ and the largest industrial bag manufacturer in Europe based on sales volumes⁵;
- the second largest producer of virgin containerboard in Europe based on production capacity⁶;
- the third largest producer of corrugated packaging in central and south east Europe based on production⁷;
- the largest producer of office paper and uncoated fine paper in Europe based on sales volumes⁸; and

- the largest producer of corrugated packaging in South Africa based on sales volumes⁹, and the largest producer of uncoated fine paper and newsprint in South Africa based on production capacity¹⁰.

In addition, based on AWA and its own estimates Mondi believes that it is the third largest supplier of release liner in Europe and the second largest supplier of extrusion coating products in Europe.

4.1.2 High exposure in strong growth locations

The Group continues to position its operations to exploit growth opportunities in a number of emerging markets in which it operates such as South Africa and Emerging Europe as the Group believes that emerging markets provide the most opportunity for growth. A significant amount of the Group's products produced in emerging markets are sold in western Europe, with an increasing proportion being sold in Emerging Europe. In the financial year ended 31 December 2010, revenues from emerging markets accounted for approximately 55 per cent. of total Group revenue.

4.2 Strong asset base

4.2.1 Low-cost production

Mondi's ability to deliver returns above the average of its competitors is mainly driven by the low-cost production advantage enjoyed by a number of the Group's pulp and paper mills. These include the Syktyvkar mill in Russia, the Richards Bay mill in South Africa, the Štětí mill in the Czech Republic, the Świecie mill in Poland and the Ružomberok mill in Slovakia.

Cost advantages in these regions typically come from lower wood, energy and personnel costs. Management continues to emphasise maintaining and developing the Group's asset base in lower operating cost environments by focusing capital spend on sites located in lower-cost regions. Over the period from 1 January 2006 to 31 December 2010, the Group invested a total of approximately €1.5 billion on expansion, of which €1.1 billion was spent on its main sites located in lower-cost emerging markets such as Emerging Europe and South Africa. The remainder was spent in more mature markets such as western Europe.

In 2010 Mondi completed its €545 million investment in the expansion and modernisation of the mill at Syktyvkar in Russia. At 31 December 2010 approximately €35 million was left to spend on this project. The benefits of this investment include increased product quality, lower operating costs, improved efficiencies, increased energy production, an increase in capacity in pulp, uncoated fine paper and containerboard and a reduced environmental impact. Mondi believes that the additional uncoated fine paper and containerboard production will be absorbed by the growing domestic demand in Russia.

4.2.2 Access to low-cost wood

Wood is a key raw material in the paper making process. It is the principal raw material used in the production of pulp, which is in turn used to make paper. In South Africa and Russia, where the Group has its own forestry operations, the Group enjoys particularly low wood costs. The Group continues to investigate opportunities to expand its low-cost wood resources which will help to maintain and enhance the Group's low-cost position.

4.2.3 High level of vertical integration and self-sufficiency

Mondi's businesses are highly vertically integrated. The Group owns both "upstream assets", including forests from which to source wood and the mills required to turn wood into pulp, and "downstream converting assets", including plants to convert pulp into value added products, such as

(9) Source Mondi estimates and BMI.

(10) Source: PAMSA and Mondi estimates.

uncoated fine paper, containerboard, kraft papers and converted packaging products. Its upstream assets give it a significant degree of self-sufficiency. Self-sufficiency refers, in the case of wood, to the Group's annual allowable cut expressed as a percentage of the Group's total wood requirements and, in the case of pulp, to the Group's overall production of pulp as a percentage of the Group's overall pulp requirement for paper production. Mondi believes that a high level of integration allows the Group to benefit from improved security of supply and reduces its exposure to price volatility of the key raw materials, particularly wood and pulp. The Group intends to continue to pursue a high level of vertical integration.

Mondi's total wood consumption used for pulp production in the year ended 31 December 2010 was approximately 15.0 million m³. The Group has access to leased and owned forests in Russia and South Africa, which provide an annual allowable cut of around 8.3 million m³, which represents, potentially, 56 per cent. of the total amount of wood the Group currently requires for pulp production. The amount of wood actually procured from Mondi's own forests during any period can vary depending on commercial, logistic and sustainability considerations. In the year ended 31 December 2010, the consumption of wood from Mondi's forests amounted to 29 per cent. of the Group's total wood consumption. Mondi's total pulp consumption in the year ended 31 December 2010 was approximately 3.6 million tonnes. The Group's supply of pulp is sourced from a combination of the Group's own pulp mills and purchases from third party suppliers. In the year ended 31 December 2010, Mondi's own pulp production comprised nine integrated pulp mills which collectively produced approximately 3.7 million tonnes of pulp, giving the Group a small net long position in pulp required for paper production.

4.3 Focus on performance

In order to maintain the Group's position as one of the lowest-cost producers in the sectors in which it operates, management continually reviews the financial and operational performance of its operations.

4.3.1 Business excellence and rigorous cost control programmes

The Group has established business excellence programmes aimed at reducing costs and improving the profitability of the Group. They specifically focus on operational performance and prudent asset management. These programmes target continuous improvement of productivity, efficiency and reliability of operations through cost reduction programmes and profit improvement initiatives. These programmes also encompass sustainability, human resources development and innovation.

These business excellence and rigorous cost control programmes are important in maintaining the Group's position as one of the lowest-cost producers in the sectors in which it operates. Management will continue to focus on these initiatives and believes they will continue to deliver future benefits to the Group.

4.3.2 Pro-active restructuring and rationalisation programmes

In 2007, following the Demerger, the Group restructured its organisation into its current divisions to improve both effectiveness and efficiency by eliminating duplication within the organisation, simplifying processes and aligning its business model across the Group.

The Group is committed to closing or divesting sites which it considers to be underperforming and proactively closes or sells sites that do not meet or are not deemed capable of meeting the Group's performance criteria. Since 2006, Mondi has closed one uncoated fine paper mill in Szolnok, Hungary and mothballed two uncoated fine paper machines in Merebank, South Africa. Since 2006, it has either closed or divested 4 recycled containerboard mills, 27 corrugated packaging sites, 12 industrial bag plants and six coatings and consumer packaging plants.

In 2010 the decision was taken to exit the South Africa Division's European uncoated fine paper export business due to poor profitability and to focus on the domestic and African markets. As a

consequence, the 120,000 tonne UFP machine in Merebank was mothballed in September 2010, and a restructuring programme was initiated to realign the cost base of the business.

In 2010 Mondi concluded a two year programme of restructuring of its western European corrugated packaging and recycled containerboard portfolio in response to ongoing overcapacity concerns in western Europe, and a desire to improve Mondi's asset quality and refine Mondi's geographical footprint around core central European and Turkish positions. This programme has seen the Group either closing or selling four of Mondi's five western European recycled containerboard mills (Holcombe in the United Kingdom, Niedergösgen in Switzerland, Monza in Italy, and Frohnleiten in Austria) with aggregate capacity of 540,000 tonnes per annum. In addition, Mondi sold all its corrugated box plants in the United Kingdom and France.

On 4 May 2010, Mondi signed an agreement with the Heinzel Group for the sale of its shares in Europapier AG, a paper merchant business selling graphic, packaging and office papers to customers across central Europe, eastern Europe and Russia. The transaction was concluded on 4 November 2010.

On 7 September 2010, Mondi signed a sale agreement with Hadera Paper Limited to reduce its interest in Mondi Hadera Paper Limited, a non-integrated paper mill in Israel with capacity to produce 145,000 tonnes per annum of office and printing papers, which are predominately sold in the local market, from a 50.1 per cent. controlling interest to a 25 per cent. non-controlling interest. The transaction was concluded on 31 December 2010.

4.3.3 Experienced management team

Mondi's senior management team have extensive paper and packaging industry experience and a proven record of managing international businesses, acquiring and integrating new businesses and implementing cost reduction programmes and profit improvement initiatives. The Group continues to ensure it has an experienced and skilled management team.

5 Description of the Businesses

5.1 Europe & International Division

5.1.1 Overview

The Europe & International Division achieved revenues of €4.9 billion for the year ended 31 December 2010, which (including inter-segment revenue) accounted for 74 per cent. of the Group's revenues. The Europe & International Division comprises three businesses:

- **Uncoated Fine Paper Business** which manufactures uncoated fine paper that is converted into office papers (cut size) and professional printing papers sold in folio form or large reels. The UFP Business (including inter-segment revenue) represented 30 per cent. of the Europe & International Division's revenues for the year ended 31 December 2010.
- **Corrugated Business** which manufactures and sells containerboard as well as a wide range of converted products, including corrugated board, corrugated boxes and point of sale displays. The Corrugated Business (including inter-segment revenue) represented 25 per cent. of the Europe & International Division's revenues for the year ended 31 December 2010.
- **Bags & Coatings Business** which manufactures and sells a range of kraft papers and industrial bags for cement and other building materials, chemicals, food, animal feed and other applications, as well as release liner, extrusion coating and consumer flexible packaging products. The Bags & Coatings Business (including inter-segment revenue) represented 45 per cent. of the Europe & International Division's revenue for the year ended 31 December 2010.

The Europe & International Division's businesses are vertically integrated. The Directors believe that, as a result of this integrated approach, they have better control over raw materials supply and costs than their non-integrated competitors and can more readily adapt to their customers' requirements.

In the year ended 31 December 2010, 51 per cent. of the Europe & International Division's sales were made in western Europe and 29 per cent. of sales were made in Emerging Europe. The remaining 20 per cent. of sales were made mainly in North America and Asia.

5.1.2 UFP Business

As manufacturer of pulp and uncoated fine paper, the UFP Business is vertically integrated across the paper value chain.

(i) Products

The UFP Business produced 1.5 million tonnes of uncoated fine paper in the year ended 31 December 2010, the UFP Business's core product, while it also produced 0.2 million tonnes of newsprint in the year ended 31 December 2010 mainly for the local market in Russia. Within the uncoated fine paper product category, the UFP Business differentiates between its "universal" paper segment and its "speciality" paper segment, the former accounting for the majority of its paper revenues.

The UFP Business has a number of "own brand" products which include Color Copy, a leading colour laser paper brand in western Europe, and Snegurochka, a leading office paper brand in Russia.

Furthermore, the UFP Business produces pulp which is mainly used in its paper-making operations and generates energy during the production process some of which is sold to third parties.

(ii) Plants and forestry operations

Mondi has a 51 per cent. interest in the company that owns the UFP mill and a 51 per cent. interest in the company that owns the Kraft paper mill.
- (3) Paper capacity includes 204,000 tonnes of newsprint capacity. The Syktyvkar mill pulp capacity includes 250,000 tonnes attributed to the Corrugated Business. Capacity shown includes the increased capacity at Syktyvkar as a result of the expansion and modernisation of the mill.

Forestry operations

The UFP Business leases approximately 2.1 million hectares of forests in the Komi Republic, Russia, on a long-term basis. The trees in these forests are softwood species, including spruce and pine, and hardwood species, such as birch and aspen. The leased forests in Russia provide a current annual allowable cut of approximately 5.1 million m³.

5.1.3 Corrugated Business

As manufacturer of pulp, containerboard and corrugated packaging, the Corrugated Business is vertically integrated across the paper value chain.

(i) Products

The Corrugated Business manufactures and sells containerboard as well as a comprehensive range of converted products, including corrugated board, corrugated boxes, trays and point of sale displays.

Containerboard

Containerboard refers to kraftliner (including unbleached kraftliner and white top kraftliner) and semi-chemical fluting made from wood pulp (also known as virgin fibre-based containerboard), as well as testliner and fluting made from recovered paper (also known as recycled fibre-based containerboard). These products are used to make corrugated board, which is then converted into corrugated boxes, trays and displays. Both corrugated board and boxes/displays are generally referred to as corrugated packaging. The Corrugated Business' total containerboard production in the year ended 31 December 2010 amounted to 1.9 million tonnes. Internal consumption to make corrugated packaging products was approximately 0.7 million tonnes during the year, giving the business a net market exposure of 1.2 million tonnes in 2010.

In addition to producing containerboard, the Corrugated Business sells containerboard produced by the South Africa Division.

Corrugated packaging

The core corrugated products are corrugated boards and converted corrugated products such as regular cases, die cut cases, folded-glued cases, litho-laminated products, trays and displays. The Corrugated Business' production of corrugated board amounted to approximately 1.3 billion m² in 2010.

Corrugated packaging

The Corrugated Business has a network of 15 plants across central and south eastern Europe that produce corrugated packaging materials. 11 of these plants are located in eastern Europe (five in Poland and six in Turkey). The remaining plants are located in Austria and Germany. During 2010 the Corrugated Business sold its remaining three plants in the United Kingdom.

5.1.4 Bags & Coatings Business

As a manufacturer of pulp, kraft paper and industrial bags, the Bags & Coatings Business is vertically integrated across the paper value chain. It also has a small presence in the plastic based flexible packaging sector.

(i) **Products**

The Bags & Coatings Business manufactures and sells a range of kraft papers and industrial bags for cement and other building materials, chemicals, food, animal feed and other applications, as well as release liner, extrusion coating and consumer flexible packaging products.

Kraft paper

Kraft paper products include various grades of high-strength paper made out of virgin fibre which are used in the production of industrial bags mainly used for the building industry, wrappings, consumer flexible packaging and paper-based speciality products. The Bags & Coatings Business both sells kraft paper to third parties and consumes it internally. Sack kraft paper is the main grade of kraft paper sold by the Bags & Coatings Business. In the year ended 31 December 2010, the Bags & Coatings Business' production of kraft paper was approximately 1.0 million tonnes, while consumption of kraft paper by the Group to make industrial bags and speciality products was approximately 0.7 million tonnes, giving a net market exposure in kraft paper of approximately 0.3 million tonnes.

Industrial bags

The Bags & Coatings Business makes industrial bag products such as valve and open mouth bags. It produced approximately 3.9 billion industrial bags in the year ended 31 December 2010.

Coatings

Release liner

The Bags & Coatings Business produces release liner products (siliconising on paper, polymer-coated paper and plastic films) which are used for tapes, labels, graphic arts, hygienic, medical, industrial and other products. The Bags & Coatings Business produced approximately 1.5 billion m² of release liner products in the year ended 31 December 2010.

Extrusion coating

The Bags & Coatings Business produces extrusion-coated protective materials (polymer-coating on paper, board, aluminium and plastic films), which provide barriers against moisture, light, oxygen, grease, odours, aroma and gas diffusion for products including reel wrapping, ream wrapping, cartonboard, corrugated board and industrial bags. The Bags & Coatings Business produced approximately 1.7 billion m² of extrusion coating products in the year ended 31 December 2010.

Consumer flexible packaging

The Bags & Coatings Business produces films and laminates for flexible packaging and converted flexible packaging products, including stand-up pouches, paper and plastic bags and active packaging for convenience food. The Bags & Coatings Business produced approximately 0.6 billion

m² of consumer flexible products in the year ended 31 December 2010. In addition, the Bags & Coatings Business produced 74 thousand tonnes of plastic films in the year ended 31 December 2010.

Mondi has a 51 per cent. interest in the company that owns the UFP mill and a 51 per cent. interest in the company that owns the Kraft paper mill.

Industrial bags

The Bags & Coatings Business converts kraft paper and other materials into industrial bags at 38 converting operations, of which 18 are in western Europe, nine are in eastern Europe, five are in North America, five are in the Middle East and North Africa and one is in Asia. All the plants are wholly-owned by Mondi apart from the plants in the Middle East, North Africa and Asia.

In May 2010, the business acquired eight of Smurfit Kappa's western European industrial bag plants in Spain, France and Italy. The business has closed two of the plants in Spain and Italy and negotiations to close a further two plants in France have been completed. In January 2011 Mondi acquired Smurfit Kappa's remaining European bag converting plant in Poland.

Coatings

The Bags & Coatings Business operates 23 release liner, extrusion coating and consumer flexible packaging plants, four of which are located in North America and the remainder in western and eastern Europe.

5.2 South Africa Division

5.2.1 Overview

The South Africa Division is a vertically integrated business which manufactures uncoated fine paper, kraftliner, woodchips and pulp. It produced 0.7 million tonnes of pulp in the year ended 31 December 2010, of which approximately 0.4 million tonnes were used in its paper making operations and the remainder was sold in the market.

In the year ended 31 December 2010, the South Africa Division achieved revenues of €0.6 billion, which (including inter-segment revenue) accounted for 9 per cent. of the Group's revenues.

On 1 April 2011 the South Africa Division acquired the Paperlink business from Mondi Packaging South Africa. Paperlink is a paper merchant supplying mainly non-packaging paper grades to both the

printing and retail sectors in the local market. Paperlink's main sources of supply are the South Africa Division's Merebank mill as well as overseas mills. Paperlink sold approximately 52,000 tonnes of paper in the year ended 31 December 2010.

5.2.2 Products

The South Africa Division divides its products into two categories: uncoated fine paper and other products and containerboard.

Uncoated fine paper and other products

In the year ended 31 December 2010, the South Africa Division produced approximately 0.3 million tonnes of uncoated fine paper, the majority of which was office paper. The South Africa Division has a number of "own brand" products including ROTATRIM, a leading office paper brand in South Africa. In the year ended 31 December 2010, the South Africa Division sold approximately 0.3 million bone dry tonnes of woodchips and 0.3 million tonnes of pulp.

Containerboard

The South Africa Division produced approximately 0.3 million tonnes of white top kraftliner in the year ended 31 December 2010.

5.2.3 Plants and forestry operations

(i) Plants

The South Africa Division operates an integrated pulp and paper mill located in Richards Bay and a paper mill located in Merebank:

<u>Site</u>	<u>Current use</u>	<u>Pulp capacity⁽¹⁾</u>	<u>Paper capacity⁽¹⁾</u>
		<i>('000 tonnes per annum)</i>	
Richards Bay, South Africa	Production of pulp and paper	760	270
Merebank, South Africa	Production of paper	–	270

Note:

(1) This table includes the full-year pulp and paper capacity for each mill as at the date of this document.

(ii) Forestry operations

In South Africa, Mondi has forestry operations in the KwaZulu-Natal and Mpumalanga provinces. Following the sale of around 38,000 hectares of forestry assets in 2010 the South Africa Division managed 264,000 hectares of which 196,000 hectares were owned by the South Africa Division. Additionally, Mondi Shanduka Newsprint managed 47,000 hectares of forests. Of these, 18,000 hectares are owned by Mondi Shanduka Newsprint. The remainder are leased mainly from the South Africa Division or third parties.

In South Africa, the Restitution of Land Rights Act 1994 provides remedies for persons who were dispossessed of rights in land as a result of past racially discriminatory laws or practices. The Land Claims Court is empowered to make orders requiring the restoration of land (or any portion thereof), the payment of compensation (including to the landowner), compelling the state to include a claimant as a beneficiary in the state support programme for housing or granting the claimant an appropriate right in alternatively designated state land or any alternative or appropriate relief. During the year ended 31 December 2010 two land claims regarding Mondi holdings were settled, bringing to 11 the number of claims settled since October 2008. Under the settlements, structured as sale and leaseback arrangements, the South Africa Division retains ownership of the forests while ownership of the land is transferred to the claimant communities. It is anticipated that these recent settlements

of land claims will continue to provide a framework for settling future land claims. With the settlement of these land claims, Mondi estimates that approximately a further 113,000 hectares of its owned forestry land in South Africa remains subject to land claims. Mondi is permitted to continue to exploit the forests throughout the settlement process for the land claims.

On 19 March 2011 Mondi Limited signed an agreement with the South African Government Department of Rural Development and Land Reform in which both parties agreed to work together to expedite the settlement of the outstanding land claims in KwaZulu-Natal by 31 March 2013.

The remaining 67,000 hectares of land on which the South Africa Division's forests are located are leased to Mondi mainly through leases with remaining terms varying from one to 20 years. Management believes, based on precedent in the agricultural sector in South Africa, that approximately one-third of this leased land may also be subject to land claims. Under South African law, these leases will remain unaffected by the land claims, and the Group will continue as lessee of the properties regardless of whether or not the land claims are successful. In certain instances, where feasible, Mondi is facilitating land claims settlements relating to the leased land on similar terms to those included in its own land claims settlements.

The South Africa Division sets annual wood harvesting targets based on good forestry management and using both commercial and sustainability considerations. The wood harvested from the South Africa Division's plantation forests is primarily eucalyptus, a hardwood species.

Of the total 264,000 hectares available to the South Africa Division, 176,000 hectares are forested, while the remainder is open area set aside as part of the criteria for the Forestry Stewardship Council Certification.

5.3 Mondi Packaging South Africa

5.3.1 Demerger

On 7 April 2011 Mondi announced its intention to separate the Group's interest in Mondi Packaging South Africa via a demerger where all the ordinary shares in Mondi Packaging South Africa held by Mondi Limited will be distributed to the Mondi Limited ordinary shareholders. Mondi Packaging South Africa would be listed under a new name on the JSE.

As part of the proposed demerger, Mondi intends to undertake a "matching action" (for the purposes of the Mondi Group's DLC structure agreements) by way of a share consolidation of Mondi Limited ordinary shares. The matching action is intended to have, as far as practicable, an equivalent but not necessarily identical economic effect on Mondi plc ordinary shareholders to the economic effect of demerging Mondi Packaging South Africa ordinary shares to Mondi Limited ordinary shareholders.

The demerger and the matching action require various third party approvals and will also be subject to the approval of the shareholders of Mondi Limited and Mondi plc.

5.3.2 Overview

In the year ended 31 December 2010, Mondi Packaging South Africa had revenues of €0.6 billion (including inter-segment revenue), which accounted for 10 per cent. of Mondi's revenues (including inter-segment revenue). Mondi Packaging South Africa has 22 operating sites including the following mills which are part of the Packaging & Industrial Paper business:

Site	Current use	Pulp capacity ⁽¹⁾	Paper capacity ⁽¹⁾
		('000 tonnes per annum)	
Springs, South Africa	Production of recycled cartonboard	–	137
Felixton, South Africa	Production of containerboard	–	150
Piet Retief, South Africa	Production of containerboard	55	133

Note:

(1) This table includes the full-year pulp and paper capacity for each mill as at the date of this document.

5.3.3 Businesses

Mondi Packaging South Africa is organised in two businesses:

(i) Paper business

The paper business comprises of three divisions:

Packaging & Industrial Paper

The Packaging & Industrial Paper business has three mills producing containerboard and cartonboard grades: Springs Mill, Piet Retief Mill and Felixton Mill. The business also sells containerboard produced at the South Africa Division's Richards Bay Mill, selling mainly into South Africa and also exporting elsewhere in Africa and the Indian Ocean islands.

The Packaging & Industrial Paper business produces various grades of containerboard which are sold on reels to makers of corrugated board, including the Mondipak Corrugated business unit. The Mondi Packaging South Africa combined production of recycled containerboard and cartonboard in the year ended 31 December 2010 amounted to 0.4 million tonnes.

Mondipak Corrugated

The Mondipak Corrugated business unit manufactures corrugated packaging from containerboard across its production centres in South Africa and in Namibia. It produced 0.4 billion m² of corrugated packaging products in the year ended 31 December 2010.

Mondi Recycling

Management believes that Mondi Recycling is the largest paper recycling operation in South Africa, by volume of recovered fibre collected. The majority of the recovered paper collected is consumed by the Packaging & Industrial Paper business.

(ii) Plastics business

Mondipak Plastics

Mondipak Plastics specialises in the manufacture of styrene trays and fast food containers, clear plastic film products, jumbo bins for the agricultural market, other plastic bins and containers, as well as preforms, bottles, containers and closures for the food, beverage, household and toiletry industries.

5.4 Newsprint businesses

5.4.1 Overview

The Newsprint businesses consist of Mondi Shanduka Newsprint and Aylesford Newsprint, both being proportionally consolidated joint ventures. The Merchant and Newsprint businesses achieved revenues attributable to the Group of €0.5 billion (including inter-segment revenue) in the year ended 31 December 2010 which accounted for 7 per cent. of Mondi's revenues in that period.¹¹

The Newsprint businesses operate the following mills:

Site	Current use	Pulp capacity ⁽¹⁾	Paper capacity ⁽¹⁾
		<i>('000 tonnes per annum)</i>	
Aylesford	Production of newsprint	–	405
Merebank	Production of newsprint	180	220

Note:

(1) This table includes the full-year pulp and paper capacity for each mill as at the date of this document, not just the capacity attributable to Mondi.

5.4.2 Mondi Shanduka Newsprint

In the year ended 31 December 2010, Mondi Shanduka Newsprint produced approximately 218,000 tonnes of newsprint on two newsprint and telephone directory paper machines at its sole operation in Merebank, South Africa.

Mondi Shanduka Newsprint manages approximately 47,000 hectares of forests located in KwaZulu-Natal in South Africa which are either owned by Mondi Shanduka Newsprint or leased from the South Africa Division and third parties. 26,000 hectares are forested while the remaining open area is set aside as part of the criteria for the Forestry Stewardship Council certification. These forests made Mondi Shanduka Newsprint self sufficient with regards to its virgin wood requirements in the year ended 31 December 2010.

5.4.3 Aylesford Newsprint

Aylesford Newsprint produced approximately 376,000 tonnes of newsprint in the year ended 31 December 2010, in the United Kingdom using 100 per cent. recovered fibre. Aylesford Newsprint operates a single site in Kent in the United Kingdom with a large de-inking plant and two waste-based newsprint paper machines.

6 Intellectual Property Rights

Mondi owns a significant number of registered trade marks, has made several additional trade mark applications and owns several patents and registered designs relevant to its packaging, office paper and newsprint businesses in the various jurisdictions in which the Group conducts such business. Its patents and patent applications principally cover inventions relating to packaging and containers (including containers with reinforced components, stacking formulations or locking mechanisms). The Group's registered design rights protection relates to various box and container designs. The Group intends to maintain its patent and trade mark portfolios and to file further applications for any patents or trade marks which it deems to be important to its business operations. Consistent with the industry in which it operates, the Group's operations are not dependent to a significant extent on its patents, registered designs or trade marks or on any licences of any intellectual property rights from third parties.

(11) Revenue of the Merchant business is included in the results of the Newsprint businesses segment up to its date of disposal. Excluding the revenue of the Merchant business, the segment external revenue for the year ended 31 December 2010 would have been €151m.

HM Revenue & Customs have confirmed that securities that are admitted to trading on the Professional Securities Market satisfy the condition of being admitted to trading on the London Stock Exchange.

Whilst the Notes are and continue to be quoted Eurobonds, payments of interest by the Issuer on the Notes may be made without withholding or deduction for or on account of United Kingdom tax.

In all other cases, interest will generally be paid by the Issuer under deduction of United Kingdom income tax at the basic rate, subject to the availability of other reliefs or exemptions or to any direction to the contrary from HM Revenue & Customs in respect of such relief as may be available pursuant to the provisions of any applicable double taxation treaty. Persons in the United Kingdom (i) paying interest to or receiving interest on behalf of another person who is an individual, or (ii) paying amounts due on redemption of any Notes which constitute deeply discounted securities as defined in Chapter 8 of Part 4 of the Income Tax (Trading and Other Income) Act 2005 to or receiving such amounts on behalf of another person who is an individual, may be required to provide certain information to HM Revenue & Customs regarding the identity of the payee or person entitled to the interest and, in certain circumstances, such information may be exchanged with tax authorities in other countries. However, in relation to amounts payable on the redemption of such Notes, HM Revenue & Customs published practice indicates that HM Revenue & Customs will not exercise its power to obtain information where such amounts are paid or received on or before 5 April 2012.

EU Directive on the Taxation of Savings Income

Under the EU Savings Directive, each Member State is required to provide to the tax authorities of another Member State details of payments of interest (and/or other similar income) paid by a person within its jurisdiction to an individual or to certain other persons in that other Member State. However, for a transitional period, Luxembourg and Austria may instead (unless during that period they elect otherwise) apply a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

The European Commission has proposed certain changes to the provisions of the EU Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

SUBSCRIPTION AND SALE

Summary of Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 15 April 2011 (the "Dealer Agreement") between the Issuer, the Guarantor, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arranger for certain of its expenses incurred in connection with the establishment of the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

United States

The Notes and the Guarantee have not been and will not be registered under the Securities Act and the Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons. Each of the Dealers has represented and agreed that it has not offered, sold or delivered and will not offer, sell or deliver a Note in bearer form within the United States or to U.S. persons except as permitted by the Dealer Agreement. The Notes are being offered and sold outside the United States in reliance on Regulation S.

Bearer Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person except in certain transactions permitted by the U.S. tax regulations. Terms used in this paragraph have the meaning given to them by the United States Inland Revenue Code and regulations thereunder.

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealer Agreement, it will not offer or sell or, in the case of Bearer Notes, deliver Notes (i) as part of its distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of an identifiable tranche of which such Notes are a part, as determined and certified by the relevant Dealer (or, in the case of an identifiable tranche of Notes sold to or through more than one Dealer, by the relevant lead managers within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting out the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding sentence have the meanings given to them by Regulation S.

The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

This Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Prospectus does not constitute an offer to any person in the United States or to any U.S. person. Distribution of this Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States is prohibited.

In addition, until 40 days after the commencement of the offering of any identifiable tranche of Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

Public Offer Selling Restriction Under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (i) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (ii) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (iii) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (i) to (iii) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “Prospectus Directive” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in each Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

United Kingdom

Each Dealer has represented and agreed that:

- (i) in relation to any Notes which have a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the

issue of the Notes would otherwise constitute a contravention of section 19 of the FSMA by the Issuer;

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer or the Guarantor; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Law No.25 of 1948, as amended) (the “Financial Instruments and Exchange Act”). Accordingly, each of the Dealers has represented and agreed that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, a resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering or re-sale, directly or indirectly, in Japan or to, or for the benefit of, any resident in Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and other relevant laws and regulations of Japan.

General

These selling restrictions may be modified by the agreement of the Issuer, the Guarantor and the Dealers following a change in a relevant law, regulation or directive. Any such modification will be set out in the Final Terms issued in respect of the issue of Notes to which it relates or in a supplement to this Prospectus.

No representation is made that any action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Prospectus or any other offering material or any Final Terms, in any country or jurisdiction where action for that purpose is required.

Each Dealer has agreed that it shall, to the best of its knowledge and belief, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Prospectus, any other offering material or any Final Terms.
