Annual General Meeting 2012

We have pleasure in inviting you to the Annual General Meeting of Mondi plc which will be held at Haberdashers' Hall, 18 West Smithfield, London EC1A 9HQ, UK at 11:00 (UK time) on Thursday 3 May 2012.

The Notice of Annual General Meeting is set out on pages 2 to 10, followed on pages 11 to 20 by an explanation of each resolution proposed and notes about your rights as a shareholder and information regarding the appointment of proxies. All voting at the meeting will be conducted on a poll.

Enclosed with this Notice of Annual General Meeting is the Mondi Group integrated report and financial statements 2011 containing the audited combined and consolidated financial information for Mondi Limited and Mondi plc for the year ended 31 December 2011.

Adoption of new Articles of Association

While much of the business at the meeting will be ordinary business regularly proposed at annual general meetings we are, in addition, proposing the adoption of new Articles of Association. In South Africa a new Companies Act came into effect during 2011 and the Mondi Limited Memorandum of Incorporation is being updated to reflect the new company law. The Articles of Association of Mondi plc, as far as reasonably possible, are being brought into line with the Mondi Limited Memorandum of Incorporation to reflect the Mondi Group's dual listed company status.

A summary of the material changes is set out on pages 14 and 15.

In addition, a separate resolution is being proposed relating to the replacement of Article 108 (Borrowing Powers) with a revised Article 108 (Borrowing Powers). The change does not result in an increase in the overall borrowing powers of the Group but provides the Group with flexibility in line with the DLC structure. A full explanation can be found on page 15.

Final dividend

Shareholders are being asked to give their consent for Mondi Limited and Mondi plc to pay final dividends of 181.38548 rand cents per ordinary share and 17.75 euro cents per ordinary share, respectively. If the recommended final dividends are approved, the dividends will be paid on Thursday 10 May 2012 to all ordinary shareholders on each register of members on Friday 13 April 2012.

Action to be taken

Your involvement in the meeting is valued either in person or by proxy and is an important part of our dialogue with shareholders. If you are unable to attend the Annual General Meeting in person you can submit your voting instruction using the enclosed proxy form or alternatively electronically as explained in the notes to the Notice of Annual General Meeting on page 18. Please ensure that your proxy appointment reaches the registrar by no later than 11:00 (UK time) on Tuesday 1 May 2012. A proxy need not be a member of Mondi Limited or Mondi plc but must attend the meeting to represent you.

Submission of a proxy appointment will not prevent you from attending and voting in person should you wish to do so.

Recommendation

The directors of Mondi plc believe that all the proposals to be considered at the Annual General Meeting of Mondi plc are in the best interests of Mondi plc and its members and are likely to promote the success of Mondi plc for the benefit of its members as a whole. The directors unanimously recommend that you vote in favour of all the proposed resolutions as they intend to do in respect of their own beneficial holdings.

Yours sincerely

Cyril Ramaphosa
Joint chairman

David Williams

- 108.2 The Directors shall restrict the borrowings of the Company and exercise all voting and other rights, powers of control or rights of influence exercisable by the Company in relation to its Subsidiary Undertakings (if any) so as to secure (so far, as regards Subsidiary Undertakings, as by such exercise they can secure) that the aggregate amount for the time being remaining outstanding of all moneys borrowed by the Group and for the time being owing to persons outside the Group less the aggregate amount of Current Asset Investments shall not at any time without the previous sanction of an ordinary resolution exceed an amount equal to two and a half times the Adjusted Capital and Reserves.
- 108.3 For the purpose of this Article 108:
- 108.3.1 the **'Group'** means both the PLC Group and the Limited Group for the time being;

 - (v) making such adjustments as may be appropriate in respect of any variation in the amount of such paid-up share capital and/or any such reserves (other than profit and loss account) subsequent to the date of the relevant balance sheet and so that for this purpose if any issue or proposed issue of shares by the Company or Limited for cash has been underwritten, then such shares shall be deemed to have been issued and the amount (including any premium) of the subscription moneys payable in respect of them (not being moneys payable later than six months after the date of allotment) shall to the extent so underwritten be deemed to have been paid up on the date when the issue of such shares was underwritten (or, if such underwriting was conditional, on the date when it became unconditional);
 - (vi) making such adjustments as may be appropriate in respect of any distribution declared, recommended or made by the Company or Limited and their respective Subsidiary Undertakings, Subsidiaries and Associated Companies, as applicable, (to the extent not attributable directly or indirectly to the Company or Limited) out of profits earned up to and including the date of the relevant balance sheet to the extent that such distribution is not provided for in such balance sheet;
 - (vii) making such adjustments as may be appropriate in respect of any variation in the interests of the Company in its Subsidiary Undertakings (including a variation whereby an undertaking becomes or ceases to be a subsidiary undertaking) or any variation in the interests of Limited in its Subsidiaries or Associated Companies (including a variation whereby a Subsidiary or Associated Company becomes or ceases to be a Subsidiary or Associated Company) since the date of the relevant balance sheet;

- (ix) excluding minority interests in Subsidiary Undertakings, Subsidiaries and Associated Companies (as applicable) to the extent not already excluded;

108.3.5 **'moneys borrowed'** shall be deemed to include (to the extent that the same would not otherwise fall to be taken into account):

- (ii) the outstanding amount of acceptances (not being acceptances of trade bills in respect of the purchase or sale of goods in the ordinary course of trading) by any member of the Group or by any bank or accepting house under any acceptance credit opened on behalf of and in favour of any member of the Group;

- (viii) any part of the purchase price of any movable or immovable assets acquired by any member of the Group, the payment of which is deferred beyond the date of completion of the conveyance, assignment or transfer of the legal estate to such assets or, if no such conveyance, assignment or transfer is to take place within six months after the date on which the contract for such purchase is entered into or (if later) becomes unconditional, beyond that date;

but shall be deemed not to include:

- (ix) moneys borrowed by any member of the Group for the purpose of repaying, redeeming or purchasing (with or without premium) in whole or in part any other borrowed moneys falling to be taken into account and intended to be applied for such purpose within six months after the borrowing thereof pending the application for such purpose or, if earlier, the end of such period;

- of a default or for any other reason) at a premium or discount to their nominal or principal amount (to the extent applicable) then there shall be taken into account the amount (or the greater or greatest of two or more alternative amounts) which would, if those circumstances occurred, be payable on such repayment or, redemption or purchase at the date as at which the calculation is being made;
- 108.3.6 in relation to a partly-owned Subsidiary Undertaking, Subsidiary or Associated Company the **'minority proportion'** is a proportion equal to the proportion of its issued equity share capital which is not attributable to the Company or Limited (as applicable); and
- 108.3.7 **'Current Asset Investments'** means the aggregate of:

 - (ii) sums standing to the credit of any current or other account of any member of the PLC Group or the Limited Group with banks in the United Kingdom, South Africa or elsewhere to the extent that remittance of the same to the United Kingdom or South Africa is not prohibited by any law, regulation, treaty or official directive or, where remittance of the same to the United Kingdom or South Africa is so prohibited, to the extent that the same may be set off against or act as security for any moneys borrowed by such member; and
 - (iii) the amount of such assets as would be included in 'Current Assets – Investments' in a consolidated balance sheet of the PLC Group and/or the Limited Group prepared as at the date of the relevant calculation in accordance with the principles used in the preparation of the relevant balance sheet;
- less:
- (iv) in the case of a partly-owned Subsidiary Undertaking, Subsidiary or Associated Company, a proportion thereof equal to the minority proportion; and

- 108.4.1 if the amount outstanding on an Overdraft Account on a date as at which a calculation is being made for the purpose of the foregoing limit is not more than the amount outstanding on such Overdraft Account at the date of the relevant balance sheet, the whole of such amount shall be converted at the rate of exchange used for the purpose of such balance sheet; and
- 108.4.2 if the amount outstanding on an Overdraft Account on a date as at which the calculation is being made for such purpose exceeds the amount which was outstanding on the same Overdraft Account at the date of the relevant balance sheet (or if the latter amount is nil), an amount equal to the excess shall be converted at the rate of exchange or approximate rate of exchange (determined on such basis as the Auditors may determine or approve) on the last Business Day preceding the date as on which the calculation is being made for such purpose and the balance shall be converted at the rate of exchange used for the purpose of the relevant balance sheet.
- 108.5 The determination of the Auditors as to the amount of the Adjusted Capital and Reserves at any time shall be conclusive and binding on all concerned and for the purposes of their computation the Auditors may at their discretion make such further or other adjustments (if any) as they think fit. Nevertheless the Directors may act in reliance on a good faith estimate of the amount of the Adjusted Capital and Reserves at any time and if, in consequence the borrowing limit contained in these Articles is inadvertently exceeded, an amount of borrowed moneys equal to the excess may be disregarded until the expiration of three months after the date on which by reason of a determination of the Auditors or otherwise the Directors became aware that such a situation has or may have arisen.
- 108.6 No person dealing with the Company, Limited or any of their Subsidiary Undertakings, Subsidiaries or Associated Companies (as applicable) shall be concerned to see or enquire whether the borrowing limit is observed and no debt incurred or security given in excess of such limit shall be invalid or ineffectual unless the lender or the recipient of the security had, at the time when the debt was incurred or security given, express notice that the borrowing limit had been or would thereby be exceeded.

Explanation of resolutions

Resolutions 1 to 9 – re-election of directors

In accordance with governance best practice the Boards have decided that all directors will stand for re-election in 2012. The DLC nominations committee reviewed and recommended to the Boards the re-election of each of the directors. The independence of each of Stephen Harris, Imogen Mkhize, John Nicholas, Anne Quinn and David Williams as non-executive directors was reviewed and confirmed. The recent board evaluation also confirmed that each of the directors make an effective and valuable contribution to the Boards and demonstrate commitment to their respective roles and are therefore recommended for re-election.

Full biographical details of each director are set out in the Mondi Group integrated report and financial statements 2011 on pages 52 to 54.

Resolutions 10 to 12 – election of DLC audit committee members

South African company law requires that, at each Annual General Meeting, the shareholders elect the members of an audit committee. The three members proposed, each an independent non-executive director of both Mondi Limited and Mondi plc, are Stephen Harris, John Nicholas and Anne Quinn. The DLC nominations committee reviewed the suitability and qualifications of each director as members of the DLC audit committee and considers that each of Stephen Harris, John Nicholas and Anne Quinn has adequate relevant financial knowledge and experience to fulfill their duties as members of the DLC audit committee.

Full biographical details of each director are set out in the Mondi Group integrated report and financial statements 2011 on pages 53 and 54.

Resolutions 13 and 26 – 2011 integrated report and financial statements

The directors of Mondi Limited and Mondi plc are required by company law to present the audited financial statements, together with the reports of the DLC audit committee, the directors and the auditors for the financial year ended 31 December 2011 of the respective company to the meeting.

Enclosed with this Notice of Annual General Meeting is a copy of the Mondi Group integrated report and financial statements 2011 containing the audited combined and consolidated financial information of Mondi Limited and Mondi plc for the year ended 31 December 2011.

Resolutions 14 and 27 – directors' remuneration

Regulation in South Africa and the UK requires that the directors present a report on their remuneration during the period under review and details of the remuneration policy, for approval by shareholders. The report for the year ended 31 December 2011 is set out on pages 68 to 78 of the Mondi Group integrated report and financial statements 2011.

Resolutions 15 – Special resolution 1 – director fees

Regulation in South Africa requires that shareholders approve the fees paid to directors for their services as directors. Resolution 15 ratifies and confirms the base level of fees for the directors as set out in the Mondi Group integrated report and financial statements 2011 on page 73 and the continued payment of fees at the same level going forward. No increase in fees is proposed.

Resolutions 16 and 28 – final dividend

Final dividends for the year ended 31 December 2011 for Mondi Limited and Mondi plc of 181.38548 rand cents per ordinary share and 17.75 euro cents per ordinary share, respectively, are recommended by the directors. Shareholder approval for the declaration of these final dividends is required. If approved, the dividends will be paid on Thursday 10 May 2012 to shareholders on each register on Friday 13 April 2012.

The directors of Mondi Limited have applied the solvency and liquidity tests contemplated in the South African Companies Act 71 of 2008 in terms of which it has been concluded that Mondi Limited will satisfy such tests immediately after completing the proposed distribution.

Resolutions 17, 18, 29 and 30 – reappointment and remuneration of auditors

South African and UK company law requires that, at each general meeting at which accounts are laid, Mondi Limited and Mondi plc appoint auditors who will remain in office until the next general meeting at which accounts are laid. The boards of Mondi Limited and Mondi plc, having accepted the recommendation of the DLC audit committee, propose that Deloitte & Touche and Deloitte LLP be reappointed as Mondi Limited and Mondi plc's auditors, respectively. Resolutions 17 and 29 relate to the reappointment and resolutions 18 and 30 will authorise the DLC audit committee to agree the auditors' remuneration.

Resolution 19 – Special resolution 2 – financial assistance

This resolution is being proposed in order to comply with the requirements of sections 44 and 45 of the South African Companies Act 71 of 2008, to the extent that, on an interpretation thereof, the approval of shareholders is required for the directors to authorise any financial assistance by Mondi Limited. Sections 44 and 45 of the Act both provide *inter alia* that such financial assistance must be approved by a special resolution of the shareholders, adopted within the previous two years. The directors may not authorise any such financial assistance unless they are satisfied that:

- i. immediately after providing the financial assistance, Mondi Limited would satisfy the solvency and liquidity test; and
- ii. the terms under which the financial assistance is proposed to be given are fair and reasonable to Mondi Limited.

In the normal course of business Mondi Limited is required to grant financial assistance to subsidiaries and other juristic persons in the Mondi Group, including but not limited to financial assistance in the form of loans, guarantees in favour of third parties, such as financial institutions, service providers and counterparties (in respect of the provision of banking facilities, acquisition transactions, project financing, debt capital and structured financing transactions) for the obligations of such subsidiaries and any persons related to such subsidiaries. This resolution will enable Mondi Limited to provide financial assistance to persons and/or subsidiaries in the Mondi Group which may be required from time to time in the normal course of business.

Resolution 20 – general authority to the directors to issue ordinary shares

This authority, in accordance with the Listings Requirements of the JSE Limited, grants the directors the authority to allot and issue or grant options to subscribe for, a number of shares equal to 5% of the issued ordinary shares of Mondi Limited.

Resolution 21 – general authority to the directors to issue special converting shares

This authority, in accordance with the Listings Requirements of the JSE Limited, grants the directors the authority to allot and issue or grant options to subscribe for, a number of shares equal to 5% of the issued special converting shares of Mondi Limited.

The special converting shares are very specific to the Mondi dual listed company (DLC) administration and can only be used upon termination of the DLC arrangements.

The special converting shares are shares issued by Mondi Limited that are held by a South African trust and which convert into ordinary shares upon termination of the DLC structure so as to ensure economic equalisation for shareholders. Mondi plc also has a number of special converting shares in issue to a UK trust. The two companies are required under the DLC agreements to ensure that the correct number of special converting shares is always in issue. Therefore, should the authority under resolution 31 (relating to the number of Mondi plc ordinary shares in issue) be used an equivalent authority is required in respect of the special converting shares of Mondi Limited in order to maintain the protection for shareholders. Equalisation on termination is achieved by ensuring that the shareholders of each company receive such shares in the other company as will ensure that they have the same proportionate holding in each of the companies as they previously had in the combined group. Prior to termination of the DLC structure the special converting shares have limited rights.

Resolution 22 – allot shares for cash

Resolution 22 provides authority to the directors to allot shares for cash other than by way of rights issue in respect of Mondi Limited up to the limit specified in the resolution. In such circumstances, the directors confirm that, as and when they exercise such authority, they intend to follow emerging best practice as regards its use as recommended by the Association of British Insurers.

The directors also confirm that the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi Limited;
- ii. the equity securities which are the subject of the issue for cash shall be of a class already in issue, or where this is not the case, shall be limited to such securities or rights that are convertible into a class already in issue;
- iii. a paid press announcement giving full details, including the impact on the net asset value and earnings per ordinary share, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to such issue;
- iv. the issue in the aggregate in any one financial year will not exceed 15% of the number of ordinary shares in issue (although it should be noted that the resolution limits the directors to a maximum of 5% of the ordinary shares in issue);
- v. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the

30 days prior to the date the price of the issue is determined or agreed between Mondi Limited and the party subscribing for the securities; and

vi. the equity securities/shares must be issued to public shareholders and not to related parties.

In terms of the Listings Requirements of the JSE Limited, the approval of 75% of the votes cast in favour of this resolution by all equity securities holders present or represented by proxy at the Annual General Meeting is required to approve this resolution.

Resolution 23 – Special resolution 3 – to purchase own shares

The reason and effect of resolution 23 is to grant a renewable general authority to Mondi Limited, or a subsidiary of Mondi Limited, to acquire ordinary shares in Mondi Limited which are in issue from time to time in terms of the following Listings Requirements of the JSE Limited (JSE) (as presently constituted and as amended from time to time):

- i. any such acquisition of ordinary shares be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between Mondi Limited and the counter party;
- ii. authorisation thereto is given by Mondi Limited's Memorandum of Incorporation;
- iii. this general authority shall be valid until Mondi Limited's next Annual General Meeting or 15 months from the date of passing this special resolution, whichever is earlier;
- iv. an announcement will be published as soon as Mondi Limited or any of its subsidiaries has acquired ordinary shares constituting, on a cumulative basis, 3% of the number of ordinary shares in issue prior to the acquisition pursuant to which the aforesaid 3% threshold is reached, and for each 3% in aggregate acquired thereafter, containing full details of such acquisitions;
- v. acquisitions of ordinary shares in aggregate in any one financial year may not exceed 20% of Mondi Limited's issued ordinary share capital of that class as at the date of passing of this resolution (although it should be noted that the directors will limit any purchase to a maximum of 5% of the issued ordinary share capital);
- vi. in determining the price at which ordinary shares issued by Mondi Limited are acquired by it or any of its subsidiaries in terms of this general authority, the maximum premium at which such ordinary shares may be acquired will be 10% of the weighted average of the market value at which such ordinary shares are traded on the JSE as determined over the five business days immediately preceding the date of repurchase of such ordinary shares by Mondi Limited or any of its subsidiaries;
- vii. at any point in time, Mondi Limited or any of its subsidiaries may only appoint one agent to effect any repurchase on Mondi Limited's behalf;
- viii. Mondi Limited or any of its subsidiaries may not repurchase any shares during a prohibited period as defined by the Listings Requirements of the JSE, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and full details of the programme have been disclosed in an announcement over the JSE's Security Exchange News Service (SENS) prior to the commencement of the prohibited period; and
- ix. the directors have authorised the repurchase, that Mondi Limited passes the solvency and liquidity test and that from the time the test is done there are no material changes to the financial position of the Group.

The directors of Mondi Limited have no present intention of making any repurchases but believe that Mondi Limited should retain the flexibility to take action if future repurchases were considered desirable and in the best interests of shareholders. The directors of Mondi Limited are of the opinion that, after considering the effect of such acquisition of ordinary shares, if implemented and on the assumption that Mondi Limited acquires the maximum of 5% of the current issued ordinary share capital of Mondi Limited at the last practical date prior to the date of the Notice of Annual General Meeting of Mondi Limited convened for 3 May 2012 or during a period of 12 months after the date of the Notice of Annual General Meeting of Mondi Limited:

- Mondi Limited and its subsidiaries will be able, in the ordinary course of business, to pay its debts;
- the consolidated assets of Mondi Limited and its subsidiaries, fairly valued in accordance with Generally Accepted Accounting Practice, will be in excess of the consolidated liabilities of Mondi Limited and its subsidiaries;
- Mondi Limited and its subsidiaries will have adequate capital and reserves for ordinary business purposes; and
- the working capital of Mondi Limited and its subsidiaries will be adequate for ordinary business purposes. Mondi Limited will ensure that its sponsor will provide the necessary letter on the adequacy of the working capital in terms of the Listings Requirements of the JSE, prior to the commencement of any purchase of Mondi Limited's shares on the open market.

Litigation statement

In terms of section 11.26 of the Listings Requirements of the JSE, the directors, whose names appear on pages 52 to 54 of the Mondi Group integrated report and financial statements 2011, are not aware of any legal or arbitration proceedings that are pending or threatened, that may have or have had in the recent past, being at least the previous 12 months, a material effect on Mondi Limited and its subsidiaries' financial position.

Resolutions 24 and 34 – Special resolutions 4 and 8 – adoption of new Memorandum of Incorporation of Mondi Limited and new Articles of Association of Mondi plc

Resolutions 24 and 34 propose the adoption of a new Memorandum of Incorporation for Mondi Limited (the New MOI) and new Articles of Association for Mondi plc.

The directors propose that Mondi Limited's existing Memorandum of Incorporation (previously referred to as Mondi Limited's memorandum and articles of association) (the Current MOI) be replaced with the New MOI, which will bring it in line with the provisions of the South African Companies Act 71 of 2008 (the SA Act) and the Listings Requirements of the JSE Limited (JSE).

The SA Act requires that a company's pre-existing MOI (in other words, its memorandum and articles of association) be amended to be brought in line with the provisions of the SA Act by 30 April 2013, failing which, any provision of the company's MOI which contravenes or is inconsistent with the SA Act, shall be void after that date. The MOI must also reflect the amendments to the Listings Requirements of the JSE made to bring the latter in line with the new SA Act.

The proposed New MOI is not materially different from the Current MOI. A summary of the key changes in the New MOI are set out below in the order in which they appear in the New MOI. Other changes that are of a minor, technical or clarifying nature and also changes which merely reflect changes made by the SA Act have not been explained below.

The constitutional documents of Mondi Limited and Mondi plc are broadly identical, the differences being due to variances in applicable law in South Africa and the UK. The proposed changes to the Articles of Association of Mondi plc reflect the changes made in the New MOI of Mondi Limited as far as UK law and regulation permits in order to maintain the principles of Mondi's dual listed company structure.

The key changes in the New MOI are:

Definitions

The New MOI has been amended to reflect changes in terminology used in the SA Act. By way of example, the term 'member' no longer applies to shareholders in a public company and so this term has been replaced throughout with the term 'shareholder'.

Article 9: Shares and special rights

The amendment to Article 9 provides for the issue of shares in Mondi Limited with such rights and restrictions as determined by the directors and the company, by special resolution, rather than by ordinary resolution (as was previously the requirement).

Article 13: Purchase of own shares

This amendment to Article 13 references the sections of the SA Act relating to share repurchases.

New Articles 37, 38 and 39: Odd Lot Offers

These articles provide a mechanism to facilitate the reduction in the number of registered shareholders holding in aggregate less than 100 shares (or such higher number as determined and/or agreed by the JSE as amounting to an odd lot) in Mondi Limited, in an equitable manner. There is no equivalent change in the Articles of Association of Mondi plc.

Article 47: Quorum

The amendment to Article 47 provides that a general meeting may not begin or a matter be considered until there are present (or represented) at least three shareholders entitled to vote and sufficient members entitled to exercise, in aggregate, at least 25% of all voting rights that are entitled to be exercised on a single matter before the general meeting. Additionally, a matter to be decided at the general meeting may not be considered unless shareholders entitled to exercise at least 25% of the voting rights entitled to be exercised on that matter, are present or represented.

The opportunity has also been taken to update the articles relating to the manner of payment of dividends (Article 116 in the New MOI and Article 120 in the new Articles of Association of Mondi plc) to provide flexibility for the directors to determine the way in which dividends can be paid, for example electronically. Although it should be noted that there is no current intention to change the dividend payment methods presently available to shareholders.

The complete New MOI of Mondi Limited and new Articles of Association of Mondi plc will be available for inspection as set out in Note 20 of the notes to this Notice of Annual General Meeting on page 20.

Resolutions 25 and 35 – Special resolutions 5 and 9 – borrowing powers

The proposed amendment to the Mondi Group's borrowing powers is neither prohibited nor required by any law, or regulation of, or decision by any regulatory body in South Africa, the UK or elsewhere. The proposed amendment and corresponding separate resolution is in line with the guidance on borrowing powers and resolutions issued by the Association of British Insurers.

Mondi operates under a dual listed company (DLC) structure and the relationship between Mondi Limited and Mondi plc is underpinned by the DLC structure principles. These principles provide that Mondi Limited and Mondi plc and their subsidiaries must operate as if they are a single corporate group. Also, any ordinary share held in either Mondi Limited or Mondi plc gives the holder an effective economic interest in the whole Mondi Group and consequently, exposure to the borrowing of the whole Mondi Group. The Group's principal financing facilities have been provided on consideration of the Group financial position which is supported by the Mondi Limited Deed Poll Guarantee and the Mondi plc Deed Poll Guarantee.

It is therefore considered appropriate that the Memorandum of Incorporation of Mondi Limited and the Articles of Association of Mondi plc reflect the DLC structure principles. The change to the borrowing powers is intended to clarify that it is the position of the Group that is considered. This change does not result in an increase in the overall borrowing powers of the Group but provides the Group with flexibility in line with the DLC structure to arrange its borrowings between the two parent companies as appropriate for the circumstances.

Resolution 31 – directors' authority to allot shares

The purpose of resolution 31 is to renew the directors of Mondi plc's power to allot shares. The authority will allow the directors of Mondi plc to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a maximum nominal amount of €4,855,537.60, as set out in the table below and exclusive of treasury shares, which is equivalent to approximately 5% of the issued capital:

	Number of shares	Par value	Relative part of section 551 amount
Ordinary shares	18,362,040	€0.20	3,672,408.00
Special converting shares	5,915,648	€0.20	1,183,129.60
Total			4,855,537.60

Explanation of resolutions

continued

This authority covers the issued ordinary share capital of Mondi plc, as would normally be the case for a UK company at its Annual General Meeting, but also the issued special converting shares of Mondi plc. An authority is included for the special converting shares to enable the directors of Mondi plc to issue these as and when required in accordance with the agreements which constitute Mondi's dual listed company structure (this is explained in more detail on page 12).

At 6 March 2012 (being the latest practicable date prior to the publication of this Notice), Mondi plc did not hold any shares in treasury.

There are no present plans to undertake a rights issue or to allot new shares. The directors of Mondi plc consider it desirable to have the flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

Although UK companies would generally seek an authority over 33.3% of issued capital, Mondi plc is aware that the investment community in South Africa prefers to see this authority restricted to no more than 5% of issued capital. In view of the dual listed company structure, Mondi plc has decided to limit the authority to 5%.

If the resolution is passed, the authority will expire at the end of the Annual General Meeting of Mondi plc to be held in 2013 or, if earlier, 30 June 2013.

Resolution 32 – Special resolution 6 – disapplication of pre-emption rights

If the directors of Mondi plc wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), UK company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

The purpose of resolution 32 is to authorise the directors of Mondi plc to allot new shares pursuant to the authority given by resolution 31, or to sell treasury shares, for cash (i) in connection with a Rights Issue (as defined in the Articles) or (ii) otherwise up to a maximum aggregate nominal value of €3,672,408, which is equivalent to 5% of the issued ordinary share capital of Mondi plc as at 6 March 2012 (being the latest practicable date prior to publication of this Notice), in each case without the shares first being offered to existing shareholders in proportion to their existing holdings. The authority will expire at the end of the next Annual General Meeting of Mondi plc to be held in 2013 or, if earlier, 30 June 2013.

The directors confirm that, as and when they exercise such authorities, they intend to follow emerging best practice as regards its use as recommended by the Association of British Insurers.

In accordance with the provisions of the Pre-emption Group's Statement of Principles, the directors do not intend to issue more than 7.5% of the total issued ordinary share capital of Mondi plc for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in any rolling three year period without prior consultation with shareholders and the investment committees of the Association of British Insurers and the National Association of Pension Funds.

The directors also confirm that pursuant to the dual listed company structure, the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi plc;
- ii. a paid press announcement giving full details, including the impact on net asset value and earnings per ordinary share, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to such issue;
- iii. the issue in the aggregate in any one financial year will not exceed 15% of the number of ordinary shares in issue (although it should be noted that the resolution limits the directors to a maximum of 5% of the ordinary shares in issue);
- iv. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the 30 days prior to the date that the price of the issue is determined or agreed by the directors of Mondi plc; and
- v. the equity securities/shares must be issued to public shareholders and not to related parties.

The directors of Mondi plc consider the authority in resolution 32 to be appropriate in order to allow Mondi plc flexibility to finance business opportunities without the need to comply with the strict requirements of the statutory pre-emption provisions.

Resolution 33 – Special resolution 7 – purchase of own shares

The directors of Mondi plc consider it may, in certain circumstances, be in the best interests of shareholders generally for Mondi plc to purchase its own ordinary shares. Accordingly, the effect of this resolution is to renew the general authority, subject to specified limits, granted to Mondi plc to purchase its own ordinary shares, until the Annual General Meeting in 2013 or, if earlier, 30 June 2013. You are asked to consent to the purchase by Mondi plc of up to a maximum of 18,362,040 ordinary shares of €0.20 each. This represents 5% of the ordinary shares in issue as at 6 March 2012 and Mondi plc's exercise of this authority is subject to the stated upper and lower limits on the price payable.

As of 6 March 2012 (the latest practicable date prior to publication of this Notice), there were options outstanding over 8,415,126 ordinary shares, representing 2.29% of Mondi plc's issued ordinary share capital at that date. If the authority to buy back shares was exercised in full, the total number of options to subscribe for ordinary shares would represent 2.41% of Mondi plc's reduced issued ordinary share capital.

The directors of Mondi plc have no present intention of making any purchases of its own ordinary shares, but believe that Mondi plc should retain the flexibility to take further action if future purchases were considered desirable and in the best interests of shareholders. Pursuant to the UK Companies Act 2006, Mondi plc can hold the shares which have been repurchased itself as treasury shares and either resell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. The directors of Mondi plc believe that it is desirable for Mondi plc to have this choice and therefore intend to hold any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares will give Mondi plc the ability to resell them or transfer them in the future, and so provide Mondi plc with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

Notes to the Notice of Annual General Meeting

Joint Electorate Actions

1. All of the resolutions are Joint Electorate Actions under the Articles of Association of Mondi plc and, accordingly, both the holders of ordinary shares in Mondi plc and the holder of the special voting share in Mondi plc are entitled to vote. Voting will be on a poll which will remain open for sufficient time to allow the Mondi Limited Annual General Meeting to be held and for the votes of the holder of the Mondi plc special voting share to be ascertained on a poll.

On the poll:

- i. each fully paid ordinary share in Mondi plc (other than those subject to voting restrictions) will have one vote;
- ii. the holder of the Mondi plc special voting share will cast the same number of votes as were validly cast for and against the equivalent resolution by Mondi Limited shareholders on the poll at the Mondi Limited Annual General Meeting;
- iii. the holder of the Mondi plc special voting share will be obliged to cast these votes for and against the relevant resolution in accordance with the votes cast for and against the equivalent resolution by Mondi Limited shareholders on the poll at the Mondi Limited Annual General Meeting;
- iv. through this mechanism, the votes of the Mondi Limited shareholders at the Mondi Limited Annual General Meeting will be reflected at Mondi plc's Annual General Meeting in respect of each Joint Electorate Action; and
- v. the results of the Joint Electorate Actions will be announced after both polls have closed.

Proxy appointment

2. Members are entitled to appoint a proxy to exercise all or any of their rights to attend, to speak and to vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of either Mondi Limited or Mondi plc but must attend the meeting to represent you. Members can register their proxy appointment electronically or use the proxy form accompanying this Notice to make a proxy appointment and give proxy instructions.
3. Electronic voting facilities are available to all shareholders to register the appointment of their proxy through the Capita website at www.capitashareportal.com where full instructions are given. The Investor Code (IVC) and post code as printed on the proxy form or a recent dividend tax voucher will be required to use this electronic proxy appointment system. A proxy appointment made electronically will not be valid if sent to any electronic address other than those provided or if received after 11:00 (UK time) on Tuesday 1 May 2012. Please note that any electronic communication found to contain a computer virus will not be accepted.
4. Alternatively, to appoint a proxy by post, complete the proxy form in accordance with the instructions printed thereon. The proxy form, and any power of attorney or authority under which it is executed (or a duly certified copy of any such power or authority), must be either sent to Mondi plc's registrars Capita Registrars, PXS, 34 Beckenham Road, Beckenham, BR3 4TU, UK by post or delivered by hand (during normal business hours only) in each case so as to be received no later than 11:00 (UK time) on Tuesday 1 May 2012.
5. The return of a completed proxy form, or other such instrument or any voting instruction given electronically through the Capita website or a CREST Proxy Instruction (as described in paragraph 11 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

Nominated persons

6. Any person to whom this notice is sent who is a person nominated under section 146 of the UK Companies Act 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
7. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 2 to 5 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by members of Mondi plc.

Entitlement to attend and vote

8. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by Mondi plc of the votes that may be cast), shareholders must be registered in the register of members of Mondi plc as at 18:00 (UK time) on Tuesday 1 May 2012 (or, in the event of any adjournment, at 18:00 (UK time) on the date which is two working days (as defined in section 1173(i) of the UK Companies Act 2006) before the day of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Total voting rights

9. Holders of ordinary shares are entitled to attend and vote at general meetings of Mondi plc. The total number of issued ordinary shares in Mondi plc on 6 March 2012, which is the latest practicable date before the publication of this Notice, is 367,240,805. The total number of votes attaching to the special voting share of Mondi plc issued to Mondi SCS (UK) Limited, to reflect the votes of Mondi Limited shareholders on Joint Electorate Actions, pursuant to the DLC structure is 118,312,975. Therefore the aggregate number of votes on any Joint Electorate Action is 485,553,780.

Appointment of proxies through CREST

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ('a CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available at www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID: RA10) by 11:00 (UK time) on Tuesday 1 May 2012. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors, or voting service providers, should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. Mondi plc may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

14. Any corporation which is a member of Mondi plc can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Auditors

15. Shareholders should note that it is possible that, pursuant to requests made by shareholders of Mondi plc meeting the threshold requirements set out in section 527 of the UK Companies Act 2006, Mondi plc may be required to publish on a website a statement setting out any matter relating to: (i) the audit of Mondi plc's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of Mondi plc ceasing to hold office since the previous general meeting at which annual accounts and reports were laid in accordance with section 437 of the UK Companies Act 2006. Mondi plc may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the UK Companies Act 2006. Where Mondi plc is required to place a statement on a website under section 527 of the UK Companies Act 2006, it must forward the statement to its auditor before it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that Mondi plc has been required to publish on a website under section 527 of the UK Companies Act 2006.

Polls

16. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the directors consider it a more democratic method of voting.

Right to ask questions

17. Any member attending the Annual General Meeting has the right to ask questions. Mondi plc must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of Mondi plc or good order of the meeting that the question be answered.
