New Articles of Association

Whilst much of the business at the meeting will be ordinary business regularly proposed at annual general meetings we are, in addition, taking the opportunity to adopt new Articles of Association to reflect the implementation of the Shareholders Rights Directive in the UK in August 2009, the remaining provisions of the UK Companies Act 2006 in October 2009 and certain amendments to the Uncertificated Securities Regulations 2001.

An explanation of the main changes between the proposed and the existing Articles of Association is set out on pages 10 to 12.

Final dividend

Shareholders are being asked to give their consent for Mondi Limited and Mondi plc to pay final dividends of 73.54690 rand cents per ordinary share and 7.0 euro cents per ordinary share, respectively. Explanation of resolutions

Resolutions 1 to 4 – election of directors

The Articles of Association of Mondi Limited and Mondi plc require that any director who has been appointed since the previous Annual General Meeting must stand for election at the Annual General Meeting following his or her appointment. In accordance with this requirement John Nicholas is standing for election. He was appointed to the Boards in October 2009 as an independent non-executive director and as chairman of the DLC audit committee and has letters of appointment from Mondi Limited and Mondi plc. His letters provide for six months notice by either party.

In addition, the Articles require one-third of the directors to retire by rotation at each Annual General Meeting based on those who have been the longest serving since their election or last re-election. The decision for David Hathorn, Colin Matthews and David Williams to stand for re-election in 2010 was reached by mutual agreement of the directors. The DLC nominations committee has reviewed and recommended to the Boards the election or re-election of each of the directors referred to above. The Boards confirm that John Nicholas and Colin Matthews are considered to be independent and that David Williams, as joint chairman, was independent at the time of his appointment. The recent board evaluation also confirmed that each of the directors standing for election or re-election continue to make an effective and valuable contribution to the Boards and demonstrate commitment to their respective roles.

Full biographical details of each director are set out in the Mondi Group annual report and accounts 2009 on pages 44 to 47.

Resolutions 5 to 7 – election of DLC audit committee members

South African company law requires that, at each Annual General Meeting, the shareholders elect the members of an audit committee. The three members proposed, each an independent non-executive director of both Mondi Limited and Mondi plc, are Colin Matthews, John Nicholas and Anne Quinn. The DLC nominations committee reviewed the suitability and qualifications of each director as members of the DLC audit committee and considers that each of Colin Matthews, John Nicholas and Anne Quinn has adequate relevant financial knowledge and experience to fulfill their duties as members of the DLC audit committee.

Resolutions 8 and 18 – 2009 annual report and accounts

The directors of Mondi Limited and Mondi plc are required by company law to present the accounts, the directors' report and the auditors' report of the respective company to the meeting.

Resolutions 9 and 19 – directors' remuneration

Regulation in South Africa and the UK requires that the directors present a report on their remuneration during the period under review for approval by shareholders. The report for the year ended 31 December 2009 is set out on pages 61 to 72 of the Mondi Group annual report and accounts 2009.

Resolutions 10 and 20 – final dividend

Shareholder consent is required for Mondi Limited and Mondi plc to pay final dividends of 73.54690 rand cents per ordinary share and 7.0 euro cents per ordinary share, respectively. If approved, the dividends will

be paid on 19 May 2010 to shareholders on each register on 23 April 2010.

Resolutions 11, 12, 21 and 22 – reappointment and remuneration of auditors

South African and UK company law requires that, at each general meeting at which accounts are laid, Mondi Limited and Mondi plc appoint auditors who will remain in office until the next general meeting at which accounts are laid. The boards of Mondi Limited and Mondi plc, having accepted the recommendation of the DLC audit committee, propose that Deloitte & Touche and Deloitte LLP be reappointed as Mondi Limited and Mondi plc's auditors, respectively. Resolutions 11 and 21 relate to the reappointment and resolutions 12 and 22 will authorise the DLC audit committee to agree the auditors' remuneration.

Resolutions 13 and 23 – Special resolutions 1 and 3 – adoption of new Articles of Association

It is proposed in resolutions 13 and 23 to adopt new Articles of Association (the 'New Articles') in order to update the Mondi Limited and Mondi plc current Articles of Association (the 'Current Articles') primarily to take account of the coming into force of the UK Companies (Shareholders' Rights) Regulations 2009 (the 'Shareholders' Rights Regulations'), the implementation of the final parts of the UK Companies Act 2006 and amendments to the Uncertificated Securities Regulations 2001.

The principal changes introduced in the New Articles are summarised on pages 10 to 12. Other changes, which are of a minor, technical or clarifying nature and also some more minor changes which merely reflect changes made by the UK Companies Act 2006, the Shareholders'

Explanation of resolutions continued

Rights Regulations or the Uncertificated Securities Regulations 2001 or conform the language of the New Articles with that used in the model articles for public companies produced by the UK Department for Business, Innovation and Skills (the 'Model Articles'), have not been noted in the explanation. The New Articles showing all the changes to the Current Articles are available for inspection, as noted on page 14.

Resolution 14 – placing ordinary shares under the control of the directors

This authority would, in accordance with South African company law and the Listings Requirements of the JSE Limited, place a number of shares equal to 5% of the issued ordinary shares of Mondi Limited under the control of the directors.

Resolution 15 – placing special converting shares under the control of the directors

This authority would, in accordance with South African company law and the Listings Requirements of the JSE Limited, place a number of special converting shares equal to 5% of the issued special converting shares of Mondi Limited under the control of the directors.

Resolution 16 – allot shares for cash

If resolution 16 and resolution 25 are both passed, the directors will have authority to allot shares for cash other than by way of rights issue in respect of both Mondi Limited and Mondi plc up to the limits specified in those respective resolutions. In such circumstances, the directors confirm that, as and when they exercise such authorities, they intend to comply with the relevant guidelines of the Association of British Insurers.

The directors also confirm that the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi Limited;
- ii. the equity securities which are the subject of the issue for cash shall be of a class already in issue, or where this is not the case, shall be limited to such securities or rights that are convertible into a class already in issue;
- iii. a paid press announcement giving full details, including the impact on the net asset value and earnings per ordinary share, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to such issue;
- iv. the issue in the aggregate in any one financial year will not exceed 15% of the number of ordinary shares in issue (although it should be noted that the resolution limits the directors to a maximum of 5% of the ordinary shares in issue);
- v. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the 30 days prior to the date the price of the issue is determined or agreed between Mondi Limited and the party subscribing for the securities; and
- vi. the equity securities/shares must be issued to public shareholders and not to related parties.

In terms of the Listings Requirements of the JSE Limited, the approval of 75% of the votes cast in favour of this resolution by all equity securities holders present or represented by proxy at the Annual General Meeting is required to approve this resolution.

Resolution 17 – Special resolution 2 – to purchase own shares

The reason and effect of resolution 17 is to grant a renewable general authority to Mondi Limited, or a subsidiary of Mondi Limited, to acquire ordinary shares in itself which are in issue from time to time in terms of the South African Companies Act, No.61 of 1973, as amended, and the following Listings Requirements of the JSE Limited (JSE):

- i. any such acquisition of ordinary shares be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between Mondi Limited and the counter party;
- ii. this general authority shall be valid until Mondi Limited's next Annual General Meeting;
- iii. an announcement will be published as soon as Mondi Limited or any of its subsidiaries has acquired ordinary shares constituting, on a cumulative basis, 3% of the number of ordinary shares in issue prior to the acquisition pursuant to which the aforesaid 3% threshold is reached, and for each 3% in aggregate acquired thereafter, containing full details of such acquisitions;
- iv. acquisitions of ordinary shares in aggregate in any one financial year may not exceed 10% of Mondi Limited's issued ordinary share capital as at the date of passing of this resolution;
- v. in determining the price at which ordinary shares issued by Mondi Limited are acquired by it or any of its subsidiaries in terms of this general authority, the maximum premium at which such ordinary shares may be acquired will be 10% of the weighted average of the market value at which such ordinary shares are traded on the JSE as

determined over the five business days immediately preceding the date of repurchase of such ordinary shares by Mondi Limited or any of its subsidiaries;

- vi. at any point in time, Mondi Limited or any of its subsidiaries may only appoint one agent to effect any repurchase on Mondi Limited's behalf;
- vii. Mondi Limited must remain in compliance with the minimum shareholder spread requirements of the Listings Requirements of the JSE; and
- viii. Mondi Limited or any of its subsidiaries may not repurchase any shares during a prohibited period as defined by the Listings Requirements of the JSE, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and full details of the programme have been disclosed in an announcement over the JSE's Security Exchange News Service (SENS) prior to the commencement of the prohibited period.

The directors of Mondi Limited have no present intention of making any repurchases but believe that Mondi Limited should retain the flexibility to take action if future repurchases were considered desirable and in the best interests of shareholders. The directors of Mondi Limited are of the opinion that, after considering the effect of such acquisition of ordinary shares, if implemented and on the assumption that Mondi Limited acquires the maximum of 10% of the current issued ordinary share capital of Mondi Limited at the last practical date prior to the date of the Notice of Annual General Meeting of Mondi Limited convened for 6 May 2010 or during a period of 12 months after the

date of the Notice of Annual General Meeting of Mondi Limited:

- Mondi Limited and its subsidiaries will be able, in the ordinary course of business, to pay its debts;
- the consolidated assets of Mondi Limited and its subsidiaries, fairly valued in accordance with Generally Accepted Accounting Practice, will be in excess of the consolidated liabilities of Mondi Limited and its subsidiaries;
- Mondi Limited and its subsidiaries will have adequate capital and reserves for ordinary business purposes; and
- the working capital of Mondi Limited and its subsidiaries will be adequate for ordinary business purposes. Mondi Limited will ensure that its sponsor will provide the necessary letter on the adequacy of the working capital in terms of the Listings Requirements of the JSE Limited, prior to the commencement of any purchase of Mondi Limited's shares on the open market.

Litigation statement

In terms of section 11.26 of the Listings Requirements of the JSE Limited, the directors, whose names appear on pages 44 to 47 of the Mondi Group annual report and accounts 2009, are not aware of any legal or arbitration proceedings that are pending or threatened, that may have or have had in the recent past, being at least the previous 12 months, a material effect on Mondi Limited and its subsidiaries' financial position.

Directors' responsibility statement

The directors, whose names appear on pages 44 to 47 of the Mondi Group annual report and accounts 2009, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution and certify that, to the best of

their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading and that all reasonable enquiries to ascertain such facts have been made and that the special resolution contains all information required by law and the Listings Requirements of the JSE Limited.

Material changes

Other than the facts and developments reported on in the Mondi Limited 2009 statutory accounts, there have been no material changes in the affairs or financial position of Mondi Limited and its subsidiaries since the date of signature of the audit report and up to the date of this Notice.

The following additional information, some of which may appear elsewhere in the Mondi Group annual report and accounts 2009, is provided in terms of the Listings Requirements of the JSE Limited for purposes of the general authority:

- directors and management – annual report pages 44 to 48;
- major beneficial shareholders – annual report page 73;
- directors' interests in ordinary shares – annual report page 68; and
- share capital of Mondi Limited – annual report page 140.

Resolution 24 – directors' authority to allot shares

The purpose of resolution 24 is to renew the directors of Mondi plc's power to allot shares. The authority will allow the directors of Mondi plc to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a maximum nominal amount of €5,141,371.20, as set out in the table below and exclusive of treasury shares, which is equivalent to approximately 5% of the issued capital:

Explanation of resolutions **continued**

	Number of shares	Par value	Relative part of section 551 amount
Ordinary shares	18,362,040	€0.20	€3,672,408.00
Special converting shares	7,344,816	€0.20	€1,468,963.20
Total			€5,141,371.20

This authority covers the issued ordinary share capital of Mondi plc, as would normally be the case for a UK company at its Annual General Meeting, but also the issued special converting shares of Mondi plc. An authority is included for the special converting shares to enable the directors of Mondi plc to issue these as and when required in accordance with the agreements which constitute Mondi's dual listed company structure.

At 11 March 2010 (being the latest practicable date prior to the publication of this Notice), Mondi plc did not hold any shares in treasury.

There are no present plans to undertake a rights issue or to allot new shares. The directors of Mondi plc consider it desirable to have the flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

Although UK companies would generally seek an authority over 33.3% of issued capital, Mondi plc is aware that the investment community in South Africa prefers to see this authority restricted to no more than 5% of issued capital. In view of the dual listed company structure, Mondi plc has decided to limit the authority to 5%.

If the resolution is passed, the authority will expire at the end of the Annual General Meeting of Mondi plc to be held in 2011 or, if earlier, 6 August 2011.

Resolution 25 – Special resolution 4 – disapplication of pre-emption rights

If the directors of Mondi plc wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), UK company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

The purpose of resolution 25 is to authorise the directors of Mondi plc to allot new shares pursuant to the authority given by resolution 24, or to sell treasury shares, for cash (i) in connection with a Rights Issue (as defined in the New Articles) or (ii) otherwise up to a maximum aggregate nominal value of €3,672,408, which is equivalent to 5% of the issued ordinary share capital of Mondi plc as at 11 March 2010 (being the latest practicable date prior to publication of this Notice), in each case without the shares first being offered to existing shareholders in proportion to their existing holdings. The authority will expire at the end of the next Annual General Meeting of Mondi plc to be held in 2011 or, if earlier, 6 August 2011.

If this resolution 25 and resolution 16 are both passed, the directors will have authority to allot shares for cash other than by way of rights issue in respect of both Mondi plc and Mondi Limited up to the limits specified in those respective resolutions. In such circumstances, the

directors confirm that, as and when they exercise such authorities, they intend to comply with the relevant guidelines of the Association of British Insurers.

The directors also confirm that pursuant to the dual listed company structure, the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi plc;
- ii. a paid press announcement giving full details, including the impact on net asset value and earnings per ordinary share, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to such issue;
- iii. the issue in the aggregate in any one financial year will not exceed 15% of the number of ordinary shares in issue (although it should be noted that the resolution limits the directors to a maximum of 5% of the ordinary shares in issue);
- iv. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the 30 days prior to the date that the price of the issue is determined or agreed by the directors of Mondi plc; and
- v. the equity securities/shares must be issued to public shareholders and not to related parties.

The directors of Mondi plc consider the authority in resolution 25 to be appropriate in order to allow Mondi plc flexibility to finance business opportunities without the need to comply with the strict

requirements of the statutory pre-emption provisions.

Resolution 26 – Special resolution 5 – purchase of own shares

The directors of Mondi plc consider it may, in certain circumstances, be in the best interests of shareholders generally for Mondi plc to purchase its own ordinary shares. Accordingly, the effect of this resolution is to renew the general authority, subject to specified limits, granted to Mondi plc to purchase its own ordinary shares, until the Annual General Meeting in 2011 or, if earlier, 6 August 2011. You are asked to consent to the purchase by Mondi plc of up to a maximum of 18,362,040 ordinary shares of €0.20 each. This represents 5% of the ordinary shares in issue as at 11 March 2010 and Mondi plc's exercise of this authority is subject to the stated upper and lower limits on the price payable.

As of 11 March 2010 (the latest practicable date prior to publication of this Notice), there were options outstanding over 10,232,900 ordinary shares, representing 2.79% of Mondi plc's issued ordinary share capital at that date. If the authority to buy back shares was exercised in full, the total number of options to subscribe for ordinary shares would represent 2.93% of Mondi plc's reduced issued ordinary share capital.

The directors of Mondi plc have no present intention of making any purchases, but believe that Mondi plc should retain the flexibility to take further action if future purchases were considered desirable and in the best interests of shareholders. Pursuant to the UK Companies Act 2006, Mondi plc can hold the shares which have been repurchased itself as treasury shares and

either resell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. The directors of Mondi plc believe that it is desirable for Mondi plc to have this choice and therefore intend to hold any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares will give Mondi plc the ability to resell them or transfer them in the future, and so provide Mondi plc with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

Explanatory notes of principal changes to the Mondi Limited and Mondi plc Articles of Association

The Articles of Association of Mondi Limited and Mondi plc are broadly identical, the differences being due to variances in applicable law in South Africa and the UK. In the UK, the Companies Act 2006 had a phased implementation and the proposed changes to the Mondi plc Articles reflect the final provisions that are now in force. The proposed changes to the Mondi Limited Articles reflect, where permissible under South African law, the same changes to ensure that the Articles of both Mondi Limited and Mondi plc remain broadly identical. This simplifies the administration of the dual listed structure between the two companies.

1. Mondi plc's objects

The provisions regulating the operations of Mondi plc are currently set out in Mondi plc's memorandum and articles of association. Mondi plc's memorandum contains, among other things, the objects clause which sets out the scope of the activities Mondi plc is authorised to undertake. This is drafted to give a wide scope.

The UK Companies Act 2006 significantly reduces the constitutional significance of a company's memorandum. The UK Companies Act 2006 provides that a memorandum will record only the names of subscribers and the number of shares each subscriber has agreed to take in the company. Under the UK Companies Act 2006 the objects clause and all other provisions which are contained in a company's memorandum, for existing companies at 1 October 2009, are deemed to be contained in the company's articles of association but the company can remove these provisions by special resolution.

Further, the UK Companies Act 2006 states that unless a company's articles provide otherwise, a company's objects are unrestricted. This abolishes the need for companies to have objects clauses. For this reason Mondi plc is proposing to remove its objects clause together with all other provisions of its memorandum which, by virtue of the UK Companies Act 2006, are treated as forming part of Mondi plc's articles of association as of 1 October 2009. Resolution 23(j) confirms the removal of these provisions for Mondi plc. As the effect of this resolution will be to remove the statement currently in Mondi plc's memorandum of association regarding limited liability, the new articles of Mondi plc also contain an express statement regarding the limited liability of shareholders.

2. Articles which duplicate statutory provisions

Provisions in the Current Articles which replicate provisions contained in the UK Companies Act 2006 are in the main to be removed in the New Articles. This is in line with the approach advocated by the UK Government that statutory provisions should not be duplicated in a company's constitution.

3. Change of name

Under the UK Companies Act 1985, a company could only change its name by special resolution. Under the UK Companies Act 2006 a company will be able to change its name by other means provided for by its articles. To take advantage of this provision, the New Articles enable the directors to pass a resolution to change Mondi plc's name.

4. Authorised share capital and unissued shares

The UK Companies Act 2006 abolishes the requirement for a company to have an authorised share capital and the New Articles of Mondi plc reflect this. Directors will still be limited as to the number of shares they can at any time allot because allotment authority continues to be required under the UK Companies Act 2006, save in respect of employee share schemes.

5. Authority to purchase own shares, consolidate and sub-divide shares, and reduce share capital

Under the UK Companies Act 1985, a company required specific enabling provisions in its articles to purchase its own shares, to consolidate or sub-divide its shares and to reduce its share capital or other undistributable reserves as well as shareholder authority to undertake the relevant action. The Current Articles include these enabling provisions. Under the UK Companies Act 2006 a company will only require shareholder authority to do any of these things and it will no longer be necessary for articles to contain enabling provisions. Accordingly the relevant enabling provisions have been removed in the New Articles.

6. Uncertificated shares

This new provision sets out the powers the directors have in relation to uncertificated shares and how they should be dealt with in accordance with the New Articles. It follows the language used in the Model Articles.

7. Use of seals

The New Articles provide an alternative option for execution of documents (other than share certificates). Under the New

Articles, when the seal is affixed to a document it may be signed by one authorised person in the presence of a witness, whereas previously the requirement was for signature by either a director and the secretary or two directors or such other person or persons as the directors may approve.

8. Suspension of registration of share transfers

The Current Articles permit the directors to suspend the registration of transfers. Under the UK Companies Act 2006 share transfers must be registered as soon as practicable. The power in the Current Articles to suspend the registration of transfers is inconsistent with this requirement. Accordingly, this power has been removed in the New Articles.

9. Vacation of office by directors

The Current Articles specify the circumstances in which a director must vacate office. The New Articles update these provisions to reflect the approach taken on mental and physical incapacity in the Model Articles.

10. Voting by proxies on a show of hands

The Shareholders' Rights Regulations have amended the UK Companies Act 2006 so that it now provides that each proxy appointed by a member has one vote on a show of hands unless the proxy is appointed by more than one member in which case the proxy has one vote for and one vote against if the proxy has been instructed by one or more members to vote for the resolution and by one or more members to vote against the resolution. The Current Articles have been amended to reflect these changes.

11. Voting by corporate representatives

The Shareholders' Rights Regulations have amended the UK Companies Act 2006 in order to enable multiple representatives appointed by the same corporate member to vote in different ways on a show of hands and a poll. The New Articles remove provisions in the Current Articles dealing with voting by corporate representatives on the basis that these are dealt with in the UK Companies Act 2006.

12. Voting by guardian

This provision gave the directors discretion to allow a person appointed by the court to manage the affairs of someone suffering from a mental disorder to vote in place of that member. This provision used to appear in the UK Table A Articles but is not contained in the Model Articles. It has been removed to bring the Current Articles in line with the Model Articles.

In these circumstances the guardian or other appointed person should use their authority to appoint a proxy on behalf of the member (they could appoint themselves as proxy if they wish) and that proxy can vote.

13. Electronic conduct of meetings

Amendments made to the UK Companies Act 2006 by the Shareholders' Rights Regulations specifically provide for the holding and conducting of electronic meetings. The Current Articles have been amended to reflect more closely the relevant provisions.

14. Chairman's casting vote

The New Articles remove the provision giving the chairman a casting vote in the event of an equality of votes as this is no

longer permitted under the UK Companies Act 2006.

15. Notice of general meetings

The Shareholders' Rights Regulations amend the UK Companies Act 2006 to require the company to give 21 clear days' notice of general meetings unless the company offers members an electronic voting facility and a special resolution reducing the period of notice to not less than 14 days has been passed. Annual general meetings must be held on 21 days' clear notice. The New Articles amend the provisions of the Current Articles to be consistent with the new requirements.

16. Adjournments for lack of quorum

Under the UK Companies Act 2006 as amended by the Shareholders' Rights Regulations, general meetings adjourned for lack of quorum must be held at least 10 clear days after the original meeting. The Current Articles have been changed to reflect this requirement.

17. Adjournments by chairman

It is proposed to amend the Articles to clarify the circumstances in which the chairman has power to adjourn the meeting without the consent of the meeting. These changes will bring the Current Articles in line with the common law and with market practice as well as making them more consistent with the Model Articles. In particular they will confirm the power of the chairman to adjourn the meeting in order to restore order or protect the safety of the attendees.

18. Voting record date

Under the UK Companies Act 2006 as amended by the Shareholders' Rights Regulations the company must determine the right of members to vote at a general meeting by reference to the register not more than 48 hours before the time for the holding of the meeting, not taking account of days which are not working days. The Current Articles have been amended to reflect this requirement.

19. Nomination of directors

It is proposed to remove the requirement in the Current Articles that a director cannot be elected at a general meeting unless a specified amount of notice is given before the meeting. This requirement used to appear in the UK Table A Articles but is not contained in the Model Articles and there is no requirement for such a notice to be given. Accordingly it is no longer considered necessary.

20. Reserves/ Business bought from a past date/ Liquidators' powers

Provisions of the Current Articles dealing with the creation of reserves, business bought from a past date and liquidators' powers have been deleted as they are obsolete and unnecessary in light of provisions of statute and applicable accounting standards.

21. General

Generally the opportunity has been taken to bring clearer language into the New Articles and in some areas to conform the language of the New Articles with that used in the Model Articles for public companies produced by the UK Department for Business, Innovation and Skills.
